Liz Darhansoff, Tony D'Souza

*Whiteman* Liz Darhansoff, Tony D'Souza, 2007-04-09 In this "powerful debut novel," an American relief worker falls in love with the Ivory Coast as the country descends into civil war (St. Louis Post-Dispatch). In an Ivory Coast village where Christians and Muslims are squaring off for war, against a backdrop of bloody conflict and vibrant African life, Jack Diaz—an American relief worker—and Mamadou, his village guardian, learn that hate knows no color and that true heroism waits where we least expect it. During lulls in the violence, Jack learns the cycles of Africa—of hunting in the rain forest, cultivating the yam, and navigating the nuances of the language; of witchcraft, storytelling, and chivalry. Despite the omnipresence of AIDS, he courts a stunning Peul girl, meets his neighbor's wife in the darkened forest, and desperately pursues the village flirt. Still, Jack spends many nights alone in his hut, longing for love in a place where his skin color excludes him. Brimming with dangerous passions and the pressures of life in a time of war, *Whiteman* is a stunning debut and a tale of desire, isolation, humor, action, and fear.

**The Whiteman Scenario** Steve McCurdy, 2011-05-01 On the eve of the Nixon resignation, the Soviet Union takes an action that elevates the Strategic Air Command and the North American Air Defense Command to just short of full combat alert status. Under normal circumstances, there would be a direct escalation of responses on both sides that could take us to the brink of nuclear launch. On this evening, though, there is an uncharacteristic hesitation on the part of normally hawkish US leadership. Through riveting narrative the story shows that the hesitation was a reluctance to break an iron clad do not disturb order from the President. A reluctance based in the fear that the event MUST have a rational explanation - an explanation that will vanish in a conflagration of nuclear exchanges if Nixon, in his depressed and panicked state, interprets the event as an attack (and a way out of the Watergate debacle.) The actions of an observant off-duty missile launch officer cause the Joint Chiefs and SAC commanders to back down from an immanent launch. The story is based on a real event and documented evidence that during the Yom Kippur war it was Kissinger, and not Nixon, who handled elevation in DefCon and preparedness. Nixon, it is reported, told Kissinger to handle it. Im dying. Theyre trying to kill me. This was in reference to the Watergate press feeding frenzy that had pushed Nixon to the point of emotional collapse. The Secret Service agent on duty was ordered to lock the door from Nixons Camp David office to the swimming pool for fear he might try to drown himself. The story compresses a series of many such actual events into the evening before the resignation.

**Whiteman Air Force Base** Lt. Col. George A. Larson, USAF (Ret.) , 2018 *Whiteman Air Force Base* is located two miles south of Knob Noster. The base was activated following the Japanese attack on Pearl Harbor, becoming Sedalia Army Air Field in November 1942 to train glider pilots and paratroopers. In August 1951, the base was assigned to the Strategic Air Command, with the 340th Bombardment Wing flying the Boeing B-47 Stratojet bomber and KC-97 tanker. The base was renamed in honor of 2nd Lt. George Whiteman, US Army Air Corps, who was killed in his P-40 by a Japanese Zero during the attack on Pearl Harbor. In June 1961, the Department of Defense chose Whiteman to host the nation's fourth Minuteman ICBM wing, with 150 missiles. Before completion of the missile field contraction, SAC activated the 351st Strategic Missile Wing on February 1, 1963. The missile wing made history when it fielded the first female missile crew. In 1990, the base became part of history with the activation of the 509th Bomb Wing flying the Northrop B-2 Stealth Spirit bomber. Throughout its continuous military presence, since 1942, the base has always been at the forefront of national defense, especially now with the B-2 able to strike any target in the world at any time.

Rayno paints a stunning portrait of Whiteman's considerable accomplishments and far-reaching influence.

Louis Armstrong and Paul Whiteman Joshua Berrett, 2008-10-01 In *Louis Armstrong and Paul Whiteman* the jazz scholar Joshua Berrett offers a provocative revision of the history of early jazz by focusing on two of its most notable practitioners—Whiteman, legendary in his day, and Armstrong, a legend ever since. Paul Whiteman's fame was unmatched throughout the twenties. Bix Beiderbecke, Bing Crosby, and Jimmy and Tommy Dorsey honed their craft on his bandstand. Celebrated as the "King of Jazz" in 1930 in a Universal Studios feature film, Whiteman's imperium has declined considerably since. The legend of Louis Armstrong, in contrast, grows ever more lustrous: for decades it has been Armstrong, not Whiteman, who has worn the king's crown. This dual biography explores these diverging legacies in the context of race, commerce, and the history of early jazz. Early jazz, Berrett argues, was not a story of black innovators and white usurpers. In this book, a much richer, more complicated story emerges—a story of cross-influences, sidemen, sundry movers and shakers who were all part of a collective experience that transcended the category of race. In the world of early jazz, Berrett contends, kingdoms had no borders.

