The Final Book: Gods SW Hammond, 2017-05-16 Multi-cultural, multi-historical, and spanning man's faith across time, *The Final Book* is a controversial and blasphemous last chapter of humanity. In the beginning there was love. The Goddess of Life in an elated romance with a beloved mortal. Her sister killed him. Their combined actions ripping a hole in destiny and plaguing mankind with an age of unprecedented corruption, vicious holy wars, and religious absolution. Though long forgotten by the mortals they serve, Zeus and his Pantheon continue to foster and protect mankind which is tearing itself apart—but even God isn't infallible. After failed diplomacy, the King of the Gods is left with no choice but to take the persona of a modern man—the famed genetic scientist Dr. Hork. In an effort to preserve the future by reshaping the past, Dr. Hork uses Project Genesis—the transfer of consciousness—to send subjects back in time. However, not without devastating failures. Subjects of the experiment wreak havoc upon humanity until a familiar character is reborn to correct the course. Reincarnated and ready to fulfill his true destiny, Joshua Bach is the catalyst the Gods have been waiting for—and Dr. Hork's final beacon of salvation. Ferociously idealistic, the free-spirited young man struggles to come-of-age in a time and society ruled by money and corruption. Under the wing of the Gods, Josh rediscovers his purpose, along with a love that can only be considered timeless. Set in three periods—modern day, the 1960s, and ancient Mesopotamia—this epic blends human history, ruthless mythology, science fiction, and the supernatural to tell a love story of the future.

**Final Finesse** Karna Small Bodman, 2009-05-12 In the wake of a series of attacks on natural gas pipelines throughout America, white house deputy director of homeland security Samantha Reid teams up

with pipeline owner Tripp Adams in an investigation that reveals a plot by a shadowy group with ties to the highest level of government.

*Final Exam* Julio Cortázar,2000 One of Julio Cortázar's great early novels. Anyone who doesn't read Cortázar is doomed.--Pablo Neruda

**Mistborn** Brandon Sanderson,2010-04-01 Now with over 10 million copies sold, The Mistborn Series has the thrills of a heist story, the twistiness of political intrigue, and the epic scale of a landmark fantasy saga. For a thousand years the ash fell and no flowers bloomed. For a thousand years the Skaa slaved in misery and lived in fear. For a thousand years the Lord Ruler, the Sliver of Infinity, reigned with absolute power and ultimate terror, divinely invincible. Then, when hope was so long lost that not even its memory remained, a terribly scarred, heart-broken half-Skaa rediscovered it in the depths of the Lord Ruler's most hellish prison. Kelsier snapped and found in himself the powers of a Mistborn. A brilliant thief and natural leader, he turned his talents to the ultimate caper, with the Lord Ruler himself as the mark. Kelsier recruited the underworld's elite, the smartest and most trustworthy allomancers, each of whom shares one of his many powers, and all of whom relish a high-stakes challenge. Only then does he reveal his ultimate dream, not just the greatest heist in history, but the downfall of the divine despot. But even with the best criminal crew ever assembled, Kel's plan looks more like the ultimate long shot, until luck brings a ragged girl named Vin into his life. Like him, she's a half-Skaa orphan, but she's lived a much harsher life. Vin has learned to expect betrayal from everyone she meets, and gotten it. She will have to learn to trust, if Kel is to help her master powers of which she never dreamed. This saga dares to ask a simple question: What if the hero of prophecy fails? *Final Cuts* Ellen Datlow, 2020-06-02 Legendary genre editor Ellen Datlow brings together eighteen dark and terrifying original stories inspired by cinema and television. **A BLUMHOUSE BOOKS HORROR ORIGINAL.** From the secret reels of a notoriously cursed cinematic masterpiece to the debauched livestreams of modern movie junkies who will do anything for clicks, *Final Cuts* brings together new and terrifying stories inspired by the many screens we can't peel our eyes away from. Inspired by the rich golden age of the film and television industries as well as the new media present, this new anthology reveals what evils hide behind the scenes and between the frames of our favorite medium. With original stories from a diverse list of some of the best-known names in horror, *Final Cuts* will haunt you long after the credits roll. **NEW STORIES FROM:** Josh Malerman, Chris Golden, Stephen Graham Jones, Garth Nix, Laird Barron, Kelley Armstrong, John Langan, Richard Kadrey, Paul Cornell, Lisa Morton, AC Wise, Dale Bailey, Jeffrey Ford, Cassandra Khaw, Nathan Ballingrud, Gemma Files, Usman T. Malik, and Brian Hodge.

