**P** **PEONY** Pearl S. Buck, 2012-08-21 A young Chinese woman falls in love with a Jewish man in nineteenth-century China in this evocative novel by the Nobel Prize-winning author of *The Good Earth*. In 1850s China, a young girl, Peony, is sold to work as a bondmaid for a rich Jewish family in Kaifeng. Jews have lived for centuries in this region of the country, but by the mid-nineteenth century, assimilation has begun taking its toll on their small enclave. When Peony and the family's son, David, grow up and fall in love with one another, they face strong opposition from every side. Tradition forbids the marriage, and the family already has a rabbi's daughter in mind for David. Long celebrated for its subtle and even-handed treatment of colliding traditions, *Peony* is an engaging coming-of-age story about love, identity, and the tragedy and beauty found at the intersection of two disparate cultures. This ebook features an illustrated biography of Pearl S. Buck including rare images from the author's estate.

**P** **PEONY** David C. Michener, Carol A. Adelman, 2017-12-27 "A luscious and colorful immersion into the world of the peony." —Petal Talk The bold blooms, pretty colors, and heady fragrances of peonies make them one of the most popular flowers, both in gardens and floral arrangements. *Peony*—by leading experts David Michener and Carol Adelman—makes it easier than ever to grow them home. This lush book shares the history of the plant, explores the different types available, and includes complete growing information for 194 of the best varieties. Helpful lists detail the best peonies for specific needs.

**P** **BULLETIN OF PEONY NEWS** American Peony Society, 1915 Includes reports of the society's meetings.

**P** **PEONY IN LOVE** Lisa See, 2011-05-04 Peony has neither seen nor spoken to any man other than her father, a wealthy Chinese nobleman. Nor has she ever ventured outside the cloistered women's quarters of the family villa. As her sixteenth birthday approaches she finds herself betrothed to a man she does not know, but Peony has dreams of her own. Her father engages a theatrical troupe to perform scenes from *The Peony Pavilion*, a Chinese epic opera, in their garden amidst the scent of ginger, green tea and jasmine. 'Unmarried girls should not be seen in public,' says Peony's mother, but her father allows the women to watch from behind a screen. Here, Peony catches sight of an elegant, handsome man and is immediately bewitched. So begins her unforgettable journey of love, desire, sorrow and redemption.

**P** **VINTAGE ROSES** Jane Eastoe, 2017-02-07 Vintage roses encompass both the true 'old' roses and the best of the 'modern' roses, developed to celebrate the classic, ageless, enduring beauty of the old varieties. The 60 specially selected specimens include those that have the best visual appearance and most fragrant perfume, and are also easy to grow and produce beautiful flowers for cutting--Amazon.com.

**P** **PASSION FOR PEONIES** David Michener, Robert B Grese, 2020-04-21 There's no more breathtaking signal of summer's onset than the blooming of peonies. Stunningly beautiful and relatively easy to grow, peonies are a favorite flower everywhere they can be cultivated and for good reason: the heady fragrances and enchanting colors of a peony-rich display create an immersive experience that has enamored generations of garden lovers across the world. This passion is on full display each June at the historic Peony Garden of the University of Michigan's Nichols Arboretum. Originally planted in 1922, the Nichols Arboretum Peony Garden now boasts North America's largest public collection of heirloom herbaceous peonies. The Peony Garden has become a sacred space for the Ann Arbor community, a not-to-be-missed sensation when it erupts each season, as the *Ann Arbor Observer* once wrote, in "a riot of color, of crimson, rose and shell pink intermingled with fluffy pompoms of creamy white." The rather short period of peak bloom—about two fleeting weeks each year—only seems to intensify the garden's appeal, drawing thousands of visitors annually to this spectacular "living museum" on campus that showcases upwards of 10,000 blossoms. Richly illustrated with hundreds of striking color photos, *Passion for Peonies* collects short essays that celebrate the story of the Nichols Arboretum Peony Garden as well as the rich social history of peony gardening that it is an integral part of. Together these pieces comprise a love letter both to a magical public space at the University of Michigan and to the broader history and culture of peony gardening. The book will appeal to readers interested in the University of Michigan, the history of public gardens, and of course peonies!

