Down and Out in Saigon Haydon Cherry,2019-05-28

A moving portrait of the lives of six poor city-dwellers, set in early twentieth century colonial Saigon Historian Haydon Cherry offers the first comprehensive social history of the urban poor of colonial French Saigon by following the lives of six individuals--a prostitute, a Chinese laborer, a rickshaw puller, an orphan, an incurable invalid, and a destitute Frenchman--and how they navigated the ups and downs of the regional rice trade and the institutions of French colonial rule in the first half of the twentieth century. *Down and Out in Saigon* is marked by three qualities that endow it with unusual value: the originality of its subject matter, as the first and only history of colonial Saigon's poor population, the excellence of its research, and Cherry's elegant prose.--Peter B. Zinoman, University of California, Berkeley This is more than a corrective of revolutionary historiography--it is a tour de force that brings marginal and forgotten lives into the story of modern Vietnamese history.--Charles Keith, author of *Catholic Vietnam: A Church from Empire to Nation*

Saigon, Illinois Paul Hoover, 2013-11-19 DIVDIVDIVThe story of how one man wound up fighting the Vietnam War from a Chicago hospital/div Young slacker Jim Holder wants no part of the draft, the army, or Vietnam. So he registers as a conscientious objector and gets ready for alternative service. He's assigned to work as a unit manager at a downtown Chicago medical center, worlds apart from his rural roots. A wild assortment of patients and colleagues awaits him at Metropolitan Hospital. As Jim's life swings from the chaos of his job to the fervor of a revolutionary moment, he balances his beliefs with the everyday business of life and death.DIV In this richly comic novel, Paul Hoover crystallizes the strange days of the conflict in Vietnam with a memorable cast of characters./div/div/div

The Trader of Saigon Lucy Cruickshanks, 2013-07-04
In the chaos and corruption of 1980s' Vietnam, three seemingly unconnected lives are brought together by greed, fear and hope. As a US Army deserter, Alexander is a man without country; trapped in a life he no longer controls and embroiled in the dark business of trading women. His latest victim is Hanh, a rural girl who moved to Hanoi to escape inevitable poverty and who sees Alexander's arrival as the answer to her prayers. Neither of them has ever met Phuc - a Vietnamese businessman who backed the wrong side in the war and is now unable to pay his financial and political debts to the Party. But his struggles are about to change both their lives. From a society torn apart by war comes a tale of redemption and salvation; a thrilling saga and an explosive debut novel.

All Under Heaven Carolyn Phillips, 2016-08-30 A comprehensive, contemporary portrait of China's culinary landscape and the geography and history that has shaped it, with more than 300 recipes. Vaulting from ancient taverns near the Yangtze River to banquet halls in modern Taipei, *All Under Heaven* is the first cookbook in English to examine all 35 cuisines of China. Communion Kim Fay,2010 Living in Vietnam for four years in the 1990s, Seattle native Kim Fay fell in love with the romantic landscapes, the rich culture, and the uninhibited warmth of the people. A decade later, she grew hungry for more. Inspired by the dream of learning to make a Vietnamese meal for her friends and family in America, Kim returned to Vietnam and embarked on an unforgettable five-week culinary journey from Hanoi to Saigon. Joined by her sister and best Vietnamese girlfriend, Kim set off to taste as much as possible while exploring rituals and traditions, street cafés and haute cuisine, famine and feast, and Communism and the legacy of war. Together, the three women discovered a society shaped by its ever-changing relationship with food. Every encounter serves up an enticing morsel, from uncovering the secret world of ragu in the French hill town of Dalat to bonding with the Julia Child of Vietnam in Saigon. Epicures and culture buffs will delight in markets, restaurants, farms, fisheries, and cooking classes as Kim assembles her dream meal and shares recipes such as banana flower salad and clay pot fish. Examining how we eat reflects who we are as individuals and as communities, *Communion: A Culinary Journey Through Vietnam* offers a feast for armchair gourmets, as well as a colorful guide for travelers hungering for their next adventure.

The Boba Book Andrew Chau,Bin Chen,2020-04-07 A beautifully photographed and designed cookbook and guide to the cultural phenomenon that is boba, or bubble

tea--featuring recipes and reflections from The Boba Guys tea shops. Andrew Chau and Bin Chen realized in 2011 that boba--the milk teas and fruit juices laced with chewy tapioca balls from Taiwan that were exploding in popularity in the States--was still made from powders and mixes. No one in the U.S. was making boba with the careful attention it deserved, or using responsible, high-quality ingredients and global, artisanal inspiration. So they founded The Boba Guys: a chic, modern boba tea shop that has now grown to include fourteen locations across the country, bringing bubble tea to the forefront of modern drinks and bridging cultures along the way. Now, with The Boba Book, the Boba Guys will show fans and novices alike how they can make their (new) favorite drink at home through clear step-by-step guides. Here are the recipes that people line up for--from the classics like Hong Kong Milk Tea, to signatures like the Strawberry Matcha Latte and the coffee-laced Dirty Horchata. For the Boba Guys, boba is Taiwanese, it's Japanese, it's Mexican, it's all that and more--which means it's all-American.
