**Amy Tintera**

Reboot Amy Tintera, 2013-05-07 In this fast-paced dystopian thrill ride from New York Times–bestselling author Amy Tintera, perfect for fans of *The Hunger Games*, *Legend*, and *Divergent*, a seventeen-year-old girl returns from death as a Reboot and is trained as an elite crime-fighting soldier . . . until she is given an order she refuses to obey. Wren Connolly died five years ago, only to Reboot after 178 minutes. Now she is one of the deadliest Reboots around . . . unlike her newest trainee, Callum 22, who is practically still human. As Wren tries to teach Callum how to be a soldier, his hopeful smile works its way past her defenses. Unfortunately, Callum’s big heart also makes him a liability, and Wren is ordered to eliminate him. To save Callum, Wren will have to risk it all. Wren’s captivating voice and unlikely romance with Callum will keep readers glued to the page in Amy Tintera’s high-stakes alternate reality, and diving straight into its action-packed sequel, *Rebel*. Don’t miss Amy Tintera’s new fantasy series, *Ruined*—full of epic stakes, sweeping romance, hidden identities, and scheming siblings.

Reboot Jerry Colonna, 2019-06-18 One of the start-up world’s most in-demand executive coaches—hailed as the “CEO Whisperer” (Gimlet Media)—reveals why radical self-inquiry is critical to professional success and healthy relationships in all realms of life. Jerry Colonna helps start-up CEOs make peace with their demons, the psychological habits and behavioral patterns that have helped them to succeed—molding them into highly accomplished individuals—yet have been detrimental to their relationships and ultimate well-being. Now, this venture capitalist turned executive coach shares his unusual yet highly effective blend of Buddhism, Jungian therapy, and entrepreneurial straight talk to help leaders overcome their own psychological traumas. *Reboot* is a journey of radical self-inquiry, helping you to reset your life by sorting through the emotional baggage that is holding you back professionally, and even more important, in your relationships. Jerry has taught CEOs and their top teams to realize their potential by using the raw material of their lives to find meaning, to build healthy interpersonal bonds, and to become more compassionate and bold leaders. In *Reboot*, he inspires everyone to hold themselves responsible for their choices and for the possibility of truly achieving their dreams. Work does not have to destroy us. Work can be the way in which we achieve our fullest self, Jerry firmly believes. What we need, sometimes, is a chance to reset our goals and to reconnect with our deepest selves and with each other. *Reboot* moves and empowers us to begin this journey.

American Reboot Will Hurd, 2023-03-14 From former US Congressman and CIA Officer Will Hurd, a “how-to guide with a prescription for getting the nation on the right footing” (*Politico*) and “a clarion call for a major political pivot” (*San Antonio Report*) rooted in the timeless ideals of bipartisanship, inclusivity, and democratic values. “Hurd has the biography and the charisma and the God-given political chops to put the Republican Party—and the rest of the country—on notice.” —*THE ATLANTIC* It’s getting harder to get big things done in America. The gears of our democracy have been mucked up by political nonsense. To meet the era-defining challenges of the 21st century, our country needs a reboot. In *American Reboot*, Hurd, called “the future of the GOP” by *Politico*, provides a “detailed blueprint” (Robert M. Gates, Secretary of Defense, 2006–2011) for America grounded by what Hurd calls pragmatic idealism—a concept forged from enduring American values to achieve what is actually achievable. Hurd takes on five seismic problems facing a country in crisis: the Republican Party’s failure to present a principled vision for the future; the lack of honest leadership in Washington, DC; income inequality that threatens the livelihood of millions of Americans; US economic and military dominance that is no longer guaranteed; and how technological change in the next thirty years will make the advancements of the last thirty years look trivial. Hurd has seen these challenges up close. A child of interracial parents in South Texas, Hurd survived the back alleys of dangerous places as a

CIA officer. He carried that experience into three terms in Congress, where he was, for a time, the House's only Black Republican, representing a seventy-one percent Latino swing district in Texas that runs along 820 miles of the US-Mexico border. As a cyber security executive and innovation crusader, Hurd has worked with entrepreneurs on the cutting edge of technology to anticipate the shockwaves of the future. Hurd, who the Houston Chronicles calls "a refreshing contract to the panderers, petty demagogues, and political provocateurs who reign these days," draws on his remarkable experience to present "a call to Americans to consider the most contentious issues of our times more holistically" (The Atlantic). He outlines how the Republican party can look like America by appealing to the middle, not the edges. He maps out how leaders should inspire rather than fearmonger. He forges a domestic policy based on the idea that prosperity should be a product of empowering people, not the government. He articulates a foreign policy where our enemies fear us and our friends love us. And lastly, he charts a forceful path forward for America's technological future. We all know we can do better. It's time to hit "ctrl alt del" and start the American Reboot.

