Love-Lines Sheri Langer, 2019-02-26 What if you could find the love of your life just by reading between the lines? Single mom Fordham Price is juggling her job at a small publisher, her precocious ten-year-old daughter, and her feisty mother. She wants to find time for men, but after a series of dating disasters, her relationship status is still stuck at single. As if her macchiato lite wasn't already overflowing, a co-worker gets pregnant, and Fordham is expected to step in and deliver the company's latest reality read from the Flowers from the Heart series. She must now supplement her own romantic misadventures with tales of cynical cat-ladies, identical-twin husbands, spunky monks, and countless other web-crawlers. As she wades through the submissions, she finds one from a widower whose story gives her tingles in all the places she forgot existed. His words draw her in until she finds herself daydreaming about him more than she'd care to admit. Could she have a love like that, or will her romantic fate be forever bound to her philandering ex-husband?

The Beautiful No Sheri Salata, 2019-06-04 "Thursday morning. One hundred pounds overweight, no man in sight, and rounding the bend to 57 years old—a full-blown catastrophe." What happens when you realize you've had the career of your dreams, but you don't have the life of your dreams? This was the stark reality facing Sheri Salata when she left her twenty-year stint at The Oprah Winfrey Show, Harpo Studios and the OWN network. She had dedicated decades to her dream job, and loved (almost) every minute of it, but had left the rest of her life gathering dust on the shelf. After years of telling other people's makeover stories, Sheri decided to "produce" her own life transformation. And this meant revisiting her past, excavating its lessons, and boldly reimagining her future. In these pages, she invites readers along for the ride—detoxing in the desert, braving humiliation at Hollywood's favorite fitness studio, grappling with losses, reinventing friendships, baring her soul in sex therapy, and more. Part cautionary tale, part middle-of-life rallying cry, Sheri's stories offer profound inspiration for personal renewal.

The Sweet In-Between Sheri Reynolds, 2012-08-21 #1 New York Times

bestselling author Sheri Reynolds continues to captivate in this masterful tale of redemption and finding a place to truly belong. Kenny Lugo has grown up in a family that's not really hers. Her mother died of cancer when Kenny was very young, and Aunt Glo—who is, in fact, her daddy's girlfriend—took her in when her father was sent to jail for drug trafficking. Now, as Kenny approaches her eighteenth birthday and the end of the government checks Glo has been receiving looms, she is desperate to prove that this house and these people really do belong to her. But when a senseless murder occurs next door in their small coastal town, Kenny can't get it out of her mind. She has always been consumed by the ways in which she is different—and inherently unworthy—so the unjust death of a young woman with everything to live for becomes an obsession. In the end, hers is a story of an unforgettable young woman whose redemption comes from a source she never would have imagined.

Daring to Live Sheri Hunter, 2020-02-18 When her husband, Mannard, unexpectedly passed away at just 50 years of age, Sheri Hunter was devastated. With her whole world falling down around her, she turned to her friends. Years before, she and these Dare Divas had gone on a whitewater rafting trip. Now they sought out other adventures--zip-lining, skydiving, mountain climbing, and more. Through these death-defying activities and the unwavering support of her friends, Sheri slowly found the strength to move forward in life. More than just a memoir, this empowering female travelogue pairs emotionally resonant, confessional storytelling with spiritual

takeaways, challenging readers to engage fully in their own lives, surround themselves with friends who will support them, and face life's challenges with courage and faith. If you've ever experienced a sudden loss or upheaval in life, Sheri's story will reassure you that even if life as you knew it is over, the future God has for you is always full of new adventures.

Be Happy or I'll Scream! Sheri Lynch, 2007-04-01 *Be Happy or I'll Scream* is for every married woman who has found just the tiniest bit of disconnect between the image of a perfect family in her head--think *The Brady Bunch* or *The Huxtables*--and the evidence in front of her eyes. Instead of darling and compliant rosy-cheeked children and an adorably tolerant husband ready to go along with zany shenanigans, most women are faced with: kids who view family outings with all the enthusiasm of hardened inmates forced to bust rocks in roadside Alabama and a man who would trade every last one of her kooky ideas for a just a teeny little bit more sex and a hot meal on the table at six. Sheri Lynch, co-cost of radio's syndicated *Bob & Sheri*, is a superb humorist of modern marriage, mores, and motherhood. Her *Hello, My Name Is Mommy* decoded the pitfalls of pregnancy and trials of new motherhood. *Be Happy or I'll Scream* taps into the wackier, even more wonderful world of family and husband management, kid-raising, and sanity maintenance in the face of it all. Her take on what life is really like inside a marriage--as opposed to what it looks like on the holiday card version of same--will ring both wacky and true to any woman who was ever foolish enough to dream of the perfect marriage and family.

