Mr. Nicholas Christopher de Vinck, 2021-09-28 A story that helps us see the unique goodness in each person. Every town has its secrets. When it becomes known that Mr. Nicholas, the eccentric owner of the local hardware store, is somehow involved with reindeer, toys, and children, the town becomes more and more suspicious that this man is more than just a clerk on Main Street. JB, a clever, open ten-year-old boy with Down syndrome, is able to figure out the secret from the first time Mr. Nicholas gives him a chocolate deer wrapped in gold foil. JB's father and mother, both cynical and on the brink of divorce, follow the adventures of JB as he flies on the back of a reindeer, feeds Mister Rogers's fish, and defines what can be forgotten by those who are too busy to remember the magic of Christmas, cuckoo-clocks, and love.

The Journal of Nicholas the American Leigh Kennedy, 2011-09-29 College student Nicholas Dal shares the family talent, or curse - he is an empath, a man who experiences the emotions of other people. Too-powerful emotion can induce seizures, so to stay sane he must live alone and dull his senses with vodka. This, in itself, would be enough for anyone to bear, but Nicholas is also haunted by a secret from his family's past in Russia. Now someone is looking for him and he fears the worst. To further complicate things, a relationship is forming with a young woman, Jack, and his feelings for her threaten to break through his isolation. Will Nicholas risk his love, his sanity - his life - to be with Jack?

The Miracle of Saint Nicholas Gloria Whelan, 1997 When Alexi learns from his babuska that a Russian village church has been closed for sixty years, the resourceful young boy decides to prepare it for a Christmas miracle.

The True Saint Nicholas William J. Bennett, 2009-10-14 Former secretary of education and New York Times bestselling author William Bennett blends his historical expertise with his gift for storytelling into a heartwarming book about the man who ultimately became known as Santa Claus. Beloved writer and speaker William Bennett brings the legendary Saint Nicholas to life in this fascinating and faith-affirming book that will change the way you think about Santa Claus and the meaning of Christmas. Bennett reflects on Saint Nicholas's storied life, which has spanned seventeen centuries across Europe, Asia, and Africa, and reveals an inspiring tale of devotion to God and an example of eternal goodness. The True Saint Nicholas: Why He Matters to Christmas focuses on three aspects of Saint Nicholas—historical facts from his life, his legacy in the centuries following his death, and the legendary status that transformed his likeness into the present-day jolly, toy-bearing Santa Claus. The book vividly captures the heart and life of someone who lived long ago—and yet whose life remains an inspiration for everyone to aspire to a higher order of generosity, giving, and devotion to others. An instant classic by one of America's most respected thinkers, The True Saint Nicholas is a memorable keepsake to be shared with family and friends every year to evoke the true spirit of Christmas.
