Martin van Creveld

In the Land of Israel Amos Oz,1993-10-31 A snapshot of Israel and the West Bank in the 1980s, through the voices of its inhabitants, from the National Jewish Book Award-winning author of Judas. Notebook in hand, renowned author and onetime kibbutznik Amos Oz traveled throughout his homeland to talk with people—workers, soldiers, religious zealots, aging pioneers, desperate Arabs, visionaries—asking them questions about Israel’s past, present, and future. Observant or secular, rich or poor, native-born or new immigrant, they shared their points of view, memories, hopes, and fears, and Oz recorded them. What emerges is a distinctive portrait of a changing nation and a complex society, supplemented by Oz’s own observations and reflections, that reflects an insider’s view of a country still forming its own identity. In the Land of Israel is “an exemplary instance of a writer using his craft to come to grips with what is happening politically and to illuminate certain aspects of Israeli society that have generally been concealed by polemical formulas” (The New York Times).

*Right to Exist* Yaacov Lozowick,2013-02-20 In July 2000, Palestinian leader Yasser Arafat refused to negotiate a peace offer made by Israeli Prime Minister Ehud Barak at Camp David. At the end of September the Palestinians then launched their second intifada, an outbreak of terrorism in the heart of Israel’s cities that continues to this day. The unprecedented violence drove Barak from office and brought to power the feared hard-liner Ariel Sharon. In *RIGHT TO EXIST*, Yaacov Lozowick, an Israeli historian, describes his evolution from a liberal peace activist into a reluctant supporter of Sharon. In making sense of his own political journey, Lozowick rewrites the whole history of Israel, delving into the roots of the Zionist enterprise and tracing the long struggle to establish and defend the Jewish state in the face of implacable Arab resistance and widespread international hostility. Lozowick examines each of Israel’s wars from the perspective of classical “just war” theory, from the fight for independence to the present day. Subjecting the country’s founders and their descendants to unsparing scrutiny, he concludes that Israel is neither the pristine socialist utopia its founders envisioned, nor the racist colonial enterprise portrayed by its enemies. Refuting dozens of pernicious myths about the conflict—such as the charge that Israel stole the land from its rightful owners, or that Arabs and Jews are locked in a “cycle of violence” for which both bear equal blame—*RIGHT TO EXIST* is an impassioned moral history of extraordinary resonance and power.

**The Invention of the Land of Israel** Shlomo Sand,2012-11-20 What is a homeland and when does it become a national territory? Why have so many people been willing to die for such places throughout the twentieth century? What is the essence of the Promised Land? Following the acclaimed and controversial *The Invention of the Jewish People*, Shlomo Sand examines the mysterious sacred land that has become the site of the longest-running national struggle of the twentieth and twenty-first centuries. *The Invention of the Land of Israel* deconstructs the age-old legends surrounding the Holy Land and the prejudices that continue to suffocate it. Sand’s account dissects the concept of “historical right” and tracks the creation of the modern concept of the “Land of Israel” by nineteenth-century Evangelical Protestants and Jewish Zionists. This invention, he argues, not only facilitated the colonization of the Middle East and the establishment of the State of Israel; it is also threatening the existence of the Jewish state today.

A History of Modern Israel Colin Shindler,2013-03-25 Colin Shindler’s remarkable history begins in 1948, as waves of immigrants arrived in Israel from war-torn Europe to establish new cities, new institutions, and a new culture founded on the Hebrew language. Optimistic beginnings were soon replaced with the sobering reality of wars with Arab neighbours, internal ideological differences, and ongoing confrontation with the Palestinians. In this updated edition, Shindler covers the significant developments of the last decade, including the rise of the Israeli far right, Hamas’s takeover and the political rivalry between Gaza and the West Bank, Israel’s uneasy dealings with the new administration in the United States, political Islam and the potential impact of the Arab Spring on the region as a whole. This sympathetic yet candid portrayal asks how a nation that emerged out of the ashes of the Holocaust and was the admiration of the world is now perceived by many Western governments in a less than benevolent light.

*Israel Has a Jewish Problem* Joyce Dalsheim,2019 This book examines the struggle over Jewishness in Israel. Although the state was founded to liberate the Jews, some Israelis must leave the country to get married, while others are denigrated for trying to live the Torah life. The Kafkaesque nature of such struggles illustrates how modern democratic nation-states, meant to liberate citizens through rule by the people and for the people, instead create a people for the state and its projects. The book argues that self-determination becomes a form of self-elimination as it produces the ethnos for the nation, inevitably narrowing the possible forms of personal and cultural identity. Sovereignty, secularism, nationalism, citizenship, self-determination, assimilation, Israel, settler-colonialism, religion, Jewishness--

