The Best Peace Fiction Robert Olen Butler, Phong

Nguyen, 2021-09-15 In the first anthology of its kind, Robert Olen Butler and Phong Nguyen assemble an astounding collection of stories that cause readers to contemplate war, peace, and social justice in a new light. The fourteen stories featured in this volume explore the varied and often unexpected outcomes of violence. The authors explore the tragedies that occur closer to home—not on military battlefields but rather in places that are never meant to be battlefields, like schools and churches. The fiction reveals the violence that renders our most sacred and seemingly safest of places vulnerable. Not a utopian project, this book asks whether literature has a role in furthering the ongoing pursuit of peace and justice for all. While exploring tragedy, these stories also offer hope for healing, illuminating how people can move forward from the moments when their lives change and how they can regain and reshape safe spaces to find solace.

Time for Bed Wendy Rawlings, 2019-08-21 Bed is where we sleep and dream, where we make love and give ourselves nightmares. The thirteen stories in Wendy Rawlings's *Time for Bed* traverse the complicated terrain of bedtime activity, from adulterous couplings to nightmares that come to life, in terms that can feel lurid, unsettling, or disturbingly funny. A college student struggles with her mother leaving her father for a "cafeteria lady" at her high school. A woman loses her only daughter in a mass school shooting and goes on a road trip to buy a custom coffin, then decides to take a side trip to NRA headquarters. A daughter decides she should be born again—literally. Social, cultural, and familial disruptions haunt these characters in their waking lives as they look to grab something or someone for stability. A collection of comic stories that confront difficult and tragic events, *Time for Bed* crafts dreamscapes and bizarre encounters into bedtime stories for adults.

It's Apollo's Special Day Running Press,2013 Cowbella learns that having all the birthday attention isn't what is important, it's about celebrating with everyone she loves.

Jayber Crow Wendell Berry,2001-08-30 “This is a book about Heaven,” says Jayber Crow, “but I must say too that . . . I have wondered sometimes if it would not finally turn out to be a book about Hell.” It is 1932 and he has returned to his native Port William to become the town's barber. Orphaned at age ten, Jayber Crow's acquaintance with loneliness and want have made him a patient observer of the human animal, in both its goodness and frailty. He began his search as a “pre-ministerial student” at Pigeonville College. There, freedom met with new burdens and a young man needed more than a mirror to find himself. But the beginning of that finding was a short conversation with “Old Grit,” his profound professor of New Testament Greek. “You have been given questions to which you cannot be given answers. You will have to live them out—perhaps a little at a time.” “And how long is that going to take?” “I don't know. As long as you live, perhaps.” “That could be a long time.” “I will tell you a further mystery,” he said. “It may take longer.” Wendell Berry's clear-sighted depiction of humanity's gifts—love and loss, joy and despair—is seen though his intimate knowledge of the Port William Membership.

Song for a Scarlet Runner Julie Hunt,2013-04-01 The fantastic story of a young girl who must run for her life because she has brought bad luck to her village... classic adventure-fantasy by an author with a fabulous and original storytelling voice.

Super Sub, but then becomes worried that Santa won't bring it. The Back Chamber Donald Hall, 2011-09-13 The former US poet laureate has crafted poems full of “unexpected insights, charms, droll observations, self-mockery, and well-earned wisdom” (Rain Taxi). In *The Back Chamber*, Donald Hall illuminates the evocative, iconic objects of deep memory—a cowbell, a white stone perfectly round, a three-legged milking stool—that serve to foreground the rich meditations on time and mortality that run through this remarkable collection. While Hall’s devoted readers will recognize many of his long-standing preoccupations—baseball, the family farm, love, sex, and friendship—what will strike them as new is the fierce, pitiless poignancy he reveals as his own life’s end comes into view. *The Back Chamber* is far from being death-haunted, but rather is lively, irreverent, erotic, hilarious, ironic, and sly—full of the life-affirming energy that has made Donald Hall one of America’s most popular and enduring poets. “For the reader boiling in triple-digit SoCal heat at the end of the summer, Donald Hall’s *The Back Chamber: Poems* arrives like a sudden cloudburst and shower of cooling rain . . . A former U.S. poet laureate, Hall has always had this elemental power—to vividly evoke his particular New England climate and geography so that it can’t be mistaken for any other—but what is more unexpected in this new collection of poems, his 16th, is passion.” —Los Angeles Times “The former U.S. poet laureate reaches his 20th book in unmistakably honest form, aggressively plain and unfailingly open about sex, old age, suicide, recovery, the friendship of poets, the business of poetry, dogs, New Hampshire, and baseball.” —Publishers Weekly
