My Stuff Speaks Dr. Sania Siddiqui, 2018-06-15 What happens when the things you own begin to speak? And not just speak but speak about you! Courtesy an online eGenie, Mrs. Google acquires a super power of hearing from her belongings and presumes it is going to be so much fun to receive gratifying feedback dripping in adulation. But the experience that follows is not quite what she expects because it exposes the chinks in her personality and conduct. As her clothes, shoes, phone, handbags and other stuff starts voicing their views, Mrs. Google discovers unexplored facets of her personality, which she had never cared to muse upon earlier. Will she emerge wiser and saner or buckle under the pressure of harsh realisation that her belongings hold grudges against her? My Stuff Speaks is a fun and immensely relatable narrative told by everyday objects that share hilarious and honest insights into Mrs. Google's life. It will not only have you in splits with its wry sense of humour but will also make you ponder over the idiosyncrasies of life and the drama that surrounds them.

Ace against Odds Sania Mirza,2016-06-10 'Sania has always faced adversity with single-minded focus, self-belief and self-respect. I believe she has been instrumental in changing the face of Indian sport.' - Mahesh Bhupathi 'Sania has a merciless forehand and her well-placed serve starts us perfectly in each point . . . Currently ranked World No. 1 in women's doubles, Sania Mirza became an instant sensation when she won the Wimbledon Championships girls' doubles title at the age of sixteen. From 2003 until her retirement from the singles circuit in 2012, she was ranked by the Women's Tennis Association as India's top player, both in singles and doubles. A six-time Grand Slam champion, she notched up an incredible forty-one consecutive wins with her doubles partner, Martina Hingis, between August 2015 and February 2016. Ace against Odds is the story of this most iconic Indian player who beat incredible odds to get to the top of her sport. Sania writes with candour of the hardships along the way, of the physical and emotional trauma caused by injuries and medical procedures, of the friends and partners who became her mainstay along with her family, of the pressures of constant public scrutiny and, not least, the politics and heartbreaks that inevitably accompany success. Sania broke the rules, she spoke her mind, she pushed herself to the limit, she played for India fiercely and without care for how it might impact her rankings - she is and will continue to remain an inspiration long after she steps off the tennis courts.
