The Evil Clown Alphabet Scott Hot, 2016-06-01 An illustrated book for adults with a demented sense of humor. An alphabetical treatise on the inherent badness of evil clowns. The book features 26 clowns, one for each letter of the alphabet, engaged in various acts of creepiness and horrible behavior. The illustrations are full page in a highly textured shaky hand drawn style that is sure to imprint this strange cartoon world of evil clowns directly into the nightmare center of your head.

Horrorcore Frederick Lewis Blackwell II, 2016-01-21 Horrorcore by Frederick Lewis Blackwell II Based on major influences such as: The Insane Clown Posse, Esham, TECH N9NE, and Twiztid, Horrorcore is a collection of poetry for Juggalos, old school and new school alike. The wicked style and themes pop of the page and into readers' minds, making them feel like a certified Juggalo.

Clowns of Terror Anthony Giangregorio, 2014-02 Clowns. They're supposed to be happy, full of laughter and fun, but there's a dark underside to these masked harlequins, one hidden under all that makeup and colorful hair. Who hasn't stared at a clown and become frightened, a chill running down your backside when that clown turned his cold gaze on you? Who hasn't felt a flutter of fear when that painted

face grinned over at you, the smile seeming to be hiding something evil? Clowns have been around for ages, and though supposedly filled with cheer, there is something sinister behind all that pomp and fluff. A fear of clowns is ingrained in all of us, some more than others, and in this anthology, that fear has been extrapolated on like a cut torn open to expose the bleeding wound within. So get ready for stories that show the clown in a new light, one where the painted mask of happiness has been wiped away, leaving only terror behind.

The Guild of Fallen Clowns Francis Xavier, Christine Leporte, Dafeenah Jameel, 2011-08-18 The Haunted Labyrinth of Mirrors was just your average walk-through carnival attraction to most of its visitors. However, for Alan, lurking behind the surface of the mirrored walls was the home of Peepers, the ghoulishly creepy clown spirit and leader of the Guild of Fallen Clowns. In the darkness behind the thin reflective coating, deception tugs at his immortal soul as Peepers preys on Alan's desire to rid his life of fear and cowardice. Skeptical of his decision to aid Peepers and the Guild by giving them a second chance to earn the light on the living side of the mirrors, Alan struggles to find direction and the strength needed to conquer his demons. Can he unwind the handle and put Jack back in the box? Or will the influence of Peepers pull his weakened spirit through the reflections and into the realm of the damned? If you enjoy: Suspense-filled horror stories of the paranormal kind, Peering deep into the darkness of the human psyche, Hidden turmoil behind the masks of creepy clown spirits, Laugh out loud one-liners and visual images that can only come from an awkward courtship between loners in a setting filled with clowns and carnies... Then step right up and buy your ticket for this bumpy thrill ride into the minds of Alan, Boogy, Cracky,

The Ringmaster, Spanky, Mary, Peepers, and many more in this cast of unusual characters, unpredictable directions and jaw-dropping twists and turns. Keep your eyes open because it's about to get freaky!

The Many Lives of Scary Clowns Ron Riecki, 2022-05-16 The frightening yet comic clown is one of the best and most enduring characters in literature, theater, television, and film. Across the centuries, from Shakespeare's Porter in *Macbeth* to Edgar Allan Poe's Hop-Frog, or Stephen King's Pennywise, horror and comedy have blended to create the perfect recipe for entertainment. This volume gives an in-depth analysis of the clown horror genre, including essays by revered horror scholars such as Kevin Wetmore, Dale Bailey, Kim Hester Williams, Jennifer K. Cox, and Joanna Parypinski. Their essays cover topics such as nostalgia, race, class, and new portrayals of the scary clown as zombies or phantoms. It also offers interviews with actors and directors working in the clown horror genre: Eoghan McQuinn (*Stitches*), Kevin Kangas (*Fear of Clowns*), and Jaysen Buterin (*Kill Giggles*). Some of fiction's most terrifying creations--like the Killer Klowns, Captain Spaulding, Art the Clown, Krusty, Frowny, the Joker, and Twisty--jig through these pages of analysis and deconstruction, asking what these many iterations of scary clowns have to say about our society and its fears.

Party at the Mausoleum and Other Poems Related to the Juggalo Culture Frederick Blackwell, 2022-08-01 A Juggalo DJ with a gang of Juggalos chanting I-C-P, I-C-P and Family and Whoop, whoop!