**P** **GARDENER'S GUIDE TO THE PEONY** Paul R. Wonning, 1901 Tough, long-lived and beautiful, this native of Asia has found its way into perennial flower gardens across the world. Hybridizers have developed an almost unlimited array of colors and classifications of this full sun lover. The peony has become beloved by millions of gardeners for its low maintenance requirements and longevity in the garden.

**P** **THE BOOK OF THE PEONY** Alice Howard Harding, 1917 Although the peony has been a favourite in gardens for very many years, and although experts and hybridisers have been developing and improving the flower for over half a century, no book has yet been published containing the widely scattered facts as to its history and cultivation.

**P** **PEONIES** Allan Rogers, 1995 Walking through a field of blooming peonies, seven-year-old Al Rogers was captivated by the glistening white and red-flecked petals of the majestic 'Kelway's Glorious'. Now, some sixty years later, he is still enchanted by these elegant, fragrant perennials. For more than twenty years he has owned and operated Caprice Farm Nursery, a major supplier of peonies, and with a lifetime of experience behind him, he has completed the first comprehensive book about peonies written in decades. Enthusiastic amateurs and professionals alike will be thrilled with the complete and detailed information supplied in Al Rogers' *Peonies* - an important book for any gardener's library.

**P** **PEONIES** Jane Fearnley-Whittingstall, 1999-11 Peonies are spectacularly beautiful, tremendously popular, and easy to grow. This exquisite book provides a wealth of information and much useful advice for gardeners everywhere.

**P** **PEONIES** Jane Eastoe, Georgianna Lane, 2018-03-01 This is first follow-up to the Garden Writer's Guild Award-nominated *Vintage Roses*. This new title in Pavilion's series of stylish floral gardening guides celebrates the beauty and versatility of the peony flower. Peonies have always been a favourite with gardeners and cut-flower fans alike, but in 2016 their popularity went beyond bridal bouquets as the blooms took over social media - their gramming power was so huge this year that by May, Elle UK had already crowned the flowers as 'The New Avocado'. First outlining the history of the peony, *Peonies* is then split into chapters Pure, Dramatic, Romantic and Fragrant, and includes over 50 beautiful varieties as well as detailing when they bloom, their size, and, of course, what they'll look like. From Shawnee Chief to Sarah Bernhardt, you'll discover an eclectic selection of specimens from those that have the best visual appearance to those with the most fragrant perfume. The final section, Growing and Care, outlines those varieties which are easiest to grow and which produce the best flowers for cutting. With contemporary commentary on each bloom, easy-to-follow advice and glorious photography, this book will appeal to everyone who appreciates the beauty of the majestic peony.

**P** **PEONIES** Jane Eastoe, 2018-02-13 A floral gardening guide to the ultra popular peony. From Shawnee Chief to Top Brass, this guide to over 60 varieties of peonies presents an eclectic selection of specimens—from those with the best visual appearance and the most fragrant perfume, to those that are easiest to grow and produce the best cutting flowers. With commentary on each bloom, easy-to-follow growing advice, and glorious photography, *Peonies* will appeal to anyone who appreciates the romance of the majestic peony.

**P** **PASSION FOR PEONIES** David Michener, Robert Grese, 2020

**P** **THE PEONY** Alice Harding, 1993 Her writing style is as engaging as a good novel and her voice as authoritative as an encyclopedia. Mrs. Harding's horticultural expertise and work were widely recognized. A rose, an iris, two French hybrid lilacs, a tree peony, and two herbaceous peonies have been named in her honor. She gave numerous peonies from her own collections to botanical gardens in England, Scotland, Austria, Canada, Colombia, New Zealand, Australia, India, and South Africa.
