Come see!—to play and splash in the hot springs (which aren't that different from the pools at home), Kylie begins to see this place through her grandmother's eyes and sees a new side of the things that used to scare her. Soon, Kylie is leading her Amah—Come see! Lái kàn kàn!—back through all her favorite parts of this place and having SO MUCH FUN! Conning the Billionaire Blair Babylon,2022-10-11 From USA Today Bestselling Author Blair Babylon comes an explosive thriller about a small-time con artist in Atlantic City who tries to scam an undercover MI6 spy, and soon the Philly Mafia is chasing both of them. You can't con an honest man, but I'd never met one of those. Until I met Micah Shine. I come from a long line of con artists. Grifters, if you will. Card cheats and honey traps and catfishers. My mother married wealthy men who died suddenly, and Dad counted cards at blackjack in Atlantic City until the Mafia offered him. Like father, like daughter. I was working marks in A.C. when I met Micah Shine, who seemed as if he might be that mythical beast, an honest man. I threw out the bait, and he didn't bite. Micah was tall, ripped, rich, and hot, and when he took off his sunglasses, his eyes were the green-flecked silver of opals. That night, he seemed sober, conscientious, and kind, scrupulous in his honesty, and a freaking magician in bed. That should have been my clue. Magicians are just another kind of con artist, but it didn't register. I was smitten until it all fell apart. I should've known. Because I should have realized that if I wasn't the con artist that night, I was the mark. But that didn't mean I was a sucker. Lex grew up in an orphanage deep in the dark. But even as a child, she instinctively rebelled against her fate—the time when she would be judged either useful to Society or forced to live among the mutations in Rock Bottom, the lowest level. When she is chosen to become an elite cadet of the Population Control Forces, only her fellow cadet Kane truly understands her longing for freedom. Unknown to her, one girl secretly shares her defiance. Livia Cosmo, the Orphan Aïress, may live on a sky island surrounded by wealth and privilege, but she is just as restricted as Lex. Her future is assured, until an intriguing encounter with a young man named Kane changes everything. For that is when Lex's and Livia's destinies collide... Approached by an old enemy to help save Kane from mortal danger, Lex sacrifices her Special Ops career to find him in the Islands among the clouds. Her search, high above in the beautiful spires of the City of Indra, brings her instead to the airgirl Livia. Best Class You Never Had Jim Cullen,2021-07-06 History teacher Kevin Lee is retiring from Seneca Falls High School, where he has worked for the past forty years. He decides to use the freedom of his pending exit to toss the state curriculum and teach the U.S. survey as the story of the alluring, inspiring, murderous concept we know as the American Dream—which, he understands, his students regard with justified, if instinctive, skepticism. Lee discusses the rise, fall, and legacy of the Dream with these smart, funny, and irreverent eleventh graders, in a narrative peppered with memos, email exchanges, text messages, student journalism, and other documents from beyond the walls of his classroom. The result is the best history class you never had. A chronological history of the United States, this compelling novel also offers a snapshot of American education, written by a veteran teacher who slices through the arid literature of pedagogy to vividly depict the life of the classroom. Finally, it offers a deeply affectionate and patriotic vision of American life—one fully aware of the nation’s limits and failures while honoring the longings so many of us have to believe in our country, even as we harbor deepening doubts about our nation.