The Clowns Tim McBain, L. T. Vargus, 2016-10-26 They lurk in the woods. The biggest threat the city has ever faced - clowns. Evil clowns, armed and angry and hungry for human flesh. Yep. Creepy clowns

beckon people into the woods and stab them a bunch of times. Like so many times. It's the age old battle of man vs. clown, and with the local police oblivious to the growing clown problem, Phillip Burkholder may be mankind's only hope. He is 15. He is flunking geometry. And possibly social studies. He has little to no clown slaying experience. Crap. We could be looking at a clown-pocalypse scenario. Not good. You know, we could go on and on about it, but it's homicidal clowns. You either want to read something like that or you don't. Warning: May contain graphic violence and a lot of clowns.

Clowns & Horror (2019) Steve Hutchison, 2023-03-03 Clowns are performers fond of physical comedy. Some are funny, some are scary. Some love children, some hate them. They are a major archetype of horror movies. In this book, film critic Steve Hutchison reviews and ranks 50 of the best horror movies featuring clowns ever released. How many have you seen?

Wicked Shit Boombox Frederick Blackwell, 2019-04-25 Wicked Shit Boombox and Other Poems Related to the Underground and Mainstream Entertainment is a second poetry book by Frederick Blackwell. The poetical pieces of collective works are based on influences of Underground Rap and Heavy Metal, as well as Mainstream Entertainment Media. Based on influences such as Insane Clown Posse, Twiztid, Esham, and the Juggalo World; as well as former music video networks like The Cool TV and The Box Network. Wicked Shit Boombox is a poetic masterpiece to make your ears and eyes bleed.

one of several (count em!) stories in this special. As THE WICKED + THE DIVINE prepares for its final arc, we invite a bunch of friends over, pass out the fizzy pop and sherbet and have a lovely time. Join us!

20 Years of Laughter Clowns of America International, 2006

Clownz P Mattern, 2021-10-12 Clowns had terrified Davy all of his life. Would he ever get to return the favor? The most frightening thing about these painted beasts is that they always get the LAST LAUGH! What are you afraid of? Davy Burn's fear of clowns began so early in his life that he never remembered the first incident, but it didn't matter because it was a story his parents told him, or anyone else that would listen, over and over again. Like most parents (who seem to find perverse humor in being an accessory in traumatizing their children for life), they always told it as a humorous anecdote. Davy was 15 months old when he was gifted with a talking clown, one made of plastic with a pull string located in the back of its skull, partially hidden by the ruffles around its cheap plastic neck. When, as an adult, he questioned his parents on who the gifter had been, neither were able to remember. As the story went, Davy, barely a toddler, adopted a horrified expression before bursting into tears as soon as his father pulled the string and handed the doll to him, and Davy immediately threw it with amazing strength into the nearest wall. The impact caused a large permanent crack to appear across the clown's insolently cheery face. After that he refused to have anything to do with it. The punchline of the story was that after that the only phrase the toy clown was able to repeat when the string was pulled was part of one of the original 11 phrases it had originally been programmed to say. The original phrase had been, I bet you're dying to go see the elephants and eat popcorn at the circus kid! But after Davy cracked it, all it would say was, You're

dying (*crackling noise*) kid! His parents joked that the clown had gotten to have the final word, threatening Davy for breaking it. They couldn't have known how right they were.

The Creeping Clown Jessica Gunderson,2018-08 Josh is terrified of clowns, and the news that someone dressed as a clown in a neighboring town has been kidnapping children does not help, especially after the kidnapper escapes custody; so when he encounters a threatening clown at the House of Horrors at the amusement park he panics--but will he be able to save himself, much less rescue a little girl who is lost in the hall of mirrors?

House of the Screaming Clowns Andrea D'Allasandra,2006-03 It's midnight and a freezing rain falls on the Old Saunders House. The site of three gruesome massacres, the rambling dark mansion is now a mental hospital for some of the most violent patients in America. But something horrifying stalks the corridors at night terrifying both inmates and staff. It's a hideous looking clown who wants all the patients to resemble him. Before he finishes his diabolical torture, the patients have become living nightmares!

The Man who Loved Clowns June Rae Wood,1995 Thirteen-year-old Delrita, whose unhappy life has caused her to hide from the world, loves her uncle Punky but sometimes feels ashamed of his behavior because he has Down syndrome.

The Haunted Circus Susan Day,2015-04-01 Dog-napped by wicked clowns, Astro and the gang become entangled in the goings on of a twisted, evil HAUNTED circus. They are thrown about by trapeze artists; used as target practise by the knife throwing Ringmaster; made to do somersaults through the Burning Ring of Flames and; nearly end up being eaten by a lion. But does this deter our intrepid heroes?Well ...

just a little bit. But don't worry, reader! These are not the sort of dogs that let a few burnt hairs get in their way. These types of challenges only strengthen their determination to rescue the circus animals and save themselves. But what of the ghost clowns and the haunted circus? And the evil genius, Speed Bump Charlie and his hairy sidekick, Furball? What part do they play in this horrid tale? The answers to these questions are hidden within the pages of this book... Read on if you dare...