**The Science Fiction Reboot** Heather Urbanski, 2013-02-06 This analysis examines several recent reimagined science fiction franchises (Star Trek, Battlestar Galactica, V, and Star Wars) in order to capture how "reboots" work from a fan perspective. Previous encounters with these stories make the reboot experience distinct for fan-viewers, who bring with them a set of expectations and knowledge, often tied to franchise canon that cannot be separated from the new film or television series. Even when elements of the original versions are maintained, memories of them influence the narrative encounter. This book considers reimagined texts from several levels, including the medium, the characters, and the world building, to break down and then explore the reboot experience.

Reboot Lisa Jasper, Jim Smelley, Thought Ensemble Staff, 2011-06-30 Reboot is a how-to book for anyone who wants to build a technology strategy in a business world driven by innovation. The book starts by making the case that technology is a (if not the) central driver of business strategy today for most organizations. More than any other trend today, technology continues to remake businesses and industries as new ideas and innovations spawn competitors and entire industries. Reboot goes on to argue that most organizations get this technology strategy stuff horribly wrong...that they are using an antiquated model for thinking about technology (IT vs. Business) and that this out of date model is in part responsible for many of technologies casualties. Finally Reboot presents a solution. There is a better way to think strategically about technology and a better way to deliver on it.

*Book Club Reboot* Sarah Ostman, Stephanie Saba, 2019-03-25 Is your book club feeling stale or uninspired? Has attendance dropped, or are you struggling to keep your patrons engaged? What you need is a reboot. This resource published in cooperation with ALA's Public Programs Office profiles dozens of successful book clubs across the country.

*Rebel* Amy Tintera, 2014-05-13 The explosive conclusion to New York Times–bestselling author Amy Tintera's action-packed Reboot is a can't-miss thrill ride, perfect for fans of The Hunger Games, Legend, and Divergent. After coming back from death as Reboots and being trained by HARC as soldiers, Wren and Callum have finally escaped north, where they hope to find a life of freedom. But when they arrive at the Reboot reservation, it isn't what they expected. Under the rule of a bloodthirsty leader, Micah, the Reboots are about to wage an all-out war on the humans. Although Wren's instincts are telling her to set off into the wilderness and leave the battle far behind, Callum is unwilling to let his human family be murdered. When Micah commits the ultimate betrayal, the choice is made for them. But Micah has also made a fatal mistake—he's underestimated Wren and Callum. Readers will thrill in this dynamic finale to the Reboot duology, full of riveting action and steamy love scenes as Wren and Callum become rebels against their own kind. Don't miss

Amy Tintera's new fantasy series, Ruined—full of epic stakes, sweeping romance, hidden identities, and scheming siblings.

**Reboot Your Life** Catherine Allen, Nancy Bearg, Rita Foley, Jaye Smith, 2011-04-02 More Americans are choosing to take time off from work to relax or re-examine their priorities, so they can return to work energized. Some companies offer formal sabbatical programs, but how can the average person take time off to evaluate their direction, explore their passions, and make time for the things that are really important? Whether you're disillusioned with your career, yearning to follow a dream, or taking time out after a layoff, now is the time to step back and reboot. This book will show you how you can give yourself the best gift ever—the gift of time. People who take sabbaticals report feeling happier, and they return to their jobs refreshed, reinvigorated, and ready to tackle new challenges. Reboot Your Life draws upon the experiences of the four authors and their interview subjects: 200 people who have taken sabbaticals and 150 organizations offering sabbatical programs. The book includes real-life stories and exercises to help the reader figure out how to plan for and take a sabbatical, or how to use unexpected time off.

**Reboot** Jodie Fox, 2019-10-28 Shoes of Prey launched in 2009. It allowed people to design their dream shoes online, get them expertly manufactured, and have them shipped to anywhere in the world within two weeks. The startup broke even at two months, hit multi-million dollar revenues in under two years, raised tens of millions in funding from top-tier investors and shipped to more than 100 countries. All the metrics pointed to huge scalability. To a huge business. To a huge success. But it didn't succeed. In 2018 the business failed. And this is that story. Reboot tells the truth of what it is like to be at the helm of a global business. From the high highs of besting Karl Lagerfeld on global awards to the low lows of closing the doors on your dream, join author Jodie Fox on a raw journey as she reveals for the first time the story behind the story of fashion darling Shoes of Prey. This incredible ride will share lessons on raising capital, building a brand, finding suppliers, doing business in China and, most importantly, how to learn and grow from your successes and your mistakes and be ready every day to reboot for the next challenge.

**Reboot** Jason Stockwood, 2018-09-06 The tech revolution will hit us all soon. How can any organisation survive and thrive? Headlines predict that whole industries will be decimated by Artificial Intelligence and automation. Some bosses and bankers are rubbing their hands at the prospect of cost savings and staff cuts. But there is another way. New technology can also empower teams, fuel creativity and make people happier. At Simply Business, twice voted the UK's best company to work for, big data and automated systems are being harnessed to generate positive growth, staff are currently trialling a four-day week in their Northampton office. In this bold blueprint, CEO Jason Stockwood – named by the Sunday Times as the UK's best leader – shows how any organisation can think freshly and benefit from technology by putting its people first.

