American Wino Dan Dunn, 2016-04-05 A professional booze writer whose life spins out of control tries to piece it back together by embarking upon an epic wine-fueled adventure that takes him to every corner of the U.S. Part vision quest, part guidebook, part journey into the bizarre tapestry of American life, it will make you laugh, make you cry and teach you a whole lot about wine. Former Playboy magazine nightlife columnist Dan Dunn has made a career out of drinking. Yet this man's man—a connoisseur of beer and whiskey—knew next to nothing about one of the major drinks enjoyed the world over: wine. When a fateful tasting experience coincided with a serious existential crisis, Dunn decided to hit the road on a journey of discovery. To quench his thirst for knowledge (and be able to throw down with the experts), he would educate himself about the industry glass by glass, from winery to winery, in nearly every region in the United States. His bold 15,000-mile road trip took Dunn from Sonoma, California, to Pawley's Island, South Carolina, where he twirled, sniffed, and sipped glass after glass of a vast array of wines with vintners, savants, and celebrities, including Kurt Russell and "The Most Interesting Man in the World," Jonathan Goldsmith. Dunn's mission was to transform himself from a heartbroken schlub who barely knew the difference between Merlot and Meritage, into a confident connoisseur capable of wowing others simply by swirling some fermented grape juice around in his mouth and pronouncing it "troubling, yet brilliant." In *American Wino*, Dunn shares it all—the good, the bad, the sublime. As his wine knowledge grows and becomes more complex, he shares it with the reader in the form of digestible, actionable nuggets in each chapter. It's like a wine-tasting course at your local community college extension program, only with more sex and less crushing despair. An intoxicating blend of travel writing, memoir, and booze journalism that pairs earthy humor with fine wine for hilarious and enlightening results, it is the story of one man's journey to find himself—and everyman's journey to better understand the true spirit of this divine elixir.

So You Want to Be a Wino? Robert J. Tata, 2008-11-11 This book is a collection of essays on winery topics. It explains some of the basics about grapes and the wine making process. Then the focus changes to the glories of such famous wines as zinfandel, clarets, chardonnays, and pinot noirs. Then we explore the regions such as Napa Valley, Bordeaux, Beaujolais, and Chianti to find great drinking wines. Learn a bit; laugh a bit; and surely you will enjoy your first sip!

The Wino Must Die Walter Dunn Jr, 2020-03-28 WINO is the story of Nick Vescey, a precocious black boy, with an obsession to change the financial trajectory of his future upon seeing the first generations of African Americans reap the benefits from the Civil Rights Act of 1964. When he begins a career on Wall St. in 1975, no one could calculate the enormous resistance to social change. Neither did they anticipate the tremendous moral and social consequences to African Americans desperately seeking the American dream. Nick's story spans from abject poverty, to Wall St., and then back to poverty, with passionate romantic stops in between. Nick is also responsible for three unsolved NYC homicides over a span of thirty years. Sal is a former seventh grade math teacher who has offered to help Nick get his life on

track. But with each new detail about Nick's life Sal is not sure if he has not bitten off more than he can chew and eventually becomes concerned for his own liability by listening to Nick's confessions. Sal convinces Nick to finally turn himself in if he is to have any hope of a normal life. But he may also have to spend it in prison.

Wine. All the Time. Marissa A. Ross,2017-06-27 "Can I just be Marissa, please? I want to be hilarious and sexy and smart and insanely knowledgeable about wine." –Mindy Kaling A fresh, fun, and unpretentious guide to wine from Marissa A. Ross, official wine columnist for Bon Appétit. Does the thought of having to buy wine for a dinner party stress you out? Is your go-to strategy to pick the bottle with the coolest label? Are you tired of choosing pairings based on your wallet, instead of your palate? Fear not! Bon Appétit wine columnist and *Wine. All The Time.* blogger Marissa A. Ross is here to help. In this utterly accessible yet comprehensive guide to wine, Ross will walk you through the ins and outs of wine culture. Told in her signature comedic voice, with personal anecdotes woven in among its lessons, *Wine. All the Time.* will teach you to sip confidently, and make you laugh as you're doing it. In *Wine. All The Time.*, you'll learn how to: • Describe what you're drinking, and recognize your preferences • Find the best bottle for you budget and occasion • Read and understand what's written on a wine label • Make the perfect pairings between what you're drinking and what you're eating • Throw the best damn dinner party your guests will ever attend • And much more

