Sam's Messengers DeLeon,2007-07 In his heart he felt he had tried everything to avoid this end, but to no avail. Why is the post office so different from other companies? He remembered a statement that a former carrier had made. 'You know, I've worked in a lot of places where they discourage personal initiative, but this is the first place I've seen where they punish you for it ' In the small Texas town of Decatur, rural mail carrier Roderick Roddy Tolbert is determined to change the tense relationship between the post office managers and the rural mail carriers. He becomes the local union representative, but soon learns that he may have bitten off more than he can chew. Postmaster John Thompson and operations manager Juan Gonzales constantly harass the rural carriers, creating a hotbed of anger and resentment. As Roddy struggles to find some type of resolution, he fears that some of the employees see violence as the only answer. After careful consideration, he confronts Thompson and Gonzales with his concerns, only to be accused of being a dangerous influence. After they threaten him with disciplinary action, Roddy discovers just how corrupt Thompson and Gonzales have become, and admits defeat.

Sam Minot Reader Sam Minot,2007-06 These are two works of fiction that have a common statement, mainly that the human experience and the anomaly of life itself exists for a purpose, to discover God. The first story, The Red and the Green, takes a wild trip into the future where men and women are separated by a type of cosmic divorce. There are two gods that have created the human race and they are represented by the opposite colors: red and green. The author is summoned to this era through the touching of a fern and it is his duty to create a painting that will liberate one of the diseased gods. The second story, The Last Tear, touches an archetypical myth of the lost goddess, Sofia, whom was ousted from Christianity; for in the early Gnostic teachings there was Sofia and Jesus in the more allegorical rather than literalist teachings. In this story a young woman gets thrown into this goddess-like existence after a car accident. She wanders around spreading the word of peace and salvation to anyone who is receptive enough. The world reaches a boiling point and an earth-destroying comet hits annihilating everything but the souls of the pure.

Miracles and Murders Sam Willson,2012-10 Sam Willson was born and raised in Vermont, educated in and around Boston, and worked there and in New York. He's an avid traveler, living for two years in Switzerland, and visiting Sydney and the North Pole, Singapore and St. Petersburg, and many places in between. He now lives in Sag Harbor, near the east end of Long Island, NY. (synopsis for Miracles & Murders, book 119342. The stories in this collection are rather evenly divided between down-and-dirty realism and wild, not to say far-fetched, fantasy. The narrator of Menu is a man you might already know, while the lovely Lady Chastain, pianist for the Queen, us probably not at the center of your circle of friends. The longest story here, The End of Humphrey Kohn, despite its violence and unkindness, could well be read as a morality play. But who needs labels? Enjoy!

My Name Is Sam Sean Gallagher,2020-06-06 Storyline A film produced and directed by an Amish man, Samuel Wickey. In this incredible story based on true events, the mother and father are overwhelmed with emotion when their children are severely bullied in a public school, and the father wants his family to leave the Amish. In this story about an Amish family struggling with the upbringing of a boy born with an enigmatic mental disorder, they are gripped by fear and astonishment when they witness the boy has unusual artistic abilities. The mother and father are deeply concerned since their strict Amish religion, teaches that any form of artistic expression is forbidden. The boy and his siblings are raised by a mother who cannot embrace them, praise them or even say I love you. They must only pray that God heals them. In a family deeply ingrained in a religion where parents are forbidden to express love for their children, the father breaks the chains of fear and oppression to allow hope, the expression of love and freedom to leave the ...

Nelson Sam Marks,2008 3 m / Drama / Interior Nelson is the story of a young man caught between two worlds. By day, he works as a low-level assistant to a film talent agent. By night, Nelson is the camera man for an underground, gang-related videotape series. As the videos become increasingly dangerous and popular, Nelson

develops an overwhelming obsession with a C-List actress. Eventually, Nelson's two worlds collide with disturbing, unsettling results. The play is a darkly comic look at the guilt dream of a man trying to find something authentic in a world of two very different kinds of film. A funny-creepy play by Sam Marks - Neil Genzlinger, The New York Times Marks continues to offer a fresh urban voice. Nelson grabs your ear from the outset with its halting staccato street talk, and in the fine office scenes, Nelson's racist boss attacks him with a Mamet-like patter of disdainful sarcasm. - Time Out New York

Penrod And Sam Booth Tarkington, 2023 Georgie Bassett was a unique young man. He was unaware of it until he overheard his mother discussing it with two of his aunts one day. The guys came to the conclusion that the weather is unjust. All during the week, there had been pleasant breezes and clear skies, but on Saturday, around breakfast, the dome of heaven completely filled with a dark mist. Mrs. Schofield was returning from a three-day trip to see her sister in Dayton, Illinois when she lost herself in a daydream on the train. In her reflective mind, she replayed several memory plays, and Penrod appeared in each one as a main character or star. This winter, the Schofields went without a cat, but the Williams' yard had a lovely white cat. Penrod slouched down in the pew, leaning one side and resting his legs on the back of the pew in front. As a result, those seated behind only saw a tuft of hair and one bored ear of him. They sat down in the large dining room quietly enough, but their brazen looks caused them to purposefully bump into their neighbors and jostle one another as they did so. The slight explosion of paper crackers that released fantastical headwear brought the reflection to a close.
