

# Lypeviexy

Robert J. Licalzi

The Levity Effect Adrian Gostick, Scott Christopher, 2010-12-29 The Levity Effect uses serious science to reveal the remarkable power of humor and fun in business. Science proves it? fun is good for business! Based on ten years of extensive research, the authors argue against business tradition to reveal the powerful bottom-line benefits of leading with levity. With interviews, exercises, and case studies, the book reveals how humor in the workplace will help you communicate messages, build camaraderie, and encourage creativity for a better workplace and bigger profits.

*Gravity and Levity* Alan McGlashan, 1994 As the title suggests, this book addresses its subjects with wit and with weight, as the author brings the latest insights of contemporary physics into the perspective of an everyday life that is shown to be full of paradox. We can only come to terms with life if we accept that there are no final answers, and that unconscious processes are just as relevant as conscious ones. Reality cannot be anything but paradoxical, and our attitude to this fact has much to do with our state of being.

Levity of Design Wit Pietrzak, 2012-12-05 How can poetry embrace morality through focusing on metaphors? What is the relation between an allumette and the alpha rhythm? Why is it that money has turned into a metonym of goodness and success? And above all, is it still possible to think of the human subject as a viable category in late modernity? These are some of the questions that J. H. Prynne's poetry addresses. *Levity of Design* voices a critique of present-day society very much from within, and seeks to demonstrate how Prynne has contrived to single-handedly overcome the impasse created by the legacy of poststructuralism. In a milieu of avant-garde linguistic experiment developed from the modernist techniques of Pound and Olson, but also from the early Eliot as well as Velimir Khlebnikov, and against the background of the writings of Heidegger and Adorno, these poems develop a language in which the notion of man can be restituted.

**Lectionary Levity** Ian S. Markham, Samantha R. E. Gottlich, 2017-10-01 Spanning all 3 years of the lectionary cycle, this book provides a welcome tool for the renewal of preaching from the gospel readings. In a concise, uniform, and simple format, the authors provide a thematic summary of the gospel, list several possible points for preaching, and offer a humorous story for the week that illumines the deeper meaning of the biblical text. *Lectionary Levity* also functions as a practical manual on how to use humor in preaching and allows the reader to view the gospel in a different light so as to enliven the worship experience. A treasure trove of biblical insights, homiletical helps, and just good humor!

Of Levity and Steadiness Mr Francis Manning, Mr. Manning (Francis), 1735

**The Laws of Gravity and Levity** Paul Clavelle, 2016-05-19 The Source Before I die, I want to trace The river to its source - The damp, black earth, The mountainside - And smell the leaves and Needles on the ground, Be speckled in the Light and shadows Of the woods, And cup my hands, And hold the wild, And drink it in.

*Of Levity and Steadiness* Mr. Manning (Francis), 1735

*The Best of Life, Love, and Levity* William Spencer Jr., 2011-05-31 This clever collection of poems offers the reader an inspiring start to the day, or delightful prose to close a trying day in a light-hearted way. Upon opening the cover, you may be drawn in to sit and absorb the entire book in one sitting. Over time, many poems will speak to you, and are sure to be revisited and reflected upon by the thinking reader.

*Of levity and steadiness. A poem. In an epistle to a friend, who was in doubt what course to take in difficult times. [By Francis Manning.]* Francis MANNING, 1735

*Levity* Lewis Karstensson, 2017-06-20 The author touches briefly on his family genealogy before relating humorous stories of his family.

**Levity** Liz Rasley, 2020-05-21 Liz Rasley never intended to write a book about the pandemic. But then again, she also never intended to eat all those cheese balls either. Follow along as Liz explores all the thoughts about this staying at home thing, including riveting hot takes on COVID 19 trends like why pajama pants are popular (pockets), what does the trick as well as Milk of Magnesia, and some choice thoughts about Ken dolls. Featuring essays and ridiculous quizzes and other bits of levity that will help re-capture joy despite the science fiction time that is March & April 2020. Plus, doesn't everyone want to do a Coronavirus themed crossword?

*Levity*, 18??

