4000 Miles Amy Herzog,2013-04-11 Pulitzer Prize-nominated, a poignant play about loss and an unlikely friendship.

4000 Miles Amy Herzog,2013-04-11 It's the middle of the night when 21-year-old Leo arrives on the doorstep of the West Village apartment where his feisty 91-year-old grandmother Vera lives. She's an old Communist who lives alone, he's a latter-day hippie, recently returned from a cross-country bike trip which ended traumatically. Over the course of a single month, these unlikely roommates infuriate, bewilder, and ultimately connect. When Leo's old girlfriend shows up and he begins to reveal the mysterious events of his journey, Leo and Vera discover the narrow line between growing up and growing old. Peopled with nuanced, beautifully-drawn characters, Amy Herzog's award-winning play has established her as a remarkable new talent. *4000 Miles* had its 2011 world première at New York's Lincoln Center Theater.

4000 Miles and After the Revolution Amy Herzog,2013-06-11 Two plays by "one of the brightest new talents in the theatre" (New York Times).

Belleville Amy Herzog,2014-10-27 A quietly devastating play... Both a perceptive drama depicting the sudden fraying of a young marriage and a nail-biting psychological thriller... Belleville is among the most suspenseful plays I've seen in years. - Charles Isherwood, New York Times Masterly... Among the new crop of young American playwrights, Herzog is in a class by herself. - Richard Zoglin, Time Abby and Zack, young American newlyweds, have abandoned a comfortable postgraduate life in the states for Belleville, a bustling, bohemian, multicultural Parisian neighborhood. But as secrets both minor and monumental are revealed, their fraught relationship begins to unravel. Belleville examines the limits of trust and dependency in a world where love can turn pathological and our most intimate relationships may not be what they seem. AMY HERZOG's plays include *4,000 Miles* (Pulitzer Prize finalist), *After the Revolution* and *The Great God Pan*. Ms. Herzog is the recipient of numerous awards, including the Whiting Writers' Award, an Obie Award and the Helen Merrill Award for Aspiring Playwrights.

Mary Jane (TCG Edition) Amy Herzog,2018-10-16 "The most profound and harrowing of Ms. Herzog's many fine plays." —Jesse Green, New York Times Armed with medicines, feeding tubes, and various medical equipment, Mary Jane is a single mother and indefatigable force when it comes to caring for her young, sick child. A moving play about the stalwart endurance of a devoted mother, Mary Jane demonstrates the prevailing strength of the human will when fueled by unconditional love.

The Great God Pan Amy Herzog,2014-03-31 *The Great God Pan* is a haunting, deeply affecting play about the interaction of identity, psychology and pathology. Ms. Herzog writes with keen sensitivity to the complex weave of feelings embedded in all human relationships, with particular attention to the way we tiptoe around areas of radioactive emotion. - New York Times Whatever the ideal contemporary American drama is, it has to look a lot like *The Great God Pan*. It is provocative and subtle, slowly, carefully revelatory, sweetly moving, thought-provoking, funny and insightful. - New York Observer An intelligent, delicately articulate writer. - Village Voice A moving and unsettling look at the nature of identity and the vagaries of memory. With subtlety and compassion, Herzog contemplates how well we can really know ourselves. - Backstage Jamie's life in Brooklyn seems just fine: a beautiful girlfriend, a burgeoning journalism career, and parents who live just far enough away. But when a possible childhood trauma comes to light, lives are thrown into a tailspin. Unsettling and deeply compassionate, *The Great God Pan* tells the intimate tale of what is lost and won when a hidden truth is suddenly revealed. Amy Herzog's plays include *4000 Miles* (Pulitzer Prize finalist), *After the Revolution* and *Belleville*. Ms. Herzog is the recipient of numerous awards, including the Whiting Writers' Award, an Obie Award and the Helen Merrill Award for Aspiring Playwrights.

After the Revolution Amy Herzog,2011 THE STORY: The brilliant, promising Emma Joseph proudly carries the torch of her family's Marxist tradition, devoting her life to the memory of her blacklisted grandfather. But when history reveals a shocking truth about the man himself, the entire

Chaucer's Jobs D. Carlson,2016-04-30 Geoffrey Chaucer was not a writer, primarily, but a privileged official place-holder. Prone to violence, including rape, assault, and extortion, the poet was employed first at domestic personal service and subsequently at police-work of various sorts, protecting the established order during a period of massive social upset. Chaucer's *Jobs* shows that the servile and disciplinary nature of the daily work Chaucer did was repeated in his poetry, which by turns flatters his aristocratic betters and deals out discipline to malcontent others. Carlson contends that it was this social-political quality of Chaucer's writings, not artistic merit, that made him the 'Father of English Poetry'.

Activists in City Hall Pierre Clavel,2013-02-15 In 1983, Boston and Chicago elected progressive mayors with deep roots among community activists. Taking office as the Reagan administration was withdrawing federal aid from local governments, Boston's Raymond Flynn and Chicago's Harold Washington implemented major policies that would outlast them. More than reforming governments, they changed the substance of what the government was trying to do: above all, to effect a measure of redistribution of resources to the cities' poor and working classes and away from hollow goals of growth as measured by the accumulation of skyscrapers. In Boston, Flynn moderated an office development boom while securing millions of dollars for affordable housing. In Chicago, Washington implemented concrete measures to save manufacturing jobs, against the tide of national policy and trends. *Activists in City Hall* examines how both mayors achieved their objectives by incorporating neighborhood activists as a new organizational force in devising, debating, implementing, and shaping policy. Based in extensive archival research enriched by details and insights gleaned from hours of interviews with key figures in each administration and each city's activist community, Pierre Clavel argues that key to the success of each mayor were numerous factors: productive contacts between city hall and neighborhood activists, strong social bases for their agendas, administrative innovations, and alternative visions of the city. Comparing the experiences of Boston and Chicago with those of other contemporary progressive cities—Hartford, Berkeley, Madison, Santa Cruz, Santa Monica, Burlington, and San Francisco—*Activists in City Hall* provides a new account of progressive urban politics during the Reagan era and offers many valuable lessons for policymakers, city planners, and progressive political activists.

