*There Is No Good Card for This* Kelsey Crowe,Emily McDowell,2017-01-17 The creator of the viral hit Empathy Cards teams up with a compassion expert to produce a visually stunning and groundbreaking illustrated guide to help you increase your emotional intelligence and learn how to offer comfort and support when someone you know is in pain. When someone you know is hurting, you want to let her know that you care. But many people don't know what words to use—or are afraid of saying or doing the wrong thing. This thoughtful, instructive guide, from empathy expert Dr. Kelsey Crowe and greeting card maverick Emily McDowell, blends well-researched, actionable advice with the no-nonsense humor and the signature illustration style of McDowell's immensely popular Empathy Cards, to help you feel confident in connecting with anyone experiencing grief, loss, illness, or any other difficult situation. Written in a how-to, relatable, we've-all-been-that-deer-in-the-headlights kind of way, *There Is No Good Card for This* isn't a spiritual treatise on how to make you a better person or a scientific argument about why compassion matters. It is a helpful illustrated guide to effective compassion that takes you, step by step by step, past the paralysis of thinking about someone in a difficult time to actually doing something (or nothing) with good judgment instead of fear. *There Is No Good Card for This* features workbook exercises, sample dialogs, and real-life examples from Dr. Crowe's research, including her popular Empathy Bootcamps that give people tools for building relationships when it really counts. Whether it's a coworker whose mother has died, a neighbor whose husband has been in a car accident, or a friend who is seriously ill, *There Is No Good Card for This* teaches you how to be the best friend you can be to someone in need.

*How You Can Profit from Credit Cards* Curtis E. Arnold,2008-06-06 Who would not be interested in getting an interest-free loan for 12 months for any type of purchase just for taking a few minutes to complete a credit card balance transfer offer? Or a free round-trip airline ticket twice a year just for making purchases on a rebate card? Or lowering their insurance premiums by hundreds of dollars a year just by raising their credit score? Obviously, just about every consumer is interested in saving money and getting freebies! Hence, the universal appeal of this book cannot be overstated. Today, the average American household has 12.7 credit cards. Banks maximize their profits by nickel and dimeing and outsmarting their cardholders: that's why credit cards are their most profitable product. Banks spend billions enticing consumers with rebates, freebies, low-introductory rate offers, and airline miles. Learn how to take full advantage of these offers, without paying for them through brutally high interest rates, fees, and penalties! Arnold offers specific advice targeted to young consumers who are being aggressively targeted by credit card marketers; retirees facing credit discrimination; Americans recovering from bankruptcy or other debt problems; and even consumers with great credit. You'll learn the techniques he has personally used to escape credit card debt, creatively finance his wedding, car, and home purchases, and earn thousands in credit card perks every year.

[The Cards You're Dealt](#) Theresa Reed,2023 A tarot guide not about predicting the future but about dealing with and healing from the tough stuff we all face everyday: loss, illness, challenging relationships. When you're going through a rough time, Tarot can be a source of comfort, catharsis,

healing, and connection to a power greater than yourself. Doing a Tarot reading can help you tune into your instincts and make better choices. It can help you think clearly during those moments when nothing feels simple or clear. And when you realize, I have three options and frankly, all of them are lousy and this whole situation is just really sad, Tarot can help you find acceptance and bear the pain with a little more grace. As a professional reader who's been doing Tarot for clients more than 30 years, Theresa Reed has worked with thousands of people. In person, and on the phone, she's heard people's darkest secrets and deepest sorrows. Some of the most meaningful sessions she's ever done surround topics of illness, caregiving, loss, and grief. Theresa feels it's an honor to help clients find relief and comfort, even just the tiniest amount. We are not always dealt the gentlest cards in life. Sometimes we're dealt a very difficult hand. But even in those times, we can find purpose and hope. With Tarot as a tool, we can make wiser choices and steer things in a more positive direction.

Playing the Cards You're Dealt (Scholastic Gold) Varian Johnson, 2021-10-05 "With a deft hand, Johnson shows us there's no such thing as too young when it comes to questioning big ideas like manhood, or even family." --Jason Reynolds, New York Times bestselling author of *Look Both Ways* and *Stamped Literary* powerhouse and Coretta Scott King Honor- and Boston Globe / Horn Book Honor-winning author of *The Parker Inheritance* Varian Johnson explores themes of toxic masculinity and family legacy in this heartfelt, hopeful story of one boy discovering what it really means to be a man. **SECRETS ARE ALWAYS A GAMBLE** Ten-year-old Anthony Joplin has made it to double digits! Which means he's finally old enough to play in the spades tournament every Joplin Man before him seems to have won. So while Ant's friends are stressing about fifth grade homework and girls, Ant only has one thing on his mind: how he'll measure up to his father's expectations at the card table. Then Ant's best friend gets grounded, and he's forced to find another spades partner. And Shirley, the new girl in his class, isn't exactly who he has in mind. She talks a whole lot of trash -- way more than his old partner. Plus, he's not sure that his father wants him playing with a girl. But she's smart and tough and pretty, and knows every card trick in the book. So Ant decides to join forces with Shirley -- and keep his plans a secret. Only it turns out secrets are another Joplin Man tradition. And his father is hiding one so big it may tear their family apart...

*Wild Card* Ashley Munoz, 2021-07-22 The game has rules for a reason... This was it...I could see it in my editor's eyes. This was the last straw. One more misstep and I was going to lose my coveted internship. I decided right there in my room, lime-flavored tortilla chips in hand, that I would do whatever it took to write the story of the century. And I had my target in sight-the undefeated Devil's baseball team. They were RFU royalty, and completely untouchable. Their parties were impossible to get into unless you were handpicked, and I was not. Even still, I had a solid plan. I would not get caught, definitely not seduced, and absolutely wouldn't die. That is until I was stopped and rendered totally speechless by a pair of mossy eyes. He lured me in, close enough to feel the press of his mouth against my skin and the heat of his hands on my body. Undoubtedly, I was a sheep headed straight for the slaughter, which only proved true when he called my bluff. With him holding all the cards for my future success, and in order to salvage what remained of my dream, I did the only thing I

could. I made a deal with a devil.

**Fair Play** Eve Rodsky, 2021-01-05 AN INSTANT NEW YORK TIMES BESTSELLER • A REESE'S BOOK CLUB PICK Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh\*t I Do List. Tired of being the “shefault” parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family—and then sent that list to her husband, asking for things to change. His response was...underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is Fair Play: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, Fair Play helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. “Winning” this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space—the time to develop the skills and passions that keep you interested and interesting.