**The Final Detail** Harlan Coben, 2008-11-12 In this sixth novel in the award-winning Myron Bolitar series, Harlan Coben delivers a riveting powerhouse thriller—a twisting mystery of betrayal, family secrets, and murder. “Sly humor, sophisticated plotting, and solid storytelling.”—Chicago Tribune Myron Bolitar’s colleague at MB SportsReps, Esperanza, has been arrested for the murder of a client, a fallen baseball star attempting a comeback. Myron is determined to prove Esperanza’s innocence—even if she won’t speak to him on the advice of her lawyer, who warns Myron to keep away from both the case and his client. But Myron is already too close, too involved, and has too much at stake. And the closer Myron gets to the truth, the more the evidence points to the only viable suspect besides Esperanza: Myron himself.

**Final Gate** Richard Baker, 2010-04-07 In the hands of an elf high-mage, the fabled mythals are Faerûn's most potent sources of magical power. But in the hands of a demon princess from a forgotten epoch, they're the most powerful weapons imaginable.

**Final Life** Rose Garcia, 2022-10-31 Some pasts are doomed to be repeated. Seventeen-year-old Dominique thinks her life is over when she’s forced to move across the country during her senior year. All she wants to do is make it to graduation, and then she can move back to Michigan for college. That’s the plan. That is, until her new neighbor pressures her into playing a mystical card game. And this deck is like no other. With one touch of the cards, Dominique plunges into a vision of a crimson desert inhabited by a dark presence with murderous intent. She desperately tries to convince herself it’s all in her head, but the images refuse to be ignored. And when the apparitions include hints of past lives, Dominique realizes the darkness is really after her. Not only in her visions, but also in her reality. If

she's to survive, she must discover the secrets hidden in her past. If she doesn't she'll be dead. For real.

**Final Battle** Sigmund Brouwer, 2012-07-20 Set at an experimental community on Mars in the year 2039-2040, *Robot Wars* features 14-year-old virtual reality specialist Tyce Sanders. Life on the Red Planet is not always easy, but it is definitely exciting. As Tyce explores his strange surroundings, he finds that the mysteries of the planet point to his greatest discovery—a new relationship with God. He talks about his growing faith and curiosity in a manner that kids can relate to as they are probably wondering some of the same things. Book five, *Final Battle*, begins with Tyce's threat to reveal his special talents to the world—much to the dismay of the rebels who want to keep the technology a secret. Tyce has to battle the rebels and their plot while trying to return to Mars. The success of the entire Mars Project depends on his every move.

*Final Verdict* Sheldon Siegel, 2010-09-06 Fate throws a curveball at the San Francisco ex-husband-and-wife legal team of Mike Daley and Rosie Fernandez, when Mike picks up the phone and hears the voice of Leon Walker. This is not good news—because Walker was the one who ruined their marriage. Years ago, he and his brother participated in a stickup that left a man dead. Through a series of (some said) questionable maneuvers, Mike got the charges dropped, but he and Rosie fought about it all the time and it finally drove a wedge between them. Now, a Silicon Valley venture capitalist has been found dead in a dumpster on San Francisco's skid row. The new murder has been pinned on Walker, but he not only tells Mike he is innocent, he says he is a dying man and doesn't want to go to his grave proclaimed a murderer. Dogged investigation, courtroom nimbleness, and a healthy dose of luck usually have helped Mike

before, but it looks like it'll take more than that to prevail this time, and his time is running out-both on his client and, just maybe, on his partnership. Filled with wonderful characters and suspense and more than a touch of humor, *Reasonable Doubt* is, like the author's first three books, a page-turner.

*Final Salute* Jim Sheeler, 2008 Based on his Pulitzer Prize-winning story, Jim Sheeler's unprecedented look at the way our country honors its dead; *Final Salute* is a stunning tribute to the brave troops who have lost their lives in Iraq and Afghanistan and to the families who continue to mourn them. They are the troops that nobody wants to see, carrying a message that no military family ever wants to hear. It begins with a knock at the door. The curtains pull away. They come to the door. And they know. They always know, said Major Steve Beck. Since the start of the war in Iraq, marines like Major Beck found themselves thrown into a different kind of mission: casualty notification. It is a job Major Beck never asked for and one for which he received no training. They are given no set rules, only impersonal guidelines. Marines are trained to kill, to break down doors, but casualty notification is a mission without weapons. For Beck, the mission meant learning each dead marine's name and nickname, touching the toys they grew up with and reading the letters they wrote home. He held grieving mothers in long embraces, absorbing their muffled cries into the dark blue shoulder of his uniform. He stitched himself into the fabric of their lives, in the simple hope that his compassion might help alleviate at least the smallest piece of their pain. Sometimes he returned home to his own family unable to keep from crying in the dark. In *Final Salute*, Pulitzer Prize-winning journalist Jim Sheeler weaves together the stories of the fallen and of the broken homes they have left behind. It is also the story of Major

Steve Beck and his unflagging efforts to help heal the wounds of those left grieving. Above all, it is a moving tribute to our troops, putting faces to the mostly anonymous names of our courageous heroes, and to the brave families who have made the ultimate sacrifice for this country. *Final Salute* is the achingly beautiful, devastatingly honest story of the true toll of war. After the knock on the door, the story has only begun.

