*Finally His Bride* Christine Flynn,2011-07-15 SWEETHEART BRIDE She'd been the new girl in town. He'd been every shcoolgirl's fantasy. In each other's arms, they found acceptance, comfort and what Erin had believed was love. Then Trevor suddenly cut all ties, breaking her youthful heart.... Now, years later, Trevor Whitaker still had the power to steal Erin's breath. From his impossibly broad shoulders to his ranch-roughened hands, he'd exceeded her wildest dreams. And the way he looked at her.... The years--and the tears--became distant memories, and Erin knew without a doubt she still wanted this cowboy. But would the man betray her as the boy once had? THE WHITAKER BRIDES: There's a new crop of cowboys whose wild ways are no match for the power of love....

*WIEDERGEURT: Legend of the Reincarnated Warrior: Volume 9* Brandon Varnell,2021-10-12 THE BATTLE IS WON Although it happened sooner than anticipated, Neveria has survived the Demon Beast Invasion. With the threat having passed, Eryk has decided it's finally time for him to create his own sect, one that will do the things the Nevarian Spiritualists and Imperial Royal Guards cannot. But not everything is calm. Empress Hilda has shocking information that could shake the foundation of everything Eryk thought he knew, Kari's youngest brother is acting even more surely than usual, and creating a guild from scratch, without the aid of his friends from the past, is much harder than he anticipated. The Demon Beast Invasion might be over, but Eryk's life is only just beginning.

**WIEDERGEURT: Legend of the Reincarnated Warrior: Volume 7** Brandon Varnell,2021-04-27 THE HEAT IS ON. The assault on Hovebrann is set to begin in Eryk's past, and he once more has front row seats to what happened in the form of dreams, a stark reminder that there is far more to this world than his own tiny realm. But there are more important issues than dreams that need his attention. At the request of Catalyna Kriger, Eryk, Kari, Fay, and Lin journey with a group of Spiritualists into the Demon Beast Mountain Range. Their goal is to seek out unknown ruins using a map that Catalyna discovered on her last expedition. But unbeknownst to Eryk and his companions, darkness lurks in the shadows, and the entire group becomes trapped within the Demon Beast Mountain Range. With hordes of Demon Beasts hounding their every step, Eryk's mettle will be tested in ways it hasn't since he returned to the past. Can he safely bring himself and the others back to Nevaria? **A Mid-Summer's Daydream** G.B. Absher,2012-09-01 What we have here is a failure to communicate. A misguided attempt to discover something about myself. Something genuine worth smiling for. It may be convoluted. It may be conspicuous. Hell, it might not even make any sense, but that's for you to

decide upon and for me to not care about. In the end, I'm only 23, and this is just a jumble of writings and typings, every so often in the moment, and I'm proud of it. The year was 2010, and I'd recently graduated.

**Plagued by Fire** Paul Hendrickson, 2019-10-01 Frank Lloyd Wright has long been known as a rank egotist who held in contempt almost everything aside from his own genius. Harder to detect, but no less real, is a Wright who fully understood, and suffered from, the choices he made. This is the Wright whom Paul Hendrickson reveals in this masterful biography: the Wright who was haunted by his father, about whom he told the greatest lie of his life. And this, we see, is the Wright of many other neglected aspects of his story: his close, and perhaps romantic, relationship with friend and early mentor Cecil Corwin; the eerie, unmistakable role of fires in his life; the connection between the 1921 Black Wall Street massacre in Tulsa, Oklahoma, and the murder of his mistress, her two children, and four others at his beloved Wisconsin home. In showing us Wright's facades along with their cracks, Hendrickson helps us form a fresh, deep, and more human understanding of the man. With prodigious research, unique vision, and his ability to make sense of a life in ways at once unexpected, poetic, and undeniably brilliant, he has given us the defining book on Wright.

Landed on Black Zach Fortier, 2014-06-24 *Landed on Black* is about the reality that every cop comes to realize. After you have been on the job long enough you realize that nothing is how it seems. Your circle of people that you can trust...really trust, gets smaller every year and you start to question your own sanity/ Could everyone you know be this messed up? Is it really possible that you missed all the facades and the ruses that people kept up? Before I started working as a cop I was and careful about whom I chose to associate with. Now it seems everywhere I look I recognize the potential for being double crossed and betrayed. *Landed On Black* is about the toll that reality took on my life.

The Day Before I Died JF Whitaker, 2020-01-29 The Day Before I Died is a memoir of an innocent Irish Catholic boy on his journey from the quiet New England coast and the apple orchards of Pennsylvania to Vietnam and, ultimately, to the brink of suicide. Traversing minefields both at home and abroad, the author shares these intensely personal stories of overcoming the scars of war, disfigurement, emotional abuse, sexual orientation, and bullying. It is an intimate look at the many triggers that led him to consider suicide and the path of resilience and strength that kept him alive. jfwhitaker.com Testimonials No one wakes up one day and says, I think I'll commit suicide! Rather, the pains and shames of life eventually take their toll to the point where suicide seems like a solution. The Day Before I Died chronicles the life of the author as he wrestled with the demons of self-hate, shame, and fear. He now shares his story in hopes of saving the lives of those who are shrouded in similar darkness. Reading the book to its completion is a metaphor for why suicide isn't a solution. —Toni Cole, MSW, LCSW, author of *Negro Woman; Chocolate Love Letters: For Black Men from the Women and Children Who Love Them* Joe Whitaker is a natural storyteller and his memoir, *The Day Before I Died*, is a compelling read, sometimes funny, sometimes somber. You'll laugh, you'll cry, but most importantly, you'll find hope. —Martin Roy Hill, author of the *Linus Schag*, *NCIS*, and the *Peter Brandt* mystery thrillers
