George Herbert C. Malcolmson,2003-12-09 This volume replaces the traditional image of George Herbert as meditative recluse with a portrait of the poet as engaged throughout his life with the religion, politics and society of his time. Instead of an isolated genius living in retreat from the world, Herbert appears as a man writing public verse, active within an important social circle, and committed to nationalistic Protestantism. The book attends to the poetic brilliance of his verse as well as the institutions and contexts that influenced him: the upper class coterie, Cambridge University, and the Church of England.

The Faith of our Pioneer Fathers Bryant S. Hinckley,2018-12-01
Minstrels, troubadours—the story tellers of old—stirred the hearts of men and moved them to action as they retold the sagas of valor and devotion of ancient heroes. Gathered here are stirring stories, sagas of faith and devotion, associated with the careers of twenty-two heroic figures of our day. From careers like these we gain encouragement and strength which drive away fear and doubt. Frustrations and defeats become the challenges which beckon us to try again in the spirit which is sustained and made ready to enjoy ultimate victory. From these we learn fortitude in the face of adversity and gratitude to Divine Providence for the generous rewards of faithfulness. Though several of the stories included in “Faith of Our Pioneer Fathers” are familiar in other settings, some are available for the first time.

The Lure of the Labrador Wild Dillon Wallace,Leonidas Hubbard,1905
Dillon Wallace (1863-1939) was an American lawyer, outdoorsman, author of non-fiction, fiction and magazine articles. His first book, *The Lure of the Labrador Wild* (1905) was a best-seller, as were many of his later books. ... In 1900 Dillon Wallace met Leonidas Hubbard, an assistant editor with *Outing* magazine.[1] Hubbard asked Wallace to join him on an exploratory trip through Labrador, the plan was to follow the Naskaupi River to Lake Michikamau, a region that had yet to be explored by

Europeans. They departed in July 1903, but took the wrong river from the very start, following the much smaller and more difficult Susan River. Short on supplies, with winter coming on, Hubbard became ill and died of starvation. Wallace made it back alive.-- Wikiped., June 2014.