**A Little Levity Never Hurts** Jonathan Vreeland, 2021-08-10 Which came first, the chicken or the egg? How do possums party? And what do trees do in their spare time? All of these questions and more are answered in *Levity*, Jonathan Vreeland's debut book of one-panel, witty comics that amuse and delight.

**Adding a Little Levity** Robert J. Licalzi, 2018-07-13 In today's world of uncertainty and weighty decisions, *Adding A Little Levity*, is the perfect bedtime read. A chapter a night will leave you smiling, as you drift off into a peaceful sleep. The problem is—you'll be chuckling in your dreams. — Sally Fernandez, Author of the Max Ford Thriller Series. Make someone smile and you have done well; make someone laugh out loud, and you have achieved something greater. This witty, wry collection of essays takes the reader from a blue-collar boyhood in Queens across the river to cutthroat Wall Street, across the seas to Japan and Puerto Rico, and back again. Reality and hyperbole collide in tales of life's universal and painful experiences—the big interview, meeting your future in-laws, and travel debacles galore—where to add a little levity is to survive, and thrive!

*Ceilings and Dreams* Paul Emmons, Federica Goffi, Jodi La Coe, 2019-07-08 Where is the space for dreaming in the twenty-first century? Lofty thoughts, like dreams, are born and live overhead, just as they have been represented in Renaissance paintings and modern cartoons. Ceilings are often repositories of stories, events and otherwise invisible oneiric narratives. Yet environments that inspire innovative thinking are dwindling as our world confronts enormous challenges, and almost all of our thinking, debating and decision-making takes place under endless ceiling grids. Quantitative research establishes that spaces with taller ceilings elicit broader, more creative thoughts. Today, ceilings are usually squat conduits of technology: they have become the blind spot of modern architecture. The twenty essays in this book look across cultures, places and ceilings over time to discover their potential to uplift the human spirit. Not just one building element among many, the ceiling is a key to unlock the architectural imagination. *Ceilings and Dreams* aims to correct this blind spot and encourages architects and designers, researchers and students, to look up through writings organized into three expansive categories: reveries, suspensions and inversions. The contributors contemplate the architecture of levity and the potential of the ceiling, once again, as a place for dreaming.

Levity Lewis Karstensson, 2020-09-04 This little memoir is about a time, a place, and friends. The time was the 1950s, the decade of \$0.18 gasoline, drive-in theaters, Peggy Lee's Fever, and Billy Wilder's *Some Like It Hot*. The place was Yreka, California, a small town between Mt. Shasta and the Oregon border on Highway 99, now Interstate 5, in Siskiyou County. And the friends were fellow prodigals, members of the Class of 1957 at Yreka High School, guys and gals who enjoyed fun times and hardly ever went out of their way to avoid trouble.

*Levity* Guru Singh, 2016-04-16 Over the ages, wisdom keepers have woven words into parables to illustrate and simplify complex issues; to demonstrate that the polarities found in nature are actually the ever-present solutions to every moment. This book, *Levity*, is written in this tradition. *Levity* counters the gravity that pulls life down. The chapters here are very short and cover myriad subjects to further serve this strategy--common issues can be fully understood and overcome through common sense.--Page [4] of cover.

**Sacred Play** Selva J. Raj, Corinne G. Dempsey, 2010-01-12 Explores the significance of levity and humor in South Asian religious traditions.

**American Aberdeen-Angus Herd Book** American Angus Association,1914

Levity Leta Blake,Keira Andrews,2018-06-16 Cursed as an infant with a lack of physical and emotional gravity, Prince Efrosin can’t keep his feet on the ground or his head out of the clouds. Laughing his way through life, he’s never been weighed down by love and lust. Then one fateful day, his tenuous tie to the earth is severed and he blows away on the wind. He’s rescued by Dmitri, a handsome young woodsman who suffers from a mysterious curse of his own, and the two strangers are irresistibly drawn together. Experiencing sex and love for the first time, they dive into a delightfully sensual and passionate affair. But the evil witch who cursed them is planning her ultimate revenge. Efrosin and Dmitri must fight to find their fairy tale ending and live happily ever after.