A Tour of Reconstruction Anna Dickinson,2011-11-18 Anna Dickinson's career as an orator began in her teenage years, when she gave her first impassioned speech on women's rights. By the age of twenty-one, she was spending at least six months per year on the road, delivering lectures on abolitionism, politics, and public affairs, and establishing herself as one of the nation's first celebrities. In March 1875, Dickinson departed from Washington, D.C., for an extended tour of the South, curious to see how far the region had progressed in the decade after Appomattox. In *A Tour of Reconstruction*, editor J. Matthew Gallman compiles Dickinson's commentary and observations to provide an honest depiction of the postwar South from the perspective of an outspoken radical abolitionist. She documents the continuing effects of the Civil War on the places she visited, and true to her inquisitive spirit, questions the societal developments she witnessed, seeking out black and white southerners to discuss issues of the day. Like many northern observers, she focuses on documenting race relations and the state of the southern economy, but she also details the public's reactions to her appearances, providing some of her most telling commentary. *A Tour of Reconstruction*, punctuated with a wealth of historical observations and entertaining anecdotes, is the story of one woman's experiences in the postbellum South.

Noises Off Michael Frayn,2021-01-14 "As finely worked as a Swiss watch and as funny as the human condition permits ... the zigzag brilliance of the text as the clunky lines of the farce-within-a-farce rub against the sharp dialogue of reality." The Guardian A play-within-a-play following a touring theatre company who are rehearsing and performing a comedy called *Nothing On*, results in a riotous double-bill of comedic craft and dramatic skill. Hurtling along at breakneck speed it shows the backstage antics as they stumble through the dress-rehearsal at Weston-super-Mare, then on to a disastrous matinee at Ashton-under-Lyne, followed by a total meltdown in Stockton-on-Tees. Michael Frayn's irresistible, multi-award-winning backstage farce has been enjoyed by millions of people worldwide since it premiered in 1982 and has been hailed as one of the

greatest British comedies ever written. Winner of both Olivier and Evening Standard Awards for Best Comedy. This edition features a new introduction by Michael Blakemore.

The Seven League Boots Albert Murray,2012-09-19 The break-out novel by an unrecognized master--a fictional tale spinner in the grand Southern tradition (Washington Post Book World). Told from the point of view of a young Alabama college graduate in the 1920s, this brilliant novel recounts the exploits of a legendary jazz composer and his band on a tour that becomes a heroic journey equivalent to the seven league strides of heroes in rocking chair story times.

Admissions Joshua Harmon,2019 Sherri Rosen-Mason is head of the admissions department at a New England prep school, fighting to diversify the student body. Alongside her husband, the school's headmaster, they've largely succeeded in bringing a stodgy institution into the twenty-first century. But when their only son sets his sights on an Ivy League university, personal ambition collides with progressive values, with convulsive results. A no-holds-barred look at privilege, power, and the perils of hypocrisy.

The Aftermath of War Jean-Paul Sartre,2017-02-15 The Aftermath of War brings together essays written in Sartre's most creative period, just after World War II. Sartre's extraordinary range of engagement is manifest, with writings on post-war America, the social impact of war in Europe, contemporary philosophy, race, and avant garde art. Carefully structured into sections, the essays range across Sartre's reflections on collaboration, resistance and liberation in post-war Europe, his thoughts and observations after his extended trip to the USA in 1945, an examination of the failings of philosophical materialism, his analysis of the new revolutionary poetry of 'negritude', and his meditations on the visual arts, with essays on the work of Giacometti and Calder, both of whom Sartre knew well.

The Gingerbread Lady Neil Simon,1971 After a short stay in rehab, her best friend age-defying Toby, her daughter Polly, and Jimmy Perry, a gay actor try to help her adjust to sobriety with a jolly birthday party. Enter Lou Tanner, a former lover, who ends up giving her a black eye. The party is a wash out, the gingerbread lady falls off the wagon and hits the ropes once again. Later rewritten by Neil Simon as the film *Only When I Laugh* starring Marsha Mason. -- Publisher's description.

Left Out! Joshua Frank,2005 Examines the liberal, Democratic party of the mainstream political debate, revealing the limits to the principles guiding US government. Frank examines those limits, and shows how electoral politics in the US forces voters to make narrow, apathetic choices. When this occurs, Frank argues, the fight for democracy has been lost. But we are not without hope! Things can and do change. We just need to know whom and what we are up against--a strong critique of both Howard Dean and John Kerry--Publisher.

Slowgirl Greg Pierce,2013 THE STORY: SLOWGIRL is the story of a teenager who flees to her reclusive uncle's retreat in the Costa Rican jungle to escape the aftermath of a horrific accident. The week they spend together forces them both to confront who they are as well as what it i
