Mackenzie'S Farewell William Allen Burley,2017-05-31 Maryann Caton is a tenacious environmental attorney who is glad that when she is craving solitude she can escape Manhattan for the only positive takeaway from her recent divorce her country home in Roxbridge, Connecticut. But just when she thinks her life is finally resuming normalcy again, Maryann decides to drop her son, Jake, off at a school activity and visit The Guggenheim where fate intervenes and changes everything. Rob MacKenzie is an introspective science educator who immediately captures Maryann's attention with his rather bizarre behavior inside the museum. After he confesses he is conducting legitimate research for an article he is writing for a children's magazine, the two continue their conversation over coffee, instigating an eventual romantic relationship. As Rob continues work on a new book of poems, Maryann delves into a South Carolina nuclear waste case. What neither knows is that very soon they will both be firmly entrenched in defending Roxbridge from becoming a nuclear waste warehouse. But if they succeed, what will be the cost? MacKenzie's Farewell shares the tale of two environmental activists who must fight to prevent a low-level nuclear waste dump from moving into a Connecticut town.

**The Haunting of Sunshine Girl** Paige McKenzie,Alyssa Sheinmel,2015-03-26 The Haunting of Sunshine Girl is the first in a frighteningly good new series based on the popular YouTube sensation The Haunting of Sunshine Girl Network, created by Paige McKenzie. In that place where you're more asleep than awake any more, I hear something else. A phrase uttered in a child's voice, no more than a whisper: Night Night. Something freaky's going on with Sunshine's new house . . . there's the chill that wraps itself around her bones, the giggling she can hear in the dead of night, and then the strange shadows that lurk in her photographs. But the more weird stuff that happens, the less her mum believes her. Sunshine's always had a quirky affiliation with the past, but this time, history is getting much too close for comfort . . . If there is something, or someone, haunting her house, what do they want? And what will they do if Sunshine can't help them? As things become more frightening and dangerous, and the giggles she hears turn to sobs and screams, Sunshine has no choice but to accept what she is, face the test before her and save her mother from a fate worse than death.

**The Final Battles of the Petersburg Campaign** A. Wilson Greene, 2008 The Petersburg Campaign was what finally did it. After months of relentless conflict throughout 1864, the Confederate army led by General Robert E. Lee holed up in the Virginia city of Petersburg as Lieutenant General Ulysses S. Grant's vastly superior forces lurked nearby. The brutal fighting that took place around the city during 1864 and into 1865 decimated both armies as Grant used his manpower advantage to repeatedly smash the Confederate lines, a tactic that eventually resulted in the decisive breakthrough that ultimately doomed the Confederacy. The breakthrough and the events that led up to it are the subject of A. Wilson Greene's groundbreaking book *The Final Battles of the Petersburg Campaign*, a significant revision of a much-praised work first published in 2000. Surprisingly, despite Petersburg's decisive importance to the war's outcome, the campaign has received scant attention from historians. Greene's book, with its incisive analysis and compelling narrative, changes this, offering readers a rich account of the personalities and strategies that shaped the final phase of the fighting. Greene's ultimate focus on the climatic engagements of April 2, 1865, the day that Confederate control of Richmond and Petersburg was effectively ended. The book tells this story from the perspectives of the two army groups that clashed on that day: the Union Sixth Corps and the Confederate Third Corps. But Greene does more than just recount the military tactics at Petersburg; he also connects the reader intimately with how the war affected society and spotlights the soldiers, both officers and enlisted men, whose experiences defined the outcome. Thanks to his extensive research and consultation of rare source materials, Greene gives readers a vibrant perspective on the campaign that broke the Confederate spirit once and for all. A. Wilson Greene is president of Pamplin Historical Park & The National Museum of the Civil War Soldier near Petersburg, Virginia. He also has taught at Mary Washington College and worked for sixteen years with the National Park Service.
