K. S. McLachlan

Mexico's Narco-insurgency and U.S. Counterdrug Policy Hal Brands, 2009 On June 30, 2008, President George W. Bush signed into law the Merida Initiative, a 3-year, \$1.4 billion counterdrug assistance program for Mexico and Central America. The Merida Initiative is representative of the supply-side approach to the narcotics trade that has long characterized U.S. drug control policy. Unfortunately, this approach to the drug trade is unlikely to achieve the desired results in Mexico. For the Merida Initiative to be fully successful, the United States must therefore forge a more holistic, better-integrated approach to the drug trade. Implementing such a strategy will not be easy, but it will be central to improving U.S. counternarcotics policy and ensuring that the Merida Initiative is more than a mere palliative for the problems associated with the Mexican drug trade.

The Fight to Flourish Jennie Lusko, 2020-05-05 What if your struggles aren't a barrier to thriving but an invitation into your most vibrant days? Discover how to live a life of joy and fullness, even in the midst of disappointment and broken dreams. How can you find a way forward when life throws you sucker punches, when you face obstacles that seem to snuff out your faith, when you lose someone precious to you? It is in the sacred space of pain and promise that we can begin to flourish. Even in the midst of disappointment and broken dreams it is possible to grow, be strong, and draw near to God. In *The Fight to Flourish*, Jennie Lusko draws on her experiences after the loss of her five-year-old daughter, Lenya, to show you that the ingredients for a fresh and thriving life are right in front of you. Jennie's story will help remind you of how much God loves you, even when life feels unbearable. With grit and grace, Jennie will help you: Discover that flourishing is not an impossible destination but a divine revelation of where you are right now Find relief from the weight of overwhelming circumstances by resting in the realization that God is fighting for you Trust that God is growing you in the gap between your expectations and your experience The word flourish is written all over you and your future. Discover the ongoing strength that Jennie has found and learn to reengage in life with renewed strength and confidence.

Challenging the Prison-Industrial Complex Stephen J. Hartnett, 2011 Boldly and eloquently contributing to the argument against the prison system in the United States, these provocative essays offer an ideological and practical framework for empowering prisoners instead of incarcerating them. Experts and activists who have worked within and against the prison system join forces here to call attention to the debilitating effects of a punishment-driven society and offer clear-eyed alternatives that emphasize working directly with prisoners and their communities. Edited by Stephen John Hartnett, the volume offers rhetorical and political analyses of police culture, the so-called drug war, media coverage of crime stories, and the public-school-to-prison pipeline. The collection also includes case studies of successful prison arts and education programs in Michigan, California, Missouri, Wisconsin, and Pennsylvania that provide creative and intellectual resources typically denied to citizens living behind bars. Writings and artwork created by prisoners in such programs richly enhance the volume. Contributors are Buzz Alexander, Rose Braz, Travis L. Dixon, Garrett Albert Duncan, Stephen John Hartnett, Julilly Kohler-Hausmann, Daniel Mark Larson, Erica R. Meiners, Janie Paul, Lori Pompa, Jonathan Shailor, Robin Sohnen, and Myesha Williams.

Fortress Commentary on the Bible Margaret Aymer, Cynthia Briggs Kittredge, David A. Sánchez, 2014-10-01 The *Fortress Commentary on the New Testament* presents a balanced synthesis of current scholarship. The contributors bring a rich diversity of perspectives to the task of connecting solid historical critical analysis of Scripture with sensitivity to theological, cultural, and interpretive issues arising in our encounter with the text. The volume includes introductory articles, section introductions, and individual book articles that explore key sense units through three lenses: • The Text in Its Ancient Context • The Text in the Interpretive Tradition • The Text in Contemporary Discussion Comprehensive and useful for preaching, teaching, and research.

Fortress Commentary on the Bible Matthew J. M. Coomber, Hugh R. Page Jr., Gale A. Yee, Cynthia Briggs Kittredge, Margaret Aymer, David A. Sánchez, 2014-10-01 The *Fortress Commentary on the Bible: The Old Testament and Apocrypha* and *Fortress Commentary on the Bible: The New Testament* present a balanced synthesis of current scholarship on the Bible, enabling readers to interpret Scripture for a complex and pluralistic world. Introductory articles in each volume discuss the dramatic challenges that have shaped contemporary interpretation of the Bible. Commentary articles set each book of the Old and New Testaments and the Apocrypha in its historical and cultural context, discuss the themes in each book that have proven most important for the Christian interpretive tradition, and introduce the most pressing questions facing the responsible use of the Bible today. The writers are renowned authorities in the historical interpretation of the Old and New Testaments, sensitive to theological and cultural issues arising in our encounter with the text, richly diverse in social locations and vantage points, representing a broad array of theological commitment—Protestants, Catholics, Jews, and others, and alive to the ethical consequences of interpretation today. A team of six scholar editors and seventy contributors provide clear and concise commentary on key sense units in each book of the Old Testament, Apocrypha, and New Testament. Each unit is explored through the lenses of three levels of commentary based on these critical questions. The result is a commentary that is comprehensive and useful for gaining insights on the texts for preaching, teaching, and research. In addition to the commentary essays on each book, the volumes also contain major essays that introduce each section of Scripture and explore critical questions as well as up-to-date and comprehensive bibliographies for each book and essay.

