The Abingdon African American Preaching Library Kirk Byron Jones,2010-10-01 God's people need to hear "a word from the Lord," to know their God is with them, and to transcend this world and be taken to the very feet of Jesus. The preacher is charged with assisting in this mission. While there may be different theological perspectives and different methods of sermon preparation and delivery, one thing remains constant--the need for quality preaching resources. Drawing upon the rich and powerful tradition of the black church, The Abingdon African American Preaching Library offers a wealth of thoughtful, biblically grounded preaching aids, including special days in the Black Church tradition. Say Yes to Grace Kirk Byron Jones,2012-02-01 Get inspired with thought-provoking and heartwarming quotes:A leaf said to me as it fell, "I'm not falling; I'm flying!" Dare to soar joyfully in this new day, because each day an angel comes to us, arms wide open, bearing God's infinite grace. Sometimes we can't see grace because we're standing right smack in the middle of it. Take heart; no trial lasts forever, and there's a lesson in every storm. For a long moment, step away from all the "you shoulds," and savor you, as you are now. The heaviest thing in the world to carry is a grudge. Give grace a chance.

Holy Play Kirk Byron Jones,2007-02-26 In Holy Play popular author and teacher Kirk Byron Jones shows how to move forward together with God to imagine and live your true life purpose with creativity and joy. This extraordinary book gives you permission to stop waiting for God to tell you what to do and start doing what God has been inspiring you to do all along. Through provocative stories and helpful exercises, Jones shows you how to foster the openness and energy that allow you to engage with and construct a fulfilling life that uses all your God-given talent. Jones shows how to humbly and gladly accept the sacred incredible in you--in particular the creator in you.

The Liberation of Lord Byron Jones Stirling Silliphant,Jesse Hill Ford,1969 Undertaker L.B. Jones, the richest black man in his county of Tennessee, seeks out legal representation to divorce his wife, who is pregnant after having an affair with a white police officer. To prevent his affair from being dragged into a court of law, the police officer violently takes matters into his own hands.

The Jazz of Preaching Kirk Byron Jones,2010-09-01 What if preachers were as contagiously joyful in their preaching as Louis Armstrong was in his playing and singing? As rich in their sermonic renderings as Sarah Vaughan was in her musical vocals? As honest about heartache as Billie Holiday was every time she sang about the blues of life? As alluringly clear as the angelic voice of Ella Fitzgerald? As tenaciously uninhibited in the action of creating as Duke Ellington? Of course, this is too much to ask of people, even those called by God. However, it is not too much to ask this question: Can preaching be enhanced through the metaphor of jazz? Can an understanding of

the inner dynamics of jazz--its particular forms, rules, and styles--inform one's practice of preaching as well? Can jazz's simultaneous structure and spontaneity help preachers better understand their own art? The answer to these questions, says Jones, is an unqualified yes. He explains how one can dramatically improve one's preaching through understanding and applying key elements of the musical art form known as jazz. No musical background is necessary; all examples are well explained and tied in with preaching. The key elements include innovation (what one commentator refers to as the experimental disposition of jazz), improvisation, rhythm, call and response, honesty about heartaches, and delight. After discussing the reality and role of each of these elements in jazz, and how they can be important for preaching as well, each chapter concludes with five exercises for applying the jazz element to preaching preparation and performance. Drawing on a deep love of jazz and enlivening the discussion with insights drawn from the realities of African American preaching, Jones introduces readers to rich and rewarding possibilities for constructing and delivering the sermon.

Fulfilled Kirk Byron Jones, 2013-09-17 Leadership can be mentally, emotionally, and spiritually exhausting. The pace is relentless. The expectations are weighty. The challenges are daunting. But it is possible to live and lead a new way, with that deep sense of contentment that all leaders yearn for. It is possible to be fulfilled, even today. *Fulfilled* articulates a new approach for the exhausted leader. This Christian theology of leadership is based on three inner capacities, which every leader already possesses but which most of us simply ignore or disregard: the capacity for stillness, awareness, and playfulness. The author examines these capacities and shows the reader how draw upon them in daily life. Vibrant leadership taps into this wellspring of inner capacities, continually available to every leader. It is not the exclusive possession of the gifted, faithful few, but is a grace provided for all. The fulfilled leader lives in wisdom, peace and joy, and is successful in all the most important ways.

Rest in the Storm Kirk Byron Jones, 2001 Are You Overdosing on Overcommitment? Even the most committed and competent ministers suffer enormous physical, mental, and spiritual strain. Too many remain in denial about the severity of pastoral stress, even as they are deteriorating emotionally and physically. Drawing from biblical, theological, and sociological sources as well as personal experience, author Kirk Jones discusses the fundamental importance of self-care for clergy and other professionals engaged in helping people. Filled with creative and practical strategies for integrating self-care into vocational life, this compelling resource identifies the factors that influence overload and outlines plausible strategies for escaping such bondage. *Rest in the Storm* is a lifeline for caregivers who feel overwhelmed by the demands of their calling or profession.

Morning B.R.E.W. Kirk Byron Jones, Unlike other morning devotions, in which readers digest the words of others, this book teaches readers how to create their own devotional experiences through silence and prayer visualization.
