Uber After Midnight Robert Wilson, 2018-03-21 Have you ever thought about what its like to be a Uber driver? After being a driver for almost three years, here are the stories from the road, told by a Uber driver in Cincinnati, Ohio. Follow along as the author takes you with him on some of his most memorable Uber rides. At times funny, intense, and interesting, you will get a driver's perspective on what its like to be a driver for the biggest ridesharing company in the world, Uber.

Spent behind the Wheel Julietta Hua, Kasturi Ray, 2021-12-21 Exploring professional passenger driving and the gig economy through feminist theories of labor Are taxi drivers in today's era of the ride-hail app performing care work akin to domestic and household labor? So argue the authors of Spent behind the Wheel. Bringing together sociological and legal perspectives with feminist theoretical insights, Julietta Hua and Kasturi Ray examine the case study of contemporary professional passenger driving in the United States. On the one hand, they show, the rise of the gig economy has brought new attention to the industry of professional passenger driving. On the other hand, the vulnerabilities that professional drivers experience remain hidden. Drawing on interviews with drivers, labor organizers, and members of licensing commissions, as well as case law and other published resources, Hua and Ray argue that working for ride-hail companies like Uber and Lyft shares similarities with driving for taxi companies in the impact on driver lives. Lyft and Uber sell the idea of industry disruption, but in fact they entrench long-standing modes of extracting the reproductive labor of their drivers for the benefit of consumer lives. Reproductive labor—conventionally understood as feminized labor—is extracted, but masked, behind the masculinized, racialized bodies of drivers. Professional driving is thus best understood alongside domestic and other gendered service work as reproductive labors devalued and often demonetized to benefit the national economy.

Spent behind the Wheel is a must for readers interested in critical studies of technological change and the gig economy, showing how drivers' capacities are drained for the benefit of riders, corporations, and the maintenance of the racial state.

Anthology of an Uber Driver'S Experiences Burton

Hochberg,2016-04-15 After driving for Uber for a short time, I realized that I had the fodder for another book. Unique stories were happening in my car every day. I did not start out with the thought of eventually writing or even publishing a book. All I did was to build files with anecdotal material. I called the files Uberisms. Upon conclusion of the first file, I printed copies of it and distributed it to my riders while continuing to write Uberism: Book2. I repeated the process I started, and upon conclusion of the second chapter, I printed copies of it to distribute to my riders. That became an expensive process. Since these files could be found on Facebook, I just chatted with my riders about Uberisms and told them how to access them on the computer. It was at that point that I gave consideration to publishing a book. At that point, the number of individual Uberisms reached five files, totaling about seventy-five thousand words, and it was time to publish my works, but I needed an all-encompassing title. That was the birth of *Analogy of an Uber Drivers Experiences*.

Wicked F*cked Jay Keefe,2018-12-14 Ever wonder what goes through the mind of your Uber driver as he zips around the city, picking people up here and dropping them off there?Ever wonder what he thinks about you, the Rider?Now's your chance.With humor and heart, Jay Keefe presents his unique insight on human behavior, how dating apps are destroying civilization, and why Bostonians are a breed all their own.So sit back, relax, and buckle up.Wicked F*cked: Tales of a Boston Uber Driver, is going to take you on one hell of a ride.

Uber Diva Charles St. Anthony,2017-09-07 She's sitting on a secret. With thousands Uber and Lyft rides under her belt, Uber Diva offers a birds eye view of what it's really like to work as a

rideshare driver. She also instructs passengers on how to avoid getting spanked with a 1 Star rating. Meet the freaks, learn the equipment, and see how this diva survived when a drunk driver T-Boned her car. Based on true rideshare experiences in the San Francisco Bay Area. Uber Diva includes educational chapters answering these burning questions: What kind of insurance is needed as an Uber driver? What equipment will be necessary before drivers start driving? How is Uber different than driving for Lyft? What's the etiquette for passengers? What about driver and passenger safety? This book expresses the author's personal memories and opinion, and does not necessarily reflect the views of the companies mentioned in the book including Uber, Lyft, Google, Apple or Twitter. This book is not affiliated with the online jewelry retailer Uber Diva.

The Uber Chronicles Behind Closed Doors Clark Gable Williams, 2020-05-10 The Uber Chronicles Behind Closed Doors takes you on a journey of over three years from a perspective of a novice driver in a major metropolitan city. During this escapade, the driver shares his most epic experiences. Some may make you laugh. Some may bring you to tears. Some may reflect on life's most valuable lessons. He gives you examples of the good, the

bad and the ugly. He exposes what really happens behind closed doors. Reading this book will bring you great delight. Critics are saying Amazing, you're a Genius, above all, A good man. Only a few can write like this I love Chronicles, more to come ?!? Once I started reading it I could not put it down

Buzz Ride P. M. White, 2017-08-17 A Darkly Comedic Coming of (Middle) Age Adventure - Why would a financially-comfortable, fifty-something father of two-with a Mercedes-drive Uber late at night on the toughest streets of Chicago? Pat White (pseudonym), a financial advisor and business strategist, decided to go undercover to research how the disruptive technology of ridesharing affects commerce. Soon his business study warped into a study of humanity . . . and himself. This reserved Baby Boomer first had to face his fear of picking up strangers in his own car and driving them to unknown locations. Most were over-privileged, over-served Millennials in route to their next adrenaline rush or wherever they were crashing for the night. Some treated him like he was invisible--making out, arguing, discussing sex and drugs, and lying to lovers on the phone about their whereabouts as if no one else were in the car. Others wished him to partake in their partying or craved his counsel on the most intimate details of their lives. Still others were just looking to pick a fight. Rarer were the tired and the timid: those returning to family after working long hours with hopes of a brighter tomorrow, those fleeing abuse, and those just fleeing a thunderstorm. This summer experiment took White down roads he never imagined he would travel. Soon he found himself embracing danger, longing for the thrill of voyeuristic glimpses into private lives made public, and facing the depths of his shadow personality. Come along for the bumpy ride as this sharp-tongued observer shares the always wild, sometimes dark, often humorous, and surprisingly touching side of Chicago nightlife in the smart-phone generation. Hop into the Back of Patrick's Silver Benz and Buckle Up!