The Wino Must Die Walter Dunn,2016-04-20 Sal never saw this coming when he

offered assistance to Nick. The mysterious frustrated stranger he met in the school gym of his church. Nick is a down and out alcoholic trying to save his life through AA. He has been told to write the story of his confusing life to guarantee permanent sobriety. Sal is a teacher, and innocently offers grammatical assistance. Nick swears Sal to secrecy before he can read what he has written. Sal is horrified as he discovers the things Nick has done. Is Nick simply an alcoholic? A misguided activist? Or a ruthless serial killer that has gotten away with murder? Now his confessions hold Sal captive. If he discloses anything he has read to police, Nick will surely get away with murder.

A Sense of Place Steven Kolpan, 1999 Gustave Niebaum's Inglenook Estate, started in 1879, was one of the Napa Valley's first established vineyards and the birthplace of its premium wine industry. Generations after Niebaum's death, the vineyard was sold to Heublein, the wine and spirits monolith, who broke up the land and changed the Inglenook brand from a premium, connoisseur wine to a mass-market jug wine..

Riesling Rediscovered John Winthrop Haeger, 2016-03-08 What makes the book so encompassing, informative, and relevant is that Haeger has avoided focusing on viticulture or enology or economy in isolation, and has instead looked at all of them in their historic and contemporary scientific and socio-cultural context. . . . Not everyone loves Riesling, but those of us who do will find our passion articulately explained and expressed in Haeger's book.—Anne Krebiehl, MW, *The World of Fine Wine* If you haven't been sold on dry riesling, this is required reading; if you're already a fan, it's an essential reference to add to your shelf.—*Wine & Spirits* Riesling is the world's seventh most-planted white wine grape variety and among the fastest growing over the past twenty years. It is a personal favorite of many sommeliers, chefs, and other food and wine professionals for its appealing aromatics, finesse, and minerality; for its uncanny ability to reflect terroir; and for its impressive versatility with cuisines of all types. It is stylistically paradoxical, however. Now usually made dry in most of Europe and Australia, and assumed dry by most German consumers, Riesling is made mostly sweet or lightly sweet in North America and is believed sweet in the American marketplace irrespective of origin. Riesling is thus consequently—but mistakenly—shunned by the mainstream of American wine drinkers, whose tastes and habits have been overwhelmingly dry for two generations. *Riesling Rediscovered* looks at the present state of dry Riesling across the Northern Hemisphere: where it is grown and made, what models and objectives vintners have in mind, and what parameters of grape growing and winemaking are essential when the goal is a delicious dry wine. John Winthrop Haeger explores the history of Riesling to illuminate how this variety emerged from a crowded field of grape varieties grown widely across northern Europe. *Riesling Rediscovered* is a comprehensive, current, and accessible overview of what many consider to be the world's finest and most versatile white wine.

Ékleipsis: the Abyss Tamel Wino, 2021-10-29 The seed of evil has been planted ... What will happen when its roots take hold? *Ékleipsis: The Abyss* is the second short story collection by the award-winning author. Tales of depravation and insanity are woven together with unrelenting style and depth, scrutinizing human nature's degeneration when compromised by tragic, vicious

circumstances. These complex, wretched individuals and the irremediable conditions they are desperate to claw out of-or into-invoke the unfathomable question: What devastation are we truly capable of when left with no way out but down . . . into the obscurity of the abyss?

THE CHEMISTRY OF WINE DAVID SANDUA, *The Chemistry of Wine* is a fascinating exploration of the science behind one of the world's oldest and most cherished beverages. This book reveals how every aspect of wine, from its aroma to its taste, is the result of complex chemical reactions. Delving into the chemistry of aromas, the author uncovers the mysteries behind wine's distinct aromatic profiles, offering a new perspective on how these aromas are created and perceived. Through a captivating narrative, the book demystifies the winemaking process and provides a deeper understanding of the art and science of winemaking, making this an essential read for wine enthusiasts and professionals alike.

