Olivia Blake a native of Hattiesburg, Mississippi, moved to Buffalo, New York, with her mother to escape the shame of her fathers adultery. She longed for her rightful place in the world, and love. The three girls struggle to escape to a better life as they become adults only to find that once burned by the pains of life you will wear that mark though it is embedded in the deepest darkest places of your soul.

They Call Me Cinnamon: The Right to Love the Right to Live Starlett Fisher,2014-07-29 Terrence Upshaw, (affectionately known as Terry) is a fair skinned, good looking, young man in his senior year of college and looking forward to graduation come the end of spring. On the outside he seems as grounded as any other young person his age, but inside he was being torn apart. Terry had been molested as a young boy by a trusted relative, and was left confused, and longing for a normal life. He kept his abuse secret from his mother who was always working trying to provide for her three children, and usually relied on friends and family for child care. Terry internalized his fears, and the guilt, he placed on his mother as well as himself. When Terry entered his teen years he remained confused about his sexuality, and with no father in his life to show him how to mature into manhood, he took to dressing in women's attire every now and then in his leisure time. He also began going on internet connected dates dressed in full drag. He had no idea what he was doing. To him it was excitement, and he could be a different person whenever he chose, to him, he was free. Unfortunately, one evening, Terry was walking home after an uneventful and uninteresting date went sour; he was dressed in full drag. He is approached by a group of thugs, at first he thinks it's nothing but harmless flirting, until a gut feeling signals that he is in real mortal danger. Before he can think of something smart to say, he finds himself running for his life. Terry lies in a hospital bed, raped, and beaten, as his life hangs in the balance. When he comes to, his body is racked with pain, and he is torn both physically and mentally. There, he comes face to face with the coldness of society. Nobody cares if a gay man is raped is all he could tell himself. The police helped to insure that his suspicions were true. If you're perceived to be anything but heterosexual then you're a monster, and a freak of nature. Terry decides he wants nothing to do with the police, no matter how badly h