**A History of Israel and the Holy Land** Michael Avi-Yonah,2001-01-01 In its entirety the story told here spans all of recorded history. It is a story of momentous events and mighty nations, of the birth of great religions and of foreign conquests, of longing and renewal. The scholars who have produced this work have woven an engrossing, continuous narrative out of the historical materials, presenting a rich array of peoples and cultures, from the ancient Hebrews and their neighbors down to the time of Jesus and the Roman wars and then on through the Arab and Crusader conquests, the Mameluk domination, the long period of Turkish rule, British Mandate, and the rebirth of Israel. An integral part of the story is the magnificent selection of photographs illustrating the land, its sites, its ruins, and its treasures. This expanded millennium edition of *A History of Israel and the Holy Land* takes the story into the twenty-first century with a new and comprehensive survey of the State of Israel from its establishment to the present day. The new material includes a review of political, economic, and social developments in Israel and summaries of the country’s wars and the peace process.>

*Israel* Noa Tishby,2021-04-06 A NEW YORK TIMES BESTSELLER A “fascinating and very moving” (Aaron Sorkin, award-winning screenwriter of *The West Wing* and *The Social Network*) chronological timeline spanning from Biblical times to today that explores one of the most interesting countries in the world—Israel. Israel. The small strip of arid land is 5,700 miles away but remains a hot-button issue and a thorny topic of debate. But while everyone seems to have a strong opinion about Israel, how many people actually know the facts? Here to fill in the information gap is Israeli American Noa Tishby. But “this is not your Bubbie’s history book” (Bill Maher, host of *Real Time with Bill Maher*). Instead, offering a fresh, 360-degree view, Tishby brings her “passion, humor, and deep intimacy” (Yossi Klein Halevi, New York Times bestselling author of *Letters to My Palestinian Neighbor*) to the subject, creating an accessible and dynamic portrait of a tiny country of outsized relevance. Through bite-sized chunks of history and deeply personal stories, Tishby chronicles her homeland’s evolution, beginning in Biblical times and moving forward to cover everything from WWI to Israel’s creation to the disputes dividing the country today. Tackling popular misconceptions with an abundance of facts, Tishby provides critical context around headline-generating controversies and offers a clear, intimate account of the richly cultured country of Israel.

The Creation of the State of Israel Myra Immell,2009-10-16 Tensions in the Middle East are due to a number of reasons, with the creation of Israel being among them. Give readers a much-needed survey of several lively debates relating to the creation of the state of Israel. Essay sources include *The Times of London*, *The Jerusalem Post*, and *The Higher Arab Committee*. While essayist Jamal el-Husseini argues that Palestine should not be partitioned, Abba Hillel Silver argues that Palestine should be partitioned. Sequenced in the pro versus con format, these essays will activate your readers’ critical thinking skills. Once seating reader’s deeply in the debates, personal narratives are then shared, by those living with the issues of disharmony between Palestine and Israel. Narratives include a student celebrating the dawn of the Jewish state, and a young immigrant who joins the Haganah.

**1001 Facts Everyone Should Know about Israel** Mitchell G. Bard,Moshe Schwartz,2005-11-01 Hardly a day passes when Israel is not in the news. This book provides essential facts about not only the political events in the news, but also the positive contributions Israel is making in the arts and sciences. This is not a recitation of facts and figures, but a mosaic of the most important aspects of Israel’s past and present. The book will entertain those interested in some of the fascinating trivia about Israel and inform those doing more serious research about the economy, government, and culture of the Jewish State.

Israel: a Profile Israel T. Naamani,1972

**Israel Today** Hayim Gordon,2007 *Israel Today* offers a concise and enlightened description of the challenges Israel has encountered since its founding in 1948. In elegant prose, Haim Gordon depicts the dynamic

historical developments that have led to the return of the Jewish people to the land of their forefathers and to the establishment of contemporary Israel. More specifically, Gordon analyzes the country's precarious relations to its neighbors and the dangers to national security it faces from the outside. Internal problems arise from the need to blend into one nation the many thousands of Jews who have arrived from more than 120 lands to join in the building of the Jewish State. These historical details revolve around an eloquent discussion of daily life in Israel today, featuring aspects such as politics, economics, education, and Jewish spirituality.

*Israel: the First Hundred Years* Efraim Karsh, 2014-02-25 The Zionist Movement was born in the wake of Jewish emancipation in Western Europe, and at a time of increased persecution in Eastern Europe. This volume addresses the intellectual, social and political ramifications of Jewish settlement in Eretz Israel before the creation of the State of Israel.

