IM Harris

The Soul of Lilith Marie Corelli, 1892 A novel in which a mystic named El Rami, a practitioner of the arts of healing drawn from the occult science of the ancient Egyptians, attempts to control and dominate the soul of a dead girl. El Rami travels from London to Syria where he meets a caravan in the desert with two ailing women in need of care and attention. He agrees to help, and he restores one, an old woman, to health. The other, a young orphan girl called Lilith, succumbs to her illness and dies. El Rami practices his mysterious arts on Lilith in an attempt to demonstrate the existence of life after death. He administers an elixir that brings her body back to life, and returns to London with the breathing corpse of Lilith. He hides her in a room in his mansion for six years, and summoning all his powers succeeds in being able to summon her soul back to her body at will. The head of the Brotherhood of the Holy Cross of which El Rami was a member, Heliobas, arrives. Readers know him from *The Romance of Two Worlds* and *Ardath*. Heliobas is alarmed by El Rami's experiments, and tells him that he must release the girl and allow her to die. But El Rami is obsessed with the beautiful Lilith, and intends on making her his soulmate. Despite Lilith's pleas and warnings, as El Rami kisses her she crumbles to ashes in front of him. When El Rami recovers himself, he is taken to the Brotherhood's monastery in Cyprus, a mental wreck.--Synopsis from MarieCorelli.org.uk

Delphi Collected Works of Marie Corelli
(Illustrated) Marie Corelli, 2017-09-22 The English

novelist and mystic Marie Corelli enjoyed an immensely successful career, her novels selling more copies than her popular contemporaries, Arthur Conan Doyle, H. G. Wells and Rudyard Kipling. Her sensation, romance and fantasy novels were eagerly devoured by millions across the world and her admirers ranged from Queen Victoria and Gladstone to the poorest citizens. Today her novels have been largely ignored by critics, though during the height of her success she was the best selling and most highly paid author in England. For the first time in publishing history, this eBook presents Corelli's complete fictional works in the US public domain, with numerous illustrations, rare texts, informative introductions and the usual Delphi bonus material. (Version 1) * Beautifully illustrated with images relating to Corelli's life and works * Concise introductions to the major novels * All 21 novels in the US public domain, with individual contents tables * Features rare novels appearing for the first time in digital publishing, including 'Wormwood', 'Barabbas', 'Holy Orders' and many more * Images of how the books were first published, giving your eReader a taste of the original texts * Excellent formatting of the texts * Rare story collections available in no other eBook * Special chronological and alphabetical contents tables for the short stories * Easily locate the short stories you want to read * A selection of non-fiction * Scholarly ordering of texts into chronological order and literary genres Please note: due to copyright restrictions, Corelli's last two novels ('Love and the

Philosopher' and 'Open Confession') cannot appear in the collection. When new texts enter the public domain, they will be added to the eBook as a free update. Please visit www.delphiclassics.com to browse through our range of exciting titles

Setting the Record Straight Hany

Longwe, 2021-05-17 Kusadziwa Nkufa Komwe (Lack of Knowledge is as Being Dead) is a Nyanja maxim, African Philosophy that is true the world over. A person who lacks knowledge is as good as dead, inactive and insensitive. A dead person does not contribute to good life. Lack of knowledge leads to destruction, but having knowledge leads to informed decisions and freedom. Setting the Record Straight is about correction wrong understanding and replacing it with liberating knowledge, to the benefit of both church and society.

The Year's Best Fantasy and Horror ,2002

Marie Corelli: Modernism, Morality, and Metaphysics Carol Margaret Davison, Elaine M. Hartnell, 2020-09-10 This collection reappraises and retheorizes Marie Corelli's diverse fictional writings and locates them in their contemporary literary and social context. Marie Corelli (1855-1924) was a fabulously popular novelist in the late-nineteenth and early-twentieth centuries. Yet, in her day, critics railed against her taste for sentimentality, melodrama, supernatural worlds, and overt didacticism. Many critics are still ambivalent about her writing. However, in their reappraisal, the contributors to this volume largely circumvent the earlier critics and engage afresh with Corelli's writing strategies; genre choices; representations of social issues; and ideas about science, metaphysics, and morality. Moving beyond the now outdated project of recovery, the volume also discusses Corelli's literary market place, analysing both her publishing successes and her decline in popularity. An important theme throughout is Corelli's troubled relationship with an emerging literary Modernism and an ever-widening gulf between high and popular culture. The contributors interrogate the critical templates, assumptions, and biases of a literary establishment (past and present) centred on Modernist tropes and structures. As a result, the Corelli they unearth is not a defective Modernist but an innovative and original writer who eschewed the dictates of a movement with which she had no empathy. This book was originally published as a special issue of
