**Zester Z. Zazzlezott** Fred Witzgall,2012-08 Frumpy, precocious Bailey Thomas is enthralled by a colorful, one-armed unicyclist. Inspired to write his story, her research uncovers perplexing questions. What is his connection to the Zazous, a youth movement in wartime France? How is he linked to a failed Nazi genetic experiment? Why is he involved in Basileia, an ancient, mysterious, spiritual sect? How true is his claim that he can reveal a glimpse of the Kingdom of Heaven? Is he a miracle worker or a homicidal maniac? Bailey isn't the only person seeking answers. Cynical detective Mark Jaworski believes Zester murdered at least one woman. His partner, Sophia Castillo, prays he didn't, while hanging on to a last shred of faith. Hard-bitten Unique Fawkes wonders how dangerous it is to love him. Erik Kretzler, plagued by inherited Nazi memories, is obsessed with finding him. Bailey must find her answers and face the killer.

**Progressivism: Our Road to Serfdom** Zester,2010-06-01 Is the American dream really dead? What really makes the difference between a have and a have not? In *Progressivism: Our Road to Serfdom*, authors Zester and Marilyn Hatfield examine these questions and others in light of the historic realities of who we are, where we have come from, and where we are going in relation to wages, job security, full employment, personal wealth accumulation, and personal freedoms. The Hatfields discuss the causes and history behind the current failing economy and present a step-by-step understanding of how to rebuild our God-given capitalist foundations with greater success. It takes a candid look at how new wealth is created by current and advancing technologies. Moreover, it reveals the secrets and the inner workings of progressive socialismthe political and ideological barrier that stands between those who love America and the republics limited form of government. *Progressivism: Our Road to Serfdom* presents a fascinating story of how wealth is created and its effect on all Americanswage earners, small business owners, and equity owners both large and small. It demonstrates how the Constitution gives all Americans the unalienable right to prosper from their own labor and capital possessions.

**The Chest of Visions: New Pathways 'cross Broken Highways** Tim Ferguson,2020-08-21 Alex, a troubled youth from Earth, travels to the world of Caperston via a wormhole in hopes of resolving his struggles. He meets a messiah, who preaches equality amongst the "Haves" and "Have nots" in Caperston, and his youth followers. Alex finds himself enmeshed in the challenges of their world. The youth, while asking for equality, are attacked as they march to see the Ruler. Alex steps in to stop the carnage but tensions are ready to explode. A short time later the messiah is arrested. Great drama follows over an eighteen-month period. Alex, hearing from Earth friends, isn't sure whether he should return home. Is it even possible? The book concludes with ten pages of activities for Christian youth leaders to use, when discussing the events taking place in the story. Themes of forgiveness and prayer are highlighted.

**Daddy's Little Girl and Mommy's Little Boy** Zester Hatfield,2005-05-04 Mr. Hatfield with all of his years of experience in marriage, parenting, family, missions and in the Church pulls no punches in calling Christ's Bride to return to His Truth (God's revealed Law-Word) regarding discipleship (men and women of faith and grace) in Manhood and Womanhood, outrageously successful spousal relations, parenting with training in romance, sexual satisfaction, love and marriage! He is calling all believers, especially men, to confession and repentance and to receive, understand and apply these Truths in the Power of the Holy Spirit as the only acceptable response in which God will revive and reform the Family and the Church in the 21st Century! Not for the weak-kneed, weak-minded or humanistically influenced, this is for Christ's Bride as we prepare for and anticipate His return! These applications of God's revealed Law-Word and His uncommon common sense in the lives of America's postmodern Christian culture and especially the promise of duplicating of these successes for love and marriage in our children, is exciting and challenging to the point of precedent setting magnitudes. The reader will experience riveting and exciting challenges to the status quo of our present day Christian culture. Based on interviews with more than 1000 adults nationwide, the survey discovered that less than one out of every five adults believes that children under the age of 13 are being superbly or pretty well prepared for life emotionally, physically, spiritually, intellectually or physically. Fewer than one out of every twenty adults believes that America's youngsters are receiving above average preparation in all five of those areas of life. *Americans Agree: Kids Are Not Being Prepared for Life*, The Barna Group-October 26, 2004 The couples, who discover the answers to the moral morass of our postmodern Christian culture, are those who know that the future of their children is in jeopardy and that we are in a war for the control of that future! Sadly, the statistics of broken homes, divorces, adultery, domestic violence, drugs and promiscuity - to mention only some of the ills of our culture - are almost equally divided between Christian families and non-Christian families. This is unacceptable as a comparison and must change. Consequently, fathers and mothers of faith and grace are those - who are and or who will experience - God's promise of victory over these fruits of our fallen nature and live a marriage experience that captures the best of God's gifts of love, sex and romance in marriage. *Daddy's Little Girl and Mommy's Little Boy* brings us clear evidence of just how America's Christian couples can have this victory in their marriage and how to duplicate this success in their sons and daughters.

