My Viridian Rose Andre Labouyer,2012-07 The book is unique in that it has some very side-splitting, funny scenes, along with some very sad moments as well. It is packed with adventure, yet reeks of playful romance. The book introduces the reader to some very endearing characters and sends them on a wild and amazing ride through twisting plots, exotic places, and other time periods.

Henry James: Novels 1886-1890 (LOA #43) Henry James,1989-06-01 The three novels in this Library of America volume from Henry James's middle period explore some historical and social dilemmas that belong as much to our time as to his own. The Princess Casamassima was published in 1886, a year that saw riots of the unemployed in London. It is a political novel in which anarchists and terrorists conspire within a fin de siècle world of opulence and glamour. The action ranges from palaces to slums, from London to Paris to Venice and back again. The novel's hero, Hyacinth Robinson, is torn between his loyalty to revolutionary causes—for which he is about to commit an act of violence that may cost him his life—and his taste for the artistic side of aristocratic culture, represented in part by the beautiful, wealthy, compassionate, and yet deceptive Princess of the title. Possibly to save Hyacinth, she becomes romantically involved with his fellow conspirator Paul Muniment, a calculating political operative, idealistic and treacherous by turns. Assassination plots, sexual betrayals, murder, suicide, and the fierce play of conflicting loyalties—all these bring into play an intricate abundance of attendant figures, like the rakish Captain Sholto and the appealing but faithless Millicent Henning. The Reverberator (1888) is a swiftly paced comic novel named after a newspaper that caters to the American public's appetite for the "society news of every quarter of the globe." Francie Dosson, the free-spirited daughter of a wealthy Boston family, innocently provides gossip to George Flack, a "young commercial American" who writes for the paper. His published report imperils her engagement to Gaston Probert, whose family is outraged by the airing of its secrets. James portrays the collision of easily shocked Old World propriety and self-assured New World naiveté with benevolent affection and spirited delight. The Tragic Muse (1890) explores with a topical realism not usually found in James the conflicts between art and politics, society and the Bohemian life. It does so with dazzling glimpses of Parisian theater and of London aestheticism, as articulated by the flamboyant and idealistic Gabriel Nash. At its center are four superbly drawn characters. The fascinating Miriam Rooth is an actress of overwhelming egotistic vitality and dedication to her art. Her suitor, the diplomat Peter Sherringham, is impassioned by her theatrical talent even while asking her to sacrifice it for his career. Nick Dormer faces a similar predicament in his engagement to the rich Julia Dallow, who wants him to forgo his painting so as to make use of her fortune in pursuit of his career in Parliament. Full of witty talk and vividly dramatic scenes, the novel includes a vast array of characters such as the impressive political matriarch Lady Dormer. Perhaps more than any of his novels, it attests to James's recognition of the costs of any dedication, like his own, to creative achievement. Workers from the North Scott Whiteford,2014-12-19 International migration between countries in Latin America became increasingly important during the twentieth century, but for a long time it was the subject of only limited research. Whiteford sets the Argentina-Bolivia experience in historical perspective by examining the macrolevel factors that influenced social change in both countries and brought streams of migration into Argentina. Seasonal labor, the expansion of capitalist agriculture, international migration, and urbanization are central topics in this in-depth study of Bolivian migrants in Northwest Argentina. Whiteford's vivid portrayal of the lives and working conditions of the migrants is based on two years of research during which he lived with the workers on a sugar plantation and, after the harvest, accompanied them to other farms and to the city of Salta in their search for more work. He traces the development of plantation agriculture in Northwest Argentina and the processes by which the plantation gained access to cheap labor and maintained control over it. As Bolivians migrated to Argentina in ever greater numbers, many recruited for the harvest remained. Whiteford's analysis of the diverse strategies employed by workers and their families to support themselves during the post-harvest season is a major contribution to migration literature. The four distinct but related patterns of migration that he describes created a labor reserve that transcends rural/urban designations, one that is utilized by employers in both the countryside and the city.

Henry James: Novels 1896-1899 (LOA #139) Henry James,2003-03-10 This Library of America volume collects four novels written by Henry James in the period immediately following his unsuccessful five-year-long attempt to establish himself as a playwright on the London stage. Hoping to convert his "infinite little loss" into "infinite little gain," James returned to the novelistic examination of English society with a new appreciation for what he called the "divine principle of the Scenario," "a key that, working in the same general way fits the complicated chambers of both the dramatic and the narrative lock." His continued interest in dramatic form is demonstrated in *The Other House* (1896), which was derived from the scenario for a three-act play. Set in two neighboring houses and told mostly through dialogue, the novel explores the violent and tragic consequences of jealousy and frustrated passion. In *The Spoils of Poynton* (1897), one of the most tightly constructed of James's late novels, a house and its exquisite antique furnishings and artwork become the source of a protracted struggle involving the proud and imperious Mrs. Gereth, her amiable son, Owen, his philistine fiancée, Mona Brigstock, and the sensitive Fleda Vetch, whose moral judgment is tested by her conflicting allegiances. What *Maisie Knew* (1897) explores with perception and sensitivity the effect upon a young girl of her parents' bitter divorce and their subsequent remarriages. In writing the novel James chose as his point of view what he described as "the consciousness, the dim, sweet, scared, wondering, clinging perception of the child." *The Awkward Age* (1899) examines the complicated relations among the members of a sophisticated London social circle almost entirely through dialogue as it depicts the shifting marital prospects of a young woman poised on the verge of adult life. Both of these novels insightfully explore the ambiguity of childhood "innocence" amid adult struggles over money, power, and love. "Drop the Baby; put a Veil on the Broad!" Margaux Soumoy,2021-09-15 THIS IS THE FIRST biography ever written about Italian-born French actress, dancer, singer, and producer Marisa Pavan, who acquired fame during the Golden Age of Hollywood in the 1950s and in American television in the 1960s and 1970s. Pavan is the twin sister of actress Pier Angeli (1932–1971), who is best known today for her ill-fated relationship with actor James Dean. Pavan is also the widow of Jean-Pierre Aumont (1911–2001), a famous stage and screen actor and writer in France and in the United States. Based on extensive interviews with Pavan herself and with various people who have known her and worked with her over the years, this book is a tribute to Pavan’s life and career, with a focus on her Hollywood years and the studio system and star system through which she had to navigate. It is part of a bigger biographical project that includes a French-English website, www.marisapavan.com.