Concrete Mama John A. McCoy, 2018-12-26 Journalists John McCoy and Ethan Hoffman spent four months inside the walls of the Washington State Penitentiary at Walla Walla in 1978, just as Washington, once a leader in prison reform, abandoned its focus on reform and rehabilitation and returned to cell time and punishment. It was a brutal transition. McCoy and Hoffman roamed the maximum-security compound almost at will, observing and befriending prisoners and guards. The result is a striking depiction of a community in which there was little to do, much to fear, and a culture that both mimicked and scorned the outside world. McCoy's unadorned prose and Hoffman's stunning black-and-white photographs offer as authentic a portrayal of life in the Big House as outsiders are ever likely to experience. Originally published in 1981, *Concrete Mama* revealed a previously unseen stark and complex world of life on the inside, for which it won the Washington State Book Award. Long unavailable yet still relevant, it is revitalized in a second edition with an introduction by scholar Dan Berger that provides historical context for the book's ongoing resonance, along with several previously unpublished photographs.

Hello, Wine Melanie Wagner, 2013-10-29 This breezy-to-read but super-informative guidebook is a stylish primer for any newcomer to the endlessly fascinating world of wine. Master Sommelier Melanie Wagner's down-to-earth tone and comprehensive knowledge make learning about wine fun and approachable. Featured alongside these many encouraging lessons and suggestions are 60 whimsical and informative color illustrations. With insights ranging from what makes a wine exceptional, palate-building, and enjoying wine with others, this is the perfect self-purchase or gift for anyone who wants a great wine resource.

Liquid Memory Jonathan Nossiter, 2009-10-13 Nossiter, an acclaimed film director and former sommelier, had his first taste of wine from his parents' fingertips at the age of three. The American expatriate takes readers on an insider's investigation of the mysteries of terroir, the historical sense of place that makes wine unique.

The Wino, the Junkie, and the Lord Kathleen Wood, 1989

Pappyland Wright Thompson, 2023-05-30 From the bestselling author of *The Cost of These Dreams* The story of how Julian Van Winkle III, the caretaker of the most coveted cult Kentucky Bourbon whiskey in the world, fought to

protect his family's heritage and preserve the taste of his forebears, in a world where authenticity, like his product, is in very short supply. Following his father's death decades ago, Julian Van Winkle stepped in to try to save the bourbon business his grandfather had founded on the mission statement: "We make fine bourbon—at a profit if we can, at a loss if we must, but always fine bourbon." With the company in its wilderness years, Julian committed to safeguarding his namesake's legacy or going down with the ship. Then he discovered that hundreds of barrels from the family distillery had survived their sale to a multinational conglomerate. The whiskey that Julian produced after recovering those barrels would immediately be hailed as the greatest in the world—and soon would be the hardest to find. Once they had been used up, a fresh challenge began: preserving the taste of Pappy in a new age. Wright Thompson was invited to ride along as Julian undertook the task. From the Van Winkle family, Wright learned not only about great bourbon but about complicated legacies and the rewards of honoring your people and your craft—lessons that he couldn't help but apply to his own work and life. May we all be lucky enough to find some of ourselves, as Wright Thompson did, in Pappyland.

The Winemaker's Dance Jonathan Swinchatt, David G. Howell, 2004-09-14 There is a saying among winemakers that great wine begins with dirt. Beginning from this intriguing premise, *The Winemaker's Dance* embarks on an eye-opening exploration of terroir in one of the greatest places on earth to grow wine—California's Napa Valley. Jonathan Swinchatt and David G. Howell weave a tale that begins millions of years ago with the clash of continental plates that created the Napa Valley and go on to show how this small region, with its myriad microclimates, complex geologic history, and dedicated winemakers, came to produce world-class wines. A fascinating look at the art and science of winemaking and the only comprehensive book that covers Napa's geology, history, and environment, *The Winemaker's Dance* will help wine enthusiasts better understand wine talk and wine writing and, most importantly, wine itself. *The Winemaker's Dance* is animated by the voices of Napa's winemakers talking about their craft. The book also contains two driving tours through the valley that highlight the landscapes and wineries discussed. An array of unique illustrations—including shaded relief maps overlaid with color aerial photographs—provide a new and illuminating look at the region: its bedrock, sediments, soils, sun, wind, and rain. The expansive narrative considers how these elements influence wines from particular vineyards and how specific winemaking practices can bring out or mask aspects of terroir. It concludes with a discussion of the state of the winemaking industry today. Unraveling the complex relationship between the people, the earth, and the vines of Napa Valley, *The Winemaker's Dance* brings the elusive concept of terroir to a broad audience, adding a vibrant dimension to the experience of the valley's wines. It also provides insights that enhance our understanding of wines and winegrowing regions the world over.
