Compton Street Legend Duane 'Keffe D' Davis,Yusuf Jah,2019-05-05 The infamous Suge Knight, former Death Row Records CEO, and Keffe D are the only living eyewitnesses to the deadly confrontation on the Las Vegas strip between the occupants of our two vehicles. A violent confrontation that led to the deaths of two of Hip-Hop's biggest stars (Tupac Shakur & Christopher 'Notorious B.I.G.' Wallace) and changed Hip-Hop history forever. There's a strict code on the streets. One that real street players live, kill, and die by. Compton Street Legend reveals the street-level code violations and the explosive consequences when the powerful worlds of the streets, entertainment, and corrupt law enforcement collide. More than twenty years after the premature deaths of Tupac and Biggie there have been numerous TV specials, documentaries, books, magazine and newspaper, and social media dedicated to the subject. But at the end of the day, none of the private investigators, retired police officers, informants, Hip-Hop heads, actors, or academics that have weighed in on the topic truly know what happened and the reasons behind it, because none of them were there. Duane 'Keffe D' Davis, a native of Compton, California, admittedly lived most of his life as a gangster; a real gangster that did the shit that real gangsters do. He rose up the gang-banging ranks to become a shot-caller for the notorious Southside Compton Crips, while running a multi-million dollar, multi-state drug empire. Keffe D has been a central figure in both the Tupac Shakur and Biggie murders for the past 20 years. COMPTON STREET LEGEND will add valuable information about two of the biggest unsolved crimes in American history. It will serve as the missing piece of the puzzle that Hip-Hop Fans have been waiting for. On the surface, COMPTON STREET LEGEND will look like a story based on violence and hate, it is actually a story about Love, Family, Brotherhood, Loyalty, Trust, and Honor. It's time to set the story straight. Fasten your seatbelts.

Death by Eggplant Susan Heyboer O'Keefe,2010-01-05 It was last-period math, with summer vacation close enough to touch. My daydream was just getting to the part where the cute cooking groupies show me around Stockholm after the Nobel Prize awards dinner. Then Mrs. Menendez 's voice went up a notch, and the groupies vanished. Algebra could scare anyone away. All Bertie wants to do is become a Certified Master Chef, host his own prime-time cooking show, own a four-star restaurant, and write a best-selling cookbook. But first, he has to pass eighth grade! Bertie Hooks has to keep his dream of becoming a world-class chef - how nerdy is that? - a secret, especially from Nick Dekker, his mortal enemy. You'll laugh, you'll cry, you'll beg for cupcakes, as this hilarious journey to self-confidence takes a few detours along the way.

Baby Come Back Molly O'Keefe,2018 Sometimes a person has to bury the person they are to become the person they have to be in order to survive the circumstances of their life. For Abby it was health issues and codependency with her twin. For Jack it was atoning for the sins of his father, and having to drop out of college and become a thug in order to save his brother's life as well as his. Now as adults their lives will forever be intertwined. Their relationship not only leads to unprotected sex but a baby.--Amazon review.

Bad Neighbor Molly O'Keefe,2018-07-06 He's sexy. He's dangerous. He's right next door. I gave up everything to save my sister from a monster, and now I'm lying low in this rundown apartment so I can stay out of danger. Hiding from everyone. Except for the guy in apartment 1A. He's rude. Silent. Muscled, mysterious, and hot as hell. I don't know if he likes me or hates me, but the more time I spend with him, the less it matters. I want him. And for the first time in my life I'm going to go after what I want. She doesn't belong in my world. From the second 1B moves in, I know she's keeping secrets. She doesn't belong here, much less with a street fighter like me. But that doesn't stop me from craving her. Her softness and sweetness. She's a drug, and suddenly I'm addicted.