**The Final Reflection** John M. Ford, 1988-09 Klingon Captain Krenn is a ruthless war strategist, but on a mission to Earth Krenn learns a lesson in peace. Suddenly he must fight a secret battle of his own for his empire has a covert plan to shatter the Federation. Only Krenn can prevent a war, at the risk of his own life. Copyright © Libri GmbH. **Final Empire Book** Shawn Boonstra, 2019-11

The Final Game, 2013-10-01 Danny and his friends Petou and Anita live for hockey. So when they are asked to join the Wolves late in the season, they are determined to do their best for the town team. Some of the players, however, start to grumble about the latecomers. Travis, the Wolves' best forward, calls them the wimps and makes sure they are ignored on the ice. With the final game of the season looming, Travis is hogging the puck and the Wolves are no longer playing as a team. Danny's older brother is a star winger for the Toronto Maple Leafs, and he's home to rest an injury. Can he inspire the players to work together again? And will the wimps finally get a chance to show what they can do to help the team? In this sequel to the immensely popular *The Moccasin Goalie*, Danny and his friends face the biggest challenge ever.

*Lame of Thrones* The Harvard Lampoon, 2020-11-10 From Harvard's legendary humor publication comes an outrageous,

uproariously funny parody of Game of Thrones, in the tradition of their previous bestselling parody book classics *Bored of the Rings*, *Nightlight*, and *The Hunger Pains*. An affectionate but take-no-prisoners send-up of the massive literary and television franchise, *Lame of Thrones* offers fans a way of reentering the fictional world they have come to love and merrily explodes all of its conventions -- as well as their expectations of the characters -- to hilarious ends. It may even leave you more satisfied than the actual TV ending of *Game of Thrones*. In fact, if it doesn't the *Lampoon* has really dropped the ball. *Lame of Thrones* will take you to Westopolis, where several extremely attractive egomaniacs are vying to be ruler of the realm and sit on the Pointy Chair. Our hero Jon Dough was a likely bet, but his untimely murder at the hands of his own men of the Night's Crotch has made that seem less likely. Will Dragon Queen Dennys Grandslam escape from her Clothkhaki captors and return to conquer the world? Or will she just get left in the desert counting grains of sand for the rest of the book? And what about Jon Dough's siblings? Will they be mentioned? Probably? Almost definitely, yes? It would be weird if they weren't prominent characters in the book, you say? To find out, read the book you wish George R.R. Martin would write but never will. The *Lampoon* -- the place where such comedy writers and performers as Conan O'Brien, Colin Jost, B.J. Novak, Patricia Marx, Alan Yang, Andy Borowitz and many more all got their start -- is ready to serve parody notice to the most entertaining, infuriating, and inescapable cultural phenomenon of the past decade.

Final 7 Kerry Drewery, 2018-01-11 The newest high-octane addition to the thrilling *Cell 7* series, perfect for fans of *THE HUNGER GAMES* and *DIVERGENT*. Martha and Isaac have escaped, but are now on the run - the government has branded them rebels

and a danger to the public. Despite the rewards being offered for turning them in, Martha and her friends are safe in The Rises, the area of the city full of the poor and the powerless. But then the Prime Minister orders a wall to be built. Is it to keep those inside safe - or is it to imprison them? Martha needs to act, and to act fast, in a tale of breathtaking treachery that reaches right to the heart of those in charge...

The Final Warning James Patterson, 2008-03-17 In this breathtaking new story from the astonishing imagination of James Patterson, a girl has to save herself from an army assembled just to capture her-and maybe save the planet while she's at it. Maximum Ride is a perfectly normal teenager who just happens to be able to fly, the result of an out-of-control government experiment. Max and the other members of the Flock-six kids who share her remarkable ability-have been asked to aid a group of environmental scientists studying the causes of global warming. The expedition seems like a perfect combination of adventure, activism-and escaping government forces who watch the Flock like a hawk. But even in Antarctica, trapped in the harshest weather on our planet, Maximum Ride is an irresistible target in constant danger. For whoever controls her powers could also control the world . . . Maximum Ride is James Patterson's greatest character, a heroine who manages to be human and fearless at once. THE FINAL WARNING is an unrelenting new adventure from the writer Time magazine has called The Man Who Can't Miss. A JAMES PATTERSON FAMILY PAGETURNER In the spirit of the most enduring hit movies and books, James Patterson has written this story for readers from ten to a hundred and ten. Special care has been taken with the language and content of The Final Warning.
