Forget Me Not Stef Ann Holm,2014-12-09 A cattle drive is no place for a lady in bows and buttons...unless she's in love with a rancher in denim and rawhide. Love sizzles in this Western romance from USA TODAY bestselling author Stef Ann Holm. Newly independent city girl Josephine Whittaker succeeded in heading West, all on her own. But once she set foot in the crude cow town of Sienna, Wyoming, her first inclination was to board the next train back out—and she would have, if she

hadn't lost everything she owned. Suddenly, a job as a ranch cook seemed a good idea—at least it was better than making money as a dance-hall girl. It didn't seem that important if she neglected to tell her new boss that she'd never so much as boiled an egg... J.D. McCall knew from the get-go that a pretty lady in the chuck wagon with a bunch of cowboys meant trouble. But he faced mutiny among his ranch hands if he didn't bring home a cook—and she said fried beef was her specialty. How could he know he'd never want to let her go? J.D.'s own mother had abandoned his father and the harsh frontier life to go back East. Loving Josephine was sure to break his heart...unless this lady proved she had grit, gumption, and what it took to be a cattle rancher's wife—his wife.

Her life may not be picture-perfect, but her custom cakes and pastries are the talk of the town, and she likes it that way. What Chloe needs is a champion, and John Moretti—a handsome, widowed, high-powered attorney who can impress everyone except his two rebellious teenagers—fits the bill perfectly. John is shocked when he finds himself considering Chloe's little cause, much less falling for her. But once he samples her home-baked charms, he's hooked—and determined to make her a permanent part of his family. Harmony Stef Ann Holm, 2015-01-06 From USA TODAY bestselling author Stef Ann Holm, Book One in the Brides for All Seasons series: “Harmony is a laugh-out-loud read. Stef Ann Holm has created the most warm-hearted, heart-stirring romance of the season” (Romantic Times). When prim deportment teacher Edwina Huntington finds herself co-owner of a warehouse with rugged sportsman Tom Wolcott, togetherness in Harmony, Montana, is anything but. And as soon as they discover that they clash more than their choices of paint color—lemon yellow and slaughter red—sparks fly in every shade. Edwina wants to educate women on the ceremonies of society, as preparation for marriage—though she’s resigned to spinsterhood. Tom hasn’t thought much about matrimony one way or the other—his world of big guns and big grizzlies has kept him plenty occupied—until now. Equally fierce-willed, Edwina and Tom square off for a showdown. But they’re both helpless in the face of the powerful attraction that explodes between them, and soon the battle of the sexes rages in a new direction...true love.

Hearts Stef Ann Holm, 2001-05-18 This is romance at its best, said Amanda Quick of Honey, the third book in Stef Ann Holm's Brides for All Seasons series. And readers who enjoy their historical romance liberally spiced with passion and laughter are in for another unforgettable treat. HEARTS Suspended for teaching human sexuality to her students, Truvy Valentine has come to Harmony, Montana, to visit her dear friend, Edwina, and try to forget that she will most likely die a tall, athletic old maid. Although she has diligently studied how to choose the perfect mate, no book could prepare her for her attraction to Jake Brewster, a man whose favorite things in life seem to be beer, boxing, and poker. The proud owner of Bruiser's Gymnasium, Jake has little patience for the proper Miss Valentine -- until he gets a taste of what simmers beneath her prim exterior. Trouble is, Jake's not the marrying kind -- not hardly. Soon Truvy is teaching dance classes at Edwina's school and Jake is making her head spin. But the magic they find in each other's arms could turn to heartache unless they can learn to let go of the past and step into the future -- together.

The Beasts of Paris Stef Penney, 2023-07-04 Enter the world of Haussmann's newly built City of Light: a dazzling, panoramic novel of love and survival set during the Siege of Paris in 1870. A diverse group of memorable characters find themselves in Paris during the build up to the Franco-Prussian War of 1870. Dreamer Anne is half-Haitian, possessed of incredible gifts, but with a past she tries to bury; Lawrence is desperate to spread his wings, develop his talents as a photographer, and escape the restrictions of his Canadian upbringing; Ellis, an American army surgeon, has lived through the

trauma of the American Civil War and will do anything to avoid further violence. We join these characters and others as they live through, and are buffeted by, momentous historical events that will change them forever. The Franco-Prussian War ends in a devastating defeat for the French after the Siege of Paris, in which countless Parisians die of starvation and cold during a bitter winter. This terrible time is quickly followed by yet more horror: the socialist revolution of the Paris Commune that seizes the government, briefly, until it is brutally crushed by the French Army. Against this backdrop our characters meet, struggle, grow, fight their demons, lose their hearts, find love. The reader witnesses the ebb and flow of history as the characters confront a changing world around them. And although set in the nineteenth century, the novel explores questions that are uniquely contemporary: issues of gender, sexuality, inequality, and race.

Portraits Stef Ann Holm, 2015-02-24 From USA TODAY bestselling author Stef Ann Holm, “Portraits is a treasure of love and life that will make you laugh and cry and, above all, feel the true joy in reading a good romance” (Rendezvous magazine). The only woman photographer in Eternity, Colorado, or just about anywhere else, Leah Kirkland longs to be famous. Her dream of studying in a renowned Italian academy precludes traditional courting. But that doesn’t mean she’s averse to romance with a free spirit like herself. Men don’t intimidate her, though nothing prepares Leah for the purely physical attraction she feels for Wyatt Holloway, the stranger in town... Wyatt Holloway had been an outlaw in his youth, and he’d done hard time to pay for it. Now he’s looking for gold he’d stashed in Eternity nearly two decades before. Instead he discovers a treasure he wants more than money—Leah Kirkland. Having known notoriety, Wyatt would be content to lead a quiet life on a ranch with Leah as his wife. But her big-city ideas contradict his plan, especially when she discovers that a bullet from his own gun may have murdered her mother long ago...

The Map Stef Tovar, 2021-10-15 *The MAP: An Actor's Guide to On-Camera Acting* teaches on-camera acting in a practical and technical way—helping new actors understand the rules of on-camera acting as if they are learning a foreign language and applying that language to their acting skill set. The book gives actors a step-by-step technique on how to audition for on-camera acting jobs and what to do on set after booking them. Many on-camera acting books are written by established movie stars and aren't geared toward actors in an undergraduate acting program or those who are just starting to audition for on-camera jobs for the first time. Stef Tovar teaches his proven on-camera acting technique, shows actors how to make the perfect self-tape, and prepares them for life on set—detailing the differences between working in the theater vs. working in television and film. The author peppers

the text with his own stories from set as examples, including auditioning for Lee Daniels and working with Matt Damon, Steven Soderbergh, and many others. The MAP is a funny and encouraging perspective from a seasoned actor who shares with aspiring actors things no one tells you before booking your first on-camera acting job.

Frank Brody never gives a second glance to the starched and stiff type of woman. But when Miss Amelia Marshall arrives in Weeping Angel, Frank's stare puts a flush on her cheeks hotter than the sun wilting her prim apparel. She's come to town to forget a busted romance and make a living the only respectable way she can: by giving piano lessons. Postcolonial Witnessing Stef Craps,2012-11-13 *Postcolonial Witnessing* argues that the suffering engendered by colonialism needs to be acknowledged more fully, on its own terms, in its own terms, and in relation to traumatic First World histories if trauma theory is to have any hope of redeeming its promise of cross-cultural ethical engagement.
