Once Bitten, Twice Burned Cynthia Eden,2014-04-29 A vampire held captive plots his escape with the help of an irresistible woman in the New York Times bestselling author's scorching hot paranormal romance. Ryder Duncan keeps his secrets close. With a twisted scientist starving him in a ten-by-twelve cell, it's not easy to conceal the abilities that set him apart from other vampires, or his plans for escape. But survival—and revenge—are worth waiting for. Until the so-called doctor tempts his appetites with something special: a woman with a soft Southern accent and a scent like delectable flowers. Sabine Acadia didn't volunteer to be dinner. She was kidnapped and tossed into the cage of a monster. A monster with fierce green eyes, a body that speaks of ruthless power, and a touch as gentle as a caress. Ryder knows things about Sabine—secrets she doesn't even know about herself. And she'd better learn fast. Because while they might soon escape this prison, she's fighting an urge to set all her desires free . . .

Philostorgius Philostorgius,2007 Philostorgius (born 368 C.E.) was a member of the Eunomian sect of Christianity, a nonconformist faction deeply opposed to the form of Christianity adopted by the Roman government as the official religion of its empire. He wrote his twelve-book Church History, the critical edition of the surviving remnants of which is presented here in English translation, at the beginning of the fifth century as a revisionist history of the church and the empire in the fourth and early-fifth centuries. Sometimes contradicting and often supplementing what is found in other histories of the period, Christian or otherwise, it offers a rare dissenting picture of the Christian world of the time.
