Like a Dark Rabbi Norman Finkelstein, 2019-09-15

Wallace Stevens' dark rabbi, from his poem *Le Monocle de Mon Oncle*, provides a title for this collection of essays on the lordly study of modern Jewish poetry in English.

Including chapters on such poets as Charles Reznikoff, Allen Grossman, Chana Bloch, and Michael Heller, this volume explores the tensions between religious and secular worldviews in recent Jewish poetry, the often conflicted linguistic and cultural matrix from which this poetry arises, and the complicated ways in which Jewish tradition shapes the sensibilities of not only Jewish, but also non-Jewish, poets. Finkelstein, described as one of American poetry's indispensable makers (Lawrence Joseph), whose previous critical work has been called the exemplary study of the religious aspect of the works of contemporary American poets (Peter O'Leary), considers large literary and cultural trends while never losing sight of the particular formal powers of individual poems. In *Like a Dark Rabbi* he offers a passionate argument for the importance of Jewish-American poetry to modern Jewish culture-and to American poetry-as it engages with the contradictions of contemporary life.

Lynch, this heartwarming story by Eoin Colfer, internationally best-selling author of the *Artemis Fowl* series, is certain to enchant.

Sinner Takes All Tera Patrick,Carrie

Borzillo,2009-12-31 How does a girl go from being a shy, awkward bookworm to the biggest porn star in the world? In *Sinner Takes All*, Tera Patrick reveals all, including: her career as an international model; losing her virginity at fourteen to a thirtysomething photographer; learning oral sex techniques backstage at a Guns N' Roses concert; having an orgy with a team of firefighters; her unglamorous job in a nursing home; her first forays into the adult movie business; and how, with her husband's help, she launched her own multimillion-dollar empire. Along the way, she dishes on the emotional side of being Tera Patrick, writing candidly about her battles with depression and anxiety. She also discusses finding true love and building a healthy marriage, achievements that many consider to be impossible in the world of porn. Featuring hundreds of photos, plus diary pages and scintillating sidebars, *Sinner Takes All* takes the tell-all to raunchy new heights.

The Confession of St. Patrick Saint Patrick,2015-08-17 In this book St. Patrick testifies to us of his conversion, trials, and tribulations in seeking, surrendering, and suffering for Christ. Even though most of us do not dare attempt to aspire to reach the heights of St. Patrick, it is important to realize that God made each and every person an individual - not to be like another - but rather to be like Christ. He made each person unique and endows each of us with different gifts and graces. This is why we study and admire other followers of Christ but we are not to try to be exactly like another. In growing in virtue - yes. But God has a very

specific wills and assignments for each of us. Nevertheless it is helpful to study and reflect on the virtues of others like St. Patrick.

Mayhem and Madness J. A. Dauber, 2019-09-03 Bailey never meant to be the bad guy in the bulletproof robotic suit, but with every mission he gets closer to finding his father . . . and he can't stop now. Bailey is a pretty average sixteen-year-old in a pretty average town. He runs track, gets decent grades, and has an unrequited crush. So what is a super-powered flying suit of computerized armor doing twenty feet under his boring suburban home? Bailey needs to know where it came from, if it belonged to his long-missing father, and most importantly, if it can be used to bring his dad back. This lightning-fast adventure inspired by classic comic book tales pushes a good kid to his limits and questions the difference between a hero and a villain. One day he's getting beat up by the captain of the football team, the next day he's robbing banks on Fifth Avenue, stealing diamonds from Tiffany's, and zooming through aerial dogfights. But how much bad is Bailey willing to do to bring his dad home safely? For fans of Iron Man, superhero stories, and dark humor. An ILA-CBC Young Adults' Choice!

The Essential HBO Reader Gary R. Edgerton, Jeffrey P. Jones, 2013-07-24 The founding of Home Box Office in the early 1970s was a harbinger of the innovations that transformed television as an industry and a technology in the decades that followed. HBO quickly became synonymous with subscription television and became the leading force in cable programming. Having interests in television, motion picture, and home video industries was crucial to its success. HBO diversified into original television and movie production, home video sales, and international distribution as these once-separate entertainment sectors began converging into a global entertainment industry in the mid-1980s. HBO has grown from a domestic movie channel to an international cable-and-satellite network with a presence in over seventy countries. It is now a full-service content provider with a distinctive brand of original programming and landmark shows such as *The Sopranos* and *Sex and the City*. The network is widely recognized for its award-winning, innovative and provocative programming, including dramatic series such as *Six Feet Under* and *The Wire*, miniseries such as *Band of Brothers* and *Angels in America*, comedies such as *Curb Your Enthusiasm* and *Def Comedy Jam*, sports shows such as *Inside the NFL* and *Real Sports with Bryant Gumbel*, documentary series such as *Taxi Cab Confessions* and *Autopsy*, and six Oscar-winning documentaries between 1999 and 2004. In *The Essential HBO Reader*, editors Gary

R. Edgerton and Jeffrey P. Jones bring together an accomplished group of scholars to explain how HBO's programming transformed the world of cable television and how the network continues to shape popular culture and the television industry. Now, after more than three and a half decades, HBO has won acclaim in four distinct programming areas—drama, comedy, sports, and documentaries—emerging as TV's gold standard for its breakout series and specials. The Essential HBO Reader provides a comprehensive and compelling examination of HBO's development into the prototypical entertainment corporation of the twenty-first century.