Kingdom City Sheri Wilner, 2018-06-18 When displaced New York director Miriam Bloom finds herself in Kingdom City, Missouri, she reluctantly agrees to direct a high school production of *The Crucible*. As the play unlocks the students' dark secrets, a local youth minister threatens to cancel the play, creating a firestorm in this small conservative town. Inspired by actual events that occurred in 2006, KINGDOM CITY strives to present an even-handed examination of the fears and concerns that arise when the welfare of children is at stake.

Pass the Urn Day Sheri Duff, 2021-04 You will receive a letter every year on the Saturday after the anniversary of my funeral or close to it. Yes, my funeral. Not my death. Funerals are ridiculous, so it is fitting you get the letter on that day. It would be awesome if you could gather as a family to pass me along. When Bessa found out she would not survive pancreatic cancer, she knew her three adult children weren't ready to lose her. To help them move on, Bessa enlisted a secret accomplice to send letters to her children around the anniversary of her funeral. She also had her ashes placed in a purple kaleidoscope urn and requested her kids take turns spending time with her. Outlandish or not, a mother needs to do what a mother needs to do. Full of laughter, love and chaos, the Larsen family spends ten years receiving letters from their mother and passing the urn from house to house, country to country-with an occasional mishap.

Sideshow Sheri S. Tepper, 2009-12-09 On the planet of Elsewhere, the Council had always enforced the governing of each province in the manner the people had chosen, so long as each respected its neighbors' local customs--and so long as the people remained within their homelands. Generations later, inhabitants have begun to question this tradition. The Council has received mysterious messages and reports of strange manifestations across the planet. Now, Enforcer Fringe Owldark has been sent with a small crew of seven, each possessing an unusual talent, to investigate their worst fear--the arrival of the Hobbs Land gods. Free will and the reality of God are just too of the timeless issues this courageous band of humans must confront as they strive

to decide if complete tolerance and leaving others alone is evil. . .and what they should do if it is. Vividly imagined and exquisitely rendered, Sideshow is Sheri S. Tepper's most controversial novel yet.

Nine Years Under Sheri Booker, 2014-07-01 A dazzling and darkly comic memoir about coming of age in a black funeral home in Baltimore Sheri Booker was only fifteen when she started working at Wylie Funeral Home in West Baltimore. She had no idea her summer job would become nine years of immersion into a hidden world. Reeling from the death of her beloved great aunt, Sheri found comfort in the funeral home and soon had the run of the place. With AIDS and gang violence threatening to wipe out a generation of black men, Wylie was never short on business. As families came together to bury one of their own, Booker was privy to their most intimate moments of grief and despair. But along with the sadness, Booker encountered moments of dark humor: brawls between mistresses and widows, and car crashes at McDonald's with dead bodies in tow. While she never got over her terror of the embalming room, Booker learned to expect the unexpected and to never, ever cry. *Nine Years Under* offers readers an unbelievable glimpse into an industry in the backdrop of all our lives.

Preparing Him for the Other Woman Sheri Rose Shepherd, 2009-01-21 What Kind of Husband Will Your Son Grow Up to Be? His is a generation of boys who have better relationships with their Game Boxes, i-Pods, televisions, and computers than they do with their families. His understanding of marriage is that it has little hope for success, witnessing a fifty percent divorce rate both inside and outside of the church. His world is one where pornography is no longer a hidden shame, but encouraged as entertainment. Can you raise your son to one day love, lead, and protect a wife and family in a world like this? The answer is yes. The heartbeat of this book is to give you the tools to help your son become a tender warrior who will one day fight for his family, a godly husband who will faithfully love his wife, and a leader who will be a man of his word. The time is now to take your love, tears, prayers, and influence and pour them into his future. Even if our world does not change its moral fiber, you can influence your son and bring hope to the next generation. It's an opportunity of a lifetime—yours. Reviews “Not only is this an amazing concept, but it meets an urgent need for every mother of boys.” Lisa Bevere, speaker and author of *Fight Like a Girl* and *Kissed the Girls and Made Them Cry* “I have three sons, two stepsons, two son-in-laws, and nine grandsons! Any help I can glean to give me more wisdom is welcome. I would have welcomed more help like this when I was a young mother raising my young men for ‘the other woman.’” LeeAnn Rawlins, Coauthor, *To Love Again* Story Behind the Book When the manager of a large Christian bookstore told

Sheri Rose Shepherd that readers of the popular His Princess TM series were futilely looking for material about raising their sons to be godly future husbands, she knew she could help. "Think about how much farther all men would be in their marriages if their moms had trained them how to one day love and understand their wives," says Sheri Rose . "We can take all the mistakes we've made in our lives and use them to teach our sons the right way to live. And we can use our most powerful weapon of all—our prayers—to fight for them."