**Invincible Vol. 22: Reboot?** Robert Kirkman, 2016-02-17 While Mark, Eve, and Terra make the best of their life on Talescria, Thragg has eluded capture. In this volume, loose ends are tied up, conflicts are brought to a resolution, and a door is closed... so that a new one can open.

**Rebooting AI** Gary Marcus, Ernest Davis, 2019-09-10 Two leaders in the field offer a compelling analysis of the current state of the art and reveal the steps we must take to achieve a truly robust artificial intelligence. Despite the hype surrounding AI, creating an intelligence that rivals or exceeds human levels is far more complicated than we have been led to believe. Professors Gary Marcus and Ernest Davis have spent their careers at the forefront of AI research and have witnessed some of the greatest milestones in the field, but they argue that a computer beating a human in Jeopardy! does not signal that we are on the doorstep of fully autonomous cars or superintelligent machines. The achievements in the field thus far have occurred in closed systems with fixed sets of rules, and these approaches are too narrow to achieve genuine intelligence. The real world, in contrast, is wildly complex and open-ended. How can we bridge this gap? What will the consequences be when we do? Taking inspiration from the human mind, Marcus and Davis explain what we need to advance AI to the next level, and suggest that if we are wise along the way, we won't need to worry about a future of machine overlords. If we focus on endowing machines with common sense and deep understanding, rather than simply focusing on statistical analysis and gathering ever larger collections of data, we will be able to create an AI we can trust—in our homes, our cars, and our doctors' offices. *Rebooting AI* provides a lucid, clear-eyed assessment of the current science and offers an inspiring vision of how a new generation of AI can make our lives better.

**Hard Reboot** Django Wexler, 2021-05-25 Django Wexler's *Hard Reboot* features giant mech arena battles and intergalactic diplomacy. When did academia get to be so complicated? Kas is a junior researcher on a fact-finding mission to old Earth. But when a con-artist tricks her into wagering a large sum of money belonging to her university on the outcome of a manned robot arena battle she becomes drawn into the seedy underworld of old Earth politics and state-sponsored battle-droid prizefights. Is it time to get back to the books, yet? At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Remake Television Carlen Lavigne, 2014-02-27 Remakes are pervasive in today's popular culture, whether they take the form of reboots, "re-imaginings," or overly familiar sequels. Television remakes have proven popular with producers and networks interested in building on the nostalgic capital of past successes (or giving a second chance to underused properties). Some TV remakes have been critical and commercial hits, and others haven't made it past the pilot stage; all have provided valuable material ripe for academic analysis. In *Remake Television: Reboot, Re-use, Recycle*, edited by Carlen Lavigne, contributors from a variety of backgrounds offer multicultural, multidisciplinary perspectives on remake themes in popular television series, from classic cult favorites such as *The Avengers* (1961–69) and *The X-Files* (1993–2002) to current hits like *Doctor Who* (2005–present) and *The Walking Dead* (2010–present). Chapters examine what constitutes a remake, and what series changes might tell us about changing historical and cultural contexts—or about the medium of television itself.

Frisket Takes Command Devra Newberger Speregen, 1995 When data-dump-yard dog Frisket swallows a hidden unformat command, the evil virus Megabyte orders his slapdash goons to go after the one thing Frisket treasures: his best pal, Enzo. Will the command

destroy Frisket's aching belly before Enzo can rescue them from Megabyte's evil clutches?

**Film Reboots** Daniel Herbert,2020-08-18 Through a set of vibrant case studies, this collection investigates rebooting as a practice that seeks to remake an entire film series or franchise, with ambitions that are at once respectful and revisionary.

**The 14-Day Reboot** Dr Raul Serrano,2019-03-21 Over the years I have struggled to find a healthy nutritional lifestyle that works for me. As a husband and father of four, I know how difficult it can be to stay on track and eat healthy. I have tried all kinds of fads and strict nutrition programs which, of course, only gave me short term results and were unrealistic to maintain. That is why I created a new way - The 14 Day Reboot. What I have learned from my own life and from working with thousands of patients is that it takes a simple, practical plan that you can achieve every day. The 14 Day Reboot does exactly that. The plan equips you to lose weight quickly, re-balance your hormones and detox your body. It also empowers you with the right tools and strategies to make a lifestyle shift instead of a temporary alteration. This fad-free lifestyle works! It has worked for me, my family and for hundreds of families. I look forward to hearing your success story after you press the reboot button and allow your body to function well and you live the way you were created to.This book provides:- The 14-Day Reboot Plan to empower you to lose weight - up to 14 pounds in 14 days- Easier nutrition steps, not harder - Simplify hormone rebalancing for optimal body function- Safe and effective body detox protocol - Strategies, Resources, Recipes, Exercise, Journals, Community Support and more

Reboot: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Reboot : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a

quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