Chemical Marine Monitoring Philippe Quevauviller, Patrick Roose, Gert Verreert, 2011-08-24 Wide- scale chemical monitoring programmes are required by international conventions and European Union policies such as the Water Framework Directive (2000/60/EC) and the new EU Marine Strategy Framework Directive (MSFD). This entails all waters, including transitional and coastal waters, sediments and biota. The final volume in the Water Quality Measurement Series highlights policy frameworks and analytical trends with an emphasis on laboratory methods and quality control. Within this comprehensive text, the following sections are included: Setting the Scene; monitoring of pollutants Policy Settings; international conventions and EU marine strategy Marine monitored parameters; trace elements, chemical species, organic micropollutants, and nutrients Types of monitoring; classical chemical monitoring, biomonitoring and in-situ methods Quality assurance; certified reference materials for marine monitoring Research and developments; the role of sediments in coastal monitoring, and passive sampling technologies Chemical Marine Monitoring: Policy Framework and Analytical Trends is intended for postgraduates and researchers working in analytical chemistry and its application to environmental and health analyses. Those interested in developing new methods and materials in relation to drinking water regulations will also find this book beneficial.

Marine Chemical Monitoring Philippe Quevauviller,2016-01-07 Combining laboratory experience with research and policy developments, this book provides an insight into the historical background of marine monitoring, its regulatory frameworks and science-policy interactions. With experience in the European Commission, the author draws from practical experience in research and policy implementation to present a concise review of marine monitoring on an international level. The author deals with monitoring and related QA/QC principles, focusing on monitoring types, while describing general features of analytical methods used in marine monitoring. The book concludes with a discussion about how to achieve metrology principles (measurement traceability) in marine monitoring.

On the Incarnation of the Lord John Cassian,Edgar C. S. Gibson,2012-05-01 Near the end of his writing career, Cassian the monk was commissioned by the future Pope Leo the Great to reply to the Christological positions of Nestorius. Nestorius saw in Christ two subjects, that of the Word and that of the man Jesus. Cassian's foray into ecclesiastical controversy yields a cannonade of arguments from the Scriptures and the early Fathers, bombarding the Nestorian position with an impassioned rendition of the general Christological views of East and West. Unsurprisingly, for one such as Cassian who was so concerned with Christian sanctity, it places special emphasis on the difference between the personal divinity of Christ and the indwelling of the Word in the saints—for the personal divinity of Christ is what indeed makes it possible for Christ to be said to dwell within those saints who tread the heights of union with God. What Cassian lacks in the precision of an Athanasius or a Maximus the Confessor, he makes up for in the verve of his argumentation. (Ex Fontibus Co.)

Descendants of Hans Hildebrand Ziegenfuss Marco Born,2021-12-16 Collection of descendants of Hans Hildebrand Ziegenfuss who lived around 1650 in the Eichsfeld area in Thuringia, Germany. This 3rd Edition contains the data of about 22,000 individuals (as of December 2021). Conflict 101 Susan H. SHEAROUSE,2011-05-11 From mild disagreements to major personnel blowouts, conflict in the workplace is unavoidable. Drawing lightheartedly from stories of her own slipups and disagreements as well as examples from her twenty years of experience as a conflict resolution professional, author Susan Shearouse reveals how conflict is created, how to respond to it, and how to manage it more effectively so that your team can get back to doing what it does best: producing top results for your organization. Conflict 101 employs research, humor, and oh-so-relatable anecdotes to help readers more deeply understand what it takes to build trust, harness negative emotions, encourage apologies and forgiveness, use a solution-seeking approach, and say what needs to be said in the workplace to move past conflicts. Whether it's a fight over resources, a disagreement about how to get things done, or an argument stemming from perceived differences in identities or values, the manager's role is to navigate relationships, build compromises, and encourage better collaboration. In doing so, you'll not only become a stronger manager--you'll build a much stronger team.
