Riders, Teams and Stadiums Keith  
Lawson,2018-10-18 This is a pictorial scrapbook of

memories of speedway between the years 1974 to 1978- a collection of photos taken by journalist and trackside photographer, Keith Lawson. The photos have been scanned from rescued negatives that had long been neglected in a box in his attic but the current trend of nostalgia for the golden age of speedway drove him to spend hundreds of hours on the task, so they could be shared and enjoyed. Anyone involved in speedway at this time, will love the trip down memory lane.