**Rituals** Sydney Zester,2020-04-15 The follow up to *Run Wild and Be*, *Rituals* builds on the whimsical poems and prose found in Zester's first collection, by exploring gender norms, social constructs, and the culture of violence as it relates to female athletes. Between gender pay and coverage gap, exposure to sexual assault risk, implications of violence, and treatment of womxn seeking medical care, she approaches these complicated and deep rooted issues with the same witty and poetic tone she's built her following on. *Rituals* explores the daily meditation an endurance practice brings and how it ultimately translates into strength for womxn to advocate for their rights.

**Run Wild and Be: A Collection of Poems & Stories Inspired by Wild Spaces & Endurance Running.** Sydney Zester,2019-03-26 A collection of poems and stories inspired by wild spaces and endurance running. Shifting the narrative from the tired trope centering around the white man conquering a gritty race or mountain, *Run Wild & Be* explores the female experience embracing freedom and self love through her time spent running long outside. Drawing inspiration from a 4000 mile run across the United States, this book weaves readers through tiny mountain towns, into the desert, and sprawling metropolises, while noting gender inequities, power imbalances, changing goals, and morphing identities.

**Bitters** Brad Thomas Parsons, 2011-11-01 Gone are the days when a lonely bottle of Angostura bitters held court behind the bar. A cocktail renaissance has swept across the country, inspiring in bartenders and their thirsty patrons a new fascination with the ingredients, techniques, and traditions that make the American cocktail so special. And few ingredients have as rich a history or serve as fundamental a role in our beverage heritage as bitters. Author and bitters enthusiast Brad Thomas Parsons traces the history of the world's most storied elixir, from its earliest "snake oil" days to its near evaporation after Prohibition to its ascension as a beloved (and at times obsessed-over) ingredient on the contemporary bar scene. Parsons writes from the front lines of the bitters boom, where he has access to the best and boldest new brands and flavors, the most innovative artisanal producers, and insider knowledge of the bitters-making process. Whether you're a professional looking to take your game to the next level or just a DIY-type interested in homemade potables, Bitters has a dozen recipes for customized blends--ranging from Apple to Coffee-Pecan to Root Beer bitters--as well as tips on sourcing ingredients and step-by-step instructions fit for amateur and seasoned food crafters alike. Also featured are more than seventy cocktail recipes that showcase bitters' diversity and versatility: classics like the Manhattan (if you ever get one without bitters, send it back), old-guard favorites like the Martinez, contemporary drinks from Parsons's own repertoire like the Shady Lane, plus one-of-a-kind libations from the country's most pioneering bartenders. Last but not least, there is a full chapter on cooking with bitters, with a dozen recipes for sweet and savory bitters-infused dishes. Part recipe book, part project guide, part barman's manifesto, Bitters is a celebration of good cocktails made well, and of the once-forgotten but blessedly rediscovered virtues of bitters.

In addition to garnishes, there is a wealth of information on arranging food on buffets, and even how to sharpen knives! Included are full-color photographs of each design plus step-by-step drawings to ensure success. Book jacket.

**Sit Down and Shut Up** Roger Wong, 2016-04-28 Innocently stumbling into the field of education at the last minute, Roger Wong discovered teaching had many rewards, and over the years, he developed a visceral love for his chosen occupation. But sometimes, his job did not love him back! Unruly students, arrogant administrators, and even life-threatening classroom situations befell him. Unreasonable, impossible school reforms, racial dilemmas, and an unshakeable fear of failure permeated his semi-illustrious thirty-four-year career. He even endured a classroom full of fourteen-year-olds during a major earthquake! And survived! Yet none of this averted his resolve to equip his students with a quality curriculum or his best effort at terrific teaching. Paranormal classroom happenings? Not a chance. Tuna fish and human hair sandwiches? No way. A bursting bladder? Think again. Instead, he found himself developing lifelong friendships with staff members, an intrinsic feeling of accomplishment through helping students succeed, and even experiencing romance in the classroom. (It may not be what you are thinking!) This book is what teaching in a public classroom is really like, without any excuses or apologies, and without wearing the rosy lenses of societal stereotypes. It's a frank look inside the mind and classroom of one rather insignificant, average, individual teacher. He struggled to be the best he could be, sometimes succeeding, and sometimes failing in unimaginable fashion.
