Ramifications Daniel Saldaña Paris,2020 A neurotic young man, self-confined to his bed, reflects on the turning point of his childhood: his mother's disappearance.

The Mosquito Bite Author Baris Biçakçi,2020-10-01 Originally published in 2011, *The Mosquito Bite Author* is the seventh novel by the acclaimed Turkish author Barış Bıçakçı. It follows the daily life of an aspiring novelist, Cemil, in the months after he submits his manuscript to a publisher in Istanbul. Living in an unremarkable apartment complex in the outskirts of Ankara, Cemil spends his days going on walks, cooking for his wife, repairing leaks in his neighbor's bathroom, and having elaborate imaginary conversations in his head with his potential editor about the meaning of life and art. Uncertain of whether his manuscript will be accepted, Cemil wavers between thoughtful meditations on the origin of the universe and the trajectory of political literature in Turkey, panic over his own worth as a writer, and incredulity toward the objects that make up his quiet world in the Ankara suburbs.

Self Portrait in Green Marie NDiaye,2021-02-25 'NDiaye is a hypnotic storyteller with an unflinching understanding of the rock-bottom reality of most people's life.' New York Times ' One of France's most exciting prose stylists.' The Guardian. Obsessed by her encounters with the mysterious green women, and haunted by the Garonne River, a nameless narrator seeks them out in La Roche, Paris, Marseille, and Ouagadougou. Each encounter reveals different aspects of the women; real or imagined, dead or alive, seductive or suicidal, driving the narrator deeper into her obsession, in this unsettling exploration of identity, memory and paranoia. *Self Portrait in Green* is the multi-prize winning, Marie NDiaye's brilliant subversion of the memoir. Written in diary entries, with lyrical prose and dreamlike imagery, we start with and return to the river, which mirrors the narrative by posing more questions than it answers.

Dissertation Abstracts International ,1996

BROTHER IN ICE ALICIA. KOPF,2018 'She thought that it was precisely when things get uncomfortable or can't be shown that something interesting comes to light. That is the point of no return, the point that must be reached, the point you reach after crossing the border of what has already been said, what has already been seen. It's cold out there.' This hybrid novel--part research notes, part fictionalised diary, and part travelogue--uses the stories of polar exploration to make sense of the protagonist's own concerns as she comes of age as an artist, a daughter, and a sister to an autistic brother. Conceptual and emotionally compelling, it advances fearlessly into the frozen

emotional lacunae of difficult family relationships. Deserving winner of multiple awards upon its Catalan and Spanish publication, *Brother in Ice* is a richly rewarding journey into the unknown.

Home Reading Service Fabio Morábito, 2021-11-16 In this poignant novel, a man guilty of a minor offense finds purpose unexpectedly by way of his punishment—reading to others. After an accident—or “the misfortune,” as his cancer-ridden father’s caretaker, Celeste, calls it—Eduardo is sentenced to a year of community service reading to the elderly and disabled. Stripped of his driver’s license and feeling impotent as he nears thirty-five, he leads a dull, lonely life, chatting occasionally with the waitresses of a local restaurant or walking the streets of Cuernavaca. Once a quiet town known for its lush gardens and swimming pools, the “City of Eternal Spring” is now plagued by robberies, kidnappings, and the other myriad forms of violence bred by drug trafficking. At first, Eduardo seems unable to connect. He movingly reads the words of Dostoyevsky, Henry James, Daphne du Maurier, and more, but doesn’t truly understand them. His eccentric listeners—including two brothers, one mute, who moves his lips while the other acts as ventriloquist; deaf parents raising children they don’t know are hearing; and a beautiful, wheelchair-bound mezzo soprano—sense his detachment. Then Eduardo comes across a poem his father had copied by the Mexican poet Isabel Fraire, and it affects him as no literature has before. Through these fascinating characters, like the practical, quick-witted Celeste, who intuitively grasps poetry even though she never learned to read, Fabio Morábito shows how art can help us rediscover meaning in a corrupt, unequal society.

Minor Detail Adania Shibli, 2020-05-26 A searing, beautiful novel meditating on war, violence, memory, and the sufferings of the Palestinian people. Finalist for the National Book Award. Longlisted for the International Booker Prize. *Minor Detail* begins during the summer of 1949, one year after the war that the Palestinians mourn as the Nakba—the catastrophe that led to the displacement and exile of some 700,000 people—and the Israelis celebrate as the War of Independence. Israeli soldiers murder an encampment of Bedouin in the Negev desert, and among their victims they capture a Palestinian teenager and they rape her, kill her, and bury her in the sand. Many years later, in the near-present day, a young woman in Ramallah tries to uncover some of the details surrounding this particular rape and murder, and becomes fascinated to the point of obsession, not only because of the nature of the crime, but because it was committed exactly twenty-five years to the day before she was born. Adania Shibli masterfully overlays these two translucent narratives of exactly the same length to evoke a present forever haunted by the past.