**Coffins on Our Shoulders** Dan Rabinowitz, Khawla Abu-Baker, 2005-09-12 This highly original historical and political analysis of the Arab-Israeli conflict combines the unique perspectives of two prominent segments of the Middle Eastern puzzle: Israeli Jews and the Palestinian citizens of Israel. Written jointly by an Israeli anthropologist and a Palestinian family therapist born weeks apart to two families from Haifa, *Coffins on Our Shoulders* merges the personal and the political as it explores the various stages of the conflict, from the 1920s to the present. The authors weave vivid accounts and vignettes of family history into a sophisticated multidisciplinary analysis of the political drama that continues to unfold in the Middle East. Offering an authoritative inquiry into the traumatic events of October 2000, when thirteen Palestinian citizens of Israel were killed by Israeli police during political demonstrations, the book culminates in a radical and thought-provoking blueprint for reform that few in Israel, in the Arab world, and in the West can afford to ignore.

*What Israel Means to Me* Alan Dershowitz, 2008-04-21 Personal and Passionate Reflections on the Land and Its People The Mediterranean landscape, the exuberance of the Israelis, the way politics is a matter of life and death there—all these things beguiled me. -Erica Jong, author *What does Israel mean to me?* Courage. The Israelis have more courage in their pinky finger than I have in my whole life. -Tovah Feldshuh, actress It is an unparalleled story of tenacity and determination, of courage and renewal. And it is ultimately a metaphor for the triumph and enduring hope over the temptation of despair. -David Harris, Executive Director of the American Jewish Committee I have no desire to be like everyone else. Something in me wants the entry of the Jewish people into world politics to be judged by the highest conceivable measure. Indeed, that may be what is both so inspiring and confounding about the existence of Israel. -Rabbi Lawrence Kushner? Israel isn't a symbol. Israel is the practical manifestation of hope, freedom, and self-determination. -Larry King, television host

**Birthing the Nation** Rhoda Ann Kanaaneh, 2002-06-28 In this rich, evocative study, Rhoda Ann Kanaaneh examines the changing notions of sexuality, family, and reproduction among Palestinians living in Israel. Distinguishing itself amid the media maelstrom that has homogenized Palestinians as terrorists, this important new work offers a complex, nuanced, and humanized depiction of a group rendered invisible despite its substantial size, now accounting for nearly twenty percent of Israel's population. Groundbreaking and thought-provoking, *Birthing the Nation* contextualizes the politics of reproduction within contemporary issues affecting Palestinians, and places these issues against the backdrop of a dominant Israeli society.

**The Land of Blood and Honey** Martin van Creveld, 2010-08-03 The definitive one-volume history of Israel by its most distinguished historian From its Zionist beginnings at the end of the nineteenth century through the past sixty, tumultuous years, the state of Israel has been, as van Creveld argues, the greatest success story in the entire twentieth century. In this crisp volume, he skillfully relates the improbable story of a nationless people who, given a hot and arid patch of land and coping with every imaginable obstacle, founded a country that is now the envy of surrounding states. While most studies on Israel focus on the political, this encompassing history weaves together the nation's economic, social, cultural and religious narratives while also offering diplomatic solutions to help Israel achieve peace. Without question, this is the best one-volume history of Israel and its people.

**Israel** S. Ilan Troen, Noah Lucas, 1995-05-04 This book provides new interpretations and research findings, from a wide spectrum of viewpoints, on Israel's formative first decade of independence.

**The Treatment of Israel by the United Nations** Benjamin A. Gilman, 2000-12 Witnesses include: C. David Welch, Assistant Secretary, Bureau of International Organization Affairs, U.S. Dept. of State; Martin Indyk, Assistant Secretary, Bureau of Near Eastern Affairs, U.S. Dept. of State; Morris Abram, Chairman, U.N. Watch; John Bolton, Senior Vice-President, American Enterprise Institute; Ronald Lauder, Chairman, Conference of Presidents of Major American Jewish Organizations (CPMAJO); accompanied by Malcolm Hoenlein, Vice-Chairman (CPMAJO); Harris Schoenberg, Director of U.N. Affairs, B'nai B'rith International; and Bruce Ramer, President, American Jewish Committee.

*Ella's Trip to Israel* Vivian Bonnie Newman, 2011-01-01 Excited Ella and her stuffed monkey, Koofi, take a family trip to Israel. Ella enjoys visiting all the famous places in Israel, but Koofi experiences Israel in his own special way!

**Israel: the Sword and the Harp** Ferdynand Zweig, 1969

### Yzrqelak Introduction

In today's digital age, the availability of Yzrqelak books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Yzrqelak books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Yzrqelak books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Yzrqelak versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, Yzrqelak books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Yzrqelak books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Yzrqelak books and manuals is Open

Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Yzrqelak books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Yzrqelak books and manuals for download and embark on your journey of knowledge?

### FAQs About Yzrqelak Books

1. Where can I buy Yzrqelak books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Yzrqelak book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Yzrqelak books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps:

Community book exchanges or online platforms where people exchange books.

6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Yzrqelak audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Yzrqelak books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