Crossing Cultures with the Gospel Darrell L. Whiteman, 2024-02-27 Southwestern Journal of Theology 2023 Book Award (Honorable Mention, Evangelism/Missions/Global Church) Drawing on forty years of teaching and mission experience, leading missiological anthropologist Darrell Whiteman brings a wealth of insight to bear on cross-cultural ministry. After explaining the nature and function of culture and the importance of understanding culture for ministry, Whiteman addresses the most common challenges of ministering across cultures. He then provides practical solutions based on lived experience, helping readers develop healthy patterns so they can communicate the gospel effectively. Issues addressed include negotiating differences in worldview, the problem of nonverbal communication, understanding cultural forms and their meanings, and the challenge of overcoming culture shock. Professors, students, and anyone ministering cross-culturally will benefit from this informed yet accessible guide. Foreword by Miriam Adeney.

**The Invisible World Is in Decline Book IX** Bruce Whiteman, 2022-04-12 The stunning conclusion to a 40-year poetic project In the tradition of earlier modernist long poems like Ezra Pound's *Cantos* and bp Nichol's *The Martyrology*, *The Invisible World Is in Decline: Book IX* is full of startling poetic music and imagery while addressing concerns to which every reader will respond: the life of the heart as well as life during COVID-19, love as well as death, philosophy as well as emotion. The poems are deeply responsive to what an epigraph from Virgil calls "vows and prayers," i.e., those things that we desire and promise. Like previous books of Whiteman's long poem, Book IX is largely in the form of the prose poem. But the book also contains a moving series of translations in traditional form of texts taken from songs by composers like Schubert and Beethoven, songs that are

by turns tragic, meditative, lyrical, and touching. The concluding section focuses on an obsession that poets have had for 2,500 years: inspiration, in the form of the nine Muses. At the heart of this book is what Whiteman calls "the bright articulate world," something visionary but accessible to every thoughtful reader.

**Places of Memory** Alan Peshkin, 2013-11-26 While visiting New Mexico, the author was struck with the opportunity the state presents to explore the school-community relationship in rural, religious, and multiethnic sociocultural settings. In New Mexico, the school-community relationship can be learned within four major culture groups -- Indian, Spanish-American, Mexican, and Anglo. Together, studies of these culture groups form a portrait of schooling in New Mexico, further documenting the range of ways that host communities in our educationally decentralized society use the prerogatives of local control to create schools that fit local cultural inclinations. The first of four planned volumes, this book studies the Pueblo Indians and Indian High School. The school is a nonpublic, state-accredited, off-reservation boarding school for more than 400 Indian students. A large majority of the students are from Pueblo tribes, while others are from Navajo and Apache tribes. As a state-accredited school, it subscribes to curricular, safety, and other requirements of New Mexico. As a nonpublic school devoted to Indian students, it has the prerogative to be as distinctive as the ethnic group it serves. **USE SHORT BLURB COPY FOR CATALOGS:** This ethnography of the Pueblo Indians and Indian High School explores some of the ways that host communities in our decentralized society use the prerogatives of local control to create schools that fit local cultural inclinations.

**The Invisible Muslim** Medina Tenour Whiteman, 2020-07-01 Medina Tenour Whiteman stands at the margins of whiteness and Islam. An Anglo-American born to Sufi converts, she feels perennially out of place--not fully at home in Western or Muslim cultures. In this searingly honest memoir, Whiteman contemplates what it means to be an invisible Muslim, examining the pernicious effects of white Muslim privilege and exploring what Muslim identity can mean the world over--in lands of religious diversity and cultural insularity, from Andalusia, Bosnia and Turkey to Zanzibar, India and Iran. Through her travels, she unearths experiences familiar to both Western Muslims and anyone of mixed heritage: a life-long search for belonging and the joys and crises of inhabiting more than one identity.