The Stanford Alumni Directory , 2000

Labyrinth Burhan Sönmez, 2019-11-19 Notable International Crime Novel of the Year – Crime Reads / Lit Hub From a prize-winning Turkish novelist, a heady, political tale of one man’s search for identity and meaning in Istanbul after the loss of his memory. A blues singer, Boratin, attempts suicide by jumping off the Bosphorus Bridge, but opens his eyes in the hospital. He has lost his memory, and can't recall why he wished to end his life. He remembers only things that are unrelated to himself, but confuses their timing. He knows that the Ottoman Empire fell, and that the last sultan died, but has no idea when. His mind falters when remembering civilizations, while

life, like a labyrinth, leads him down different paths. From the confusion of his social and individual memory, he is faced with two questions. Does physical recognition provide a sense of identity? Which is more liberating for a man, or a society: knowing the past, or forgetting it? Embroidered with Borgesian micro-stories, Labyrinth flows smoothly on the surface while traversing sharp bends beneath the current.

Combined Membership List of the American Mathematical Society and the Mathematical Association of America
American Mathematical Society, 1988 Lists for 19 include the Mathematical Association of America, and 1955- also the Society for Industrial and Applied Mathematics.

The Italian Shukri Mabkouth, 2021-10-21 An emblematic story of the shipwreck of the Arab Spring At his father's funeral, to the great consternation of all present, Abdel Nasser beats the imam who is celebrating the funeral rite. The narrator, a childhood friend of the protagonist, retraces the story of the Italian from his days as a free and rebellious adolescent spirit to the leader of a student movement and then affirmed journalist. Those were crucial years in Tunisia, years of great tension, change, and repression. Against this background full of revolutionary ferments stands the tormented love story between Abdel Nasser and Zeina, a brilliant and beautiful philosophy student. Their dreams will unfortunately end up being wrecked under the ruthless gears of a corrupt and chauvinist society. Abdel Nasser's transformation from a young idealist with high hopes to a successful, but disillusioned and tired journalist is masterfully narrated in a stream of stories, digressions and flashbacks in which the narrative tension is always high. Winner of the 2015 International Prize for Arabic Fiction

Mourning Eduardo Halfon, 2018-05-08 International Latino Book Award Winner Edward Lewis Wallant Award Winner Kirkus Prize Finalist Neustadt International Prize Finalist Balcones Fiction Prize Finalist PEN Translation Prize Longlist "A feat of literary acrobatics." –New York Review of Books In Mourning, Eduardo Halfon's eponymous narrator travels to Poland, Italy, the U.S., and the Guatemalan countryside in search of secrets he can barely name. He follows memory's strands back to his maternal roots in Jewish Poland and to the contradictory, forbidden stories of his father's Lebanese-Jewish immigrant family, specifically surrounding the long-ago childhood death by drowning of his uncle Salomón. But what, or who, really killed Salomón? As he goes deeper, he realizes that the truth lies buried in his own past, in the brutal Guatemala of the 1970s and his subsequent exile to the American South. Mourning is a subtle and stirring reflection on the formative and destructive power of family mythology, silence, and loss. Eduardo Halfon moved from Guatemala to the United States at the age of ten and attended school in South Florida and North Carolina. The recipient of a Guggenheim Fellowship, Roger Caillois Prize, José María de Pereda Prize for the Short Novel, and Guatemalan National Prize in Literature, he is the author of two previous novels published in English: *The Polish Boxer*, a New York Times Editors' Choice selection and *Monastery*, longlisted for the Best Translated Book Award.

Secret Dreams in Istanbul Nermin Yıldırım, 2020-12-21 This is a work written by a very young writer who displays infinite maturity in terms of her ability to delve into the deepest recesses of character and make it possible to understand, for example, a grasping social upstart and a wife abuser, yet, at the same time, alongside the wisdom

and comprehension that would befit a psychologist, there shines a lively wit and, despite so many bleak realities, a youthful zest for life. It is a novel that touches raw nerves, that shocks, intrigues, cries out against injustice and engages the reader's attention from the first page to the last.

FEM Magda Carneci, 2021-06-08 This modern classic of global feminist literature, the only novel by one of Romania's most heralded poets, styled as a long letter addressed to the man who is about to leave her, a woman meanders through a cosmic retelling of her life from childhood to adulthood with visionary language and visceral, detail. Like a contemporary Scheherazade, she spins tales to hold him captivated, from the small incidents of their lives together to the intimate narrative of her relationship to womanhood. Through a dreamlike thread of strange images and passing characters, her stories invite the reader into a fantastical vision of love, loss, and femininity.

The Animal Days Keila Vall de la Ville, 2021-07-30 A woman's story of movement as a both a lifestyle and a rite of passage, The Animal Days follows Julia's journey of love and rock-climbing across three continents. In this fast-paced novel, joy is linked to self-destruction, love is inseparable from death, freedom is twinned with unbearable solitude, and life is worth only as much as a given moment. The taste for risk and vertigo never stop: they feed each other as the abyss approaches. Julia, determined to never look back, lives perpetually on the brink, even if it means shedding her own skin in the process.

Embark on a transformative journey with is captivating work, **Maciekhdcnuan** .
