The Babysitter Liza Rodman, Jennifer Jordan, 2022-06-28 Growing up on Cape Cod in the 1960s, Liza Rodman was a lonely little girl. During the summers, while her mother worked days in a local motel and danced most nights in the Provincetown bars, her babysitter--the kind, handsome handyman at the motel where her mother worked--took her and her sister on adventures in his truck. He bought them popsicles and together, they visited his 'secret garden' in the Truro woods ... Everyone thought he was just a 'great guy.' But there was one thing she didn't know: their babysitter was a serial killer. Some of his victims were buried--in pieces--right there, in his garden in the woods--

A Streetcar Named Murder T. G. Herren, 2022-12-06 Blackmail in the Big Easy turns to cold-blooded murder in this debut cozy mystery perfect for fans of Jane K. Cleland. When the mysterious letter arrives by courier, Valerie Cooper doesn't know what to make of it. She's become the beneficiary of her late husband's estranged uncle's will—a man she never knew—and inherited a majority partnership in the family's company, New Orleans Fine Antiques. Valerie knows nothing about antiques, but she decides to learn the business and become an active partner. She's also got her hands full fending off Collette, a woman who wants to sell the huge old house in the Irish Channel

neighborhood Valerie and her husband painstakingly renovated. Valerie isn't interested in selling—but when her best friend Lauren, drags her to a costume party for the women's Mardi Gras club, the Krewe of Athena, she stumbles over Collette's body, a jeweled dagger sticking out of her chest. In a rush of panic, Valerie recognizes the dagger from her shop—and before she knows it, she's become murder suspect number one. Egged on by Lauren, she starts digging into Collette's business dealings, and the deeper she digs, the dirtier it gets. Now all fingers are pointing at Valerie. In a desperate bid to clear her name, Valerie frantically tries to find who could have gotten hold of the dagger. But among a cadre of guests in full costume, it could be impossible to find the thief—and unmask the real killer.

AN INTERLUDE IN DREAMLAND Alan Robbins, 2005-09-08 Her name is Mama Nostromento and someone close to her has been murdered. She may be the only one who knows why. But the truth is locked inside her mind, lost in a tangle of thoughts as a neurovirus ravages her memory. Enterman, expert in intuition and reluctant investigator of strange events, is called in to find the answer and Rita St. John, a beautiful and very uncommon bodyguard, is there to protect him. It is 2050 and the worldwide communications net known as the Glob ties everyone together. But can all the technology of the near future, instant information at the merest whisper, help them to solve this mystery before time runs out? The answer lies in a secret world, hidden from outsiders, under the ruins of old Coney Island. It is a world of mythic

forces and dark rituals that threatens to overpower even the latest high-tech wizardry. Because Mama Nostromento is no ordinary witness; she is a banshee, gatekeeper for the dead.

The First Wife Paulina Chiziane, 2016-08-09 After twenty years of marriage, Rami discovers that her husband has been living a double--or rather, a quintuple--life. Tony, a senior police officer in Maputo, has apparently been supporting four other families for many years. Rami remains calm in the face of her husband's duplicity and plots to make an honest man out of him. After Tony is forced to marry the four other women--as well as an additional lover--according to polygamist custom, the rival lovers join together to declare their voices and demand their rights. In this brilliantly funny and feverishly scathing critique, a major work from Mozambique's first published female novelist, Paulina Chiziane explores her country's traditional culture, its values and hypocrisy, and the subjection of women the world over.

My Son, Bliib. Mandy Aitken, 2016-04-23 In the weeks following the death of

my son Tony aged just Thirteen, I started writing his memoirs as cathartic therapy in an effort to make some sense of the turmoil I was experiencing and to contain the anger I was feeling. Tony was to experience many prejudices in his life. Bullied from a young age, racism and from the age of nine, he was to live as a diabetic that proved to be brittle and difficult to control. Tony always rose to his challenges with a winning smile and a maturity that belied his age. He experienced premonitions, including his own death. He was a strange mysterious child but he enriched the lives of all those who knew him. I know Tony would wish for any person working in the medical or educational fields. To read his book, thereby preventing any other child suffering the injustices he was forced to endure. I still take strength from my son every single day, and for all bereaved parents that feel such isolation, please read my book. You are not alone.....

Married to Alzheimer's Steph Booth, 2019-03-07 EXTRAORDINARY MEMOIR OF A LIFE AND LOVE TORN APART BY DEMENTIA When her husband Tony was diagnosed with Alzheimer's in 2004, Steph Booth had to say goodbye to life as she knew it. The disease encroached into their lives, taking away Tony day by day. Open and honest, but with heart and warmth, Steph reveals and the hardship of caring for Tony and losing herself in the midst of it. Along the way we learn of the people they were, the dynamics of their relationship – Tony's theatrics, Steph's stubbornness – effortlessly captured with lightness and humour. Borne out of her much-loved Irish Times column, Married to

Alzheimer's is a poignant account of a life and love torn apart by dementia and a bond that was unshakeable. Tony was never a conformist. An actor, rebel, raconteur. The frustration, the grief, the laughter, the anger, the joy meant life with him was anything but ordinary.

The Three Rules of Everyday Magic Amanda Rawson Hill, 2018-09-25 Magic doesn't work the way you think it will, but it's what Kate needs as she confronts friendship trouble, her parents' divorce, and Grammy's dementia in this lyrical middle-grade coming-of-age novel for fans of *Half a Chance* and *The Same Stuff as Stars*. Kate has trouble believing in magic, especially since the people she loves keep leaving her. But when Grammy tells her the three rules of everyday magic--believe, give, and trust--Kate can't resist believing, at least a little. Following Grammy's advice, she tries to bring her father, her best friend, and even Grammy herself back to her. Nothing turns out as Kate expects, yet the magic of giving--of trusting that if you love and give, good things will happen, even if you don't see them happen--will change Kate and her family forever.

I Am Woman... Mrs. Anthony, 2021-11-05 Myriad women out there have suffered due to their husbands' weaknesses. While many have called their marriage a day and walked away, some have tried to hold on and salvage their union, hoping that their love is strong enough to bring forth a miracle. When children are at stake, they try even harder, hoping to provide the unfettered love of both parents. This book was painstakingly-written to relate my true journey and endless attempts to save my union and husband. I tried even harder because he was truly a gem of a man. It has taken me years to muster the courage and will to revisit some of the most painful moments in my life. It is only close to his 23rd year of demise that I have come to terms with all he had done and feel that now I have his blessing to share my journey with the world. All women are my sisters and it is in the name of this sisterhood that I bring forth my life's journey to share. Life is not over, for I have learnt to survive. How I have survived is yet another story