Uber Snaps Andrew R Howey, 2023-04-24 Welcome to Uber Snaps: Adventures of an Uber Driver Dad Embark on a hilarious and endearing journey with Andrew as he drives for Uber in Northern Lake and McHenry County, Illinois. As Andrew navigates the busy streets of Chicago, Illinois, and the nearby suburbs, he experiences a unique turn in his life while also providing for his incredibly intelligent daughter. Since July 2016, Andrew has completed over 20,000 Uber fares, which has given him a solid foundation in people reading and knowing exactly what to say or not to say to various types of passengers. Known for his witty banter, approachable demeanor, and capacity to relate to people from all walks of life, Andrew has earned a reputation for being both humorous and thoughtful. Uber Snaps is replete with touching tales of Andrew's interactions with his customers, -from assisting a rider with a broken bicycle or bonding with the mother of an autistic son or simply cheering up a cranky customer. Allergic to Silence is Andrew's catchphrase, which he lives by in order to interact with each passenger in a meaningful way, no matter the circumstance. You'll be drawn into Andrew's world of driving, talking, and helping people as he shares his experiences and anecdotes, and you'll learn about the connections that can be made between people while in a moving vehicle. Uber Snaps will enthrall and motivate readers thanks to the positive reviews he has received from passengers who appreciate his humor, kindness, and patience. Join Andrew on this captivating journey as a father driving for Uber and learn about the magic of human connection in unexpected settings. The endearing and humorous story Uber Snaps will leave you with a renewed understanding of the value of conversation and the joy of forming deep connections with others.

Humanistic View of Driving for Uber: the Stories of Ten Different Days and Nights Out Driving for Uber Tyler

Rubalcava, 2021-07-08 You've read outrageous Uber headlines where some drivers are harmed by passengers. You also hear about how much money an Uber driver can make in a short time. It all left us curious and really wondering what was real and what was overblown. What it would be like to drive for Uber? Have you ever been curious as to what kind of people use Uber? Where they are going? What do they talk about during the ride? How do they behave, or misbehave? This is the book to read! This book, the first in a series, answers those questions and more ... in the form of storytelling. Driving for Uber since early 2016, the author chronicles her experiences with each - and every - passenger, from the conversations with interesting people with fascinating stories to the incredibly everyday, ho-hum-ness of people who just need a ride from one place to another. Ten different days and nights out driving for Uber. Fifty-six passengers. Fifty-six stories. So, come along for the ride. Join in. Listen in. And experience what Uber is like from the front seat of the car.

Rideshare Revelations from an la Uber Driver, the Highlights, the Lowlights and the Darkness Mark Alan Nisall, 2020-11-18 What really happens inside an Uber? Rideshare passengers can be fun, interesting and wildly entertaining. But some individuals are strange, deeply troubled or bizarre at times. So fasten your seatbelts and get ready for some crazy rides around Southern California. Imagine your riding inside the Uber as you navigate through the diverse neighborhoods of Los Angeles and nearby cities. You can expect the unexpected because you never know what might happen when strangers get inside your vehicle. Forget what you previously thought about rideshare work and prepare to be shocked and surprised as you drive off into the unknown. Mark Nisall is a retired public safety veteran who completed 6,056 trips while driving 61,200 miles by working part time over three years. With 29 years of combined experience in

law enforcement and judicial administration, he is uniquely well qualified to authentically narrate his most memorable rideshare adventures. These wide ranging situations are portrayed in clear and vivid detail so readers can vicariously experience them as if they were actually there.

Pass It Along: 150 Page Guided Journal for Uber and Lyft Passengers Sophia Louise, 2018-10-04 As a Ride Share Driver you have thought of everything except this! Give your passengers something fun to do with this 100 question guided journal. Each passenger can have the opportunity to complete one page - and you as their Uber driver or Lyft driver will have a fun momento to look back on.

Confessions of an Uber Driver Douglas Edwin Casimiri, 2017-04-11 From the driver's seat comes a look at the true operating procedures, values, and mission of Uber. Author Douglas Casimiri spent one year undercover as an Uber driver and has emerged with new insight into the company and a series of wild stories about colorful passengers and startling situations. Casimiri outlines the business plan and processes of Uber. He includes information on the discrepancy between what Uber claims drivers make and what they actually earn, the story behind the founding and the funding of the company, the standards Uber keeps to protect both drivers and passengers, the reasons Uber is winning its competition against traditional taxi companies, the concept of surge pricing, the opposition Uber faces from the government and taxi unions, and the future of Uber and its drivers. While Casimiri was driving for Uber, his coworkers confided in him about a variety of shocking, dangerous, and sometimes humorous experiences. In one case, a very confused passenger forgets where she is and believes she's being kidnapped. In another, a driver can't believe it when his passenger ends up being a famous actor. Casimiri's anecdotes show that there is never a dull moment in the life of an Uber driver!

books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Ubewkpvv has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access

information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Ubewkpvv. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers

access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Ubewkpvv. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of

content. When downloading Ubewkpvv, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Ubewkpvv has transformed the way we access information. With the convenience,

cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
