Dark Nights of the Soul Thomas Moore,2005-06-16 Every human life is made up of the light and the dark, the happy and the sad, the vital and the deadening. How you think about this rhythm of moods makes all the difference. Our lives are filled with emotional tunnels: the loss of a loved one or end of a relationship, aging and illness, career disappointments or just an ongoing sense of dissatisfaction with life. Society tends to view these "dark nights" in clinical terms as obstacles to be overcome as quickly as possible. But Moore shows how honoring these periods of fragility as periods of incubation and positive opportunities to delve the soul's deepest needs can provide healing and a new understanding of life's meaning. Dark Nights of the Soul presents these metaphoric dark nights not as the enemy, but as times of transition, occasions to restore yourself, and transforming rites of passage, revealing an uplifting and inspiring new outlook on such topics as: • The healing power of melancholy • The sexual dark night and the mysteries of matrimony • Finding solace during illness and in aging • Anxiety, anger, and temporary Insanities • Linking creativity, spirituality, and emotional struggles • Finding meaning and beauty in the darkness

Dark Night of the Soul John of the Cross,2003-02-04 While imprisoned in a tiny prison cell for his attempts to reform the Church, sixteenth-century Spanish mystic John of the Cross composed many of his now classic poems of the soul's longing for God. Written on a scroll smuggled to him by one of his guards, his songs are the ultimate expression of the spiritual seeker's journey from estranged despair to blissful union with the divine After escaping his captors, John fell into a state of profound ecstasy and wrote Dark Night of the Soul. Later, he added an important commentary to his poem to guide other searching souls along the arduous path to communion with God. Here, for the first time, a scholar unaffiliated with the Catholic Church has translated this timeless work. Mirabai Starr, who has studied Buddhism, Hinduism, and Judaism, lends the seeker's sensibility to John's powerful text and brings this classic work to the twenty-first century in a brilliant and beautiful rendering

The Dark Night of the Soul Gerald G. May,2009-03-31 Now in paperback: a distinguished psychiatrist, spiritual counsellor and bestselling author shows how the dark sides of the spiritual life are a vital ingredient in deep, authentic, healthy spirituality. Gerald G. May, MD, one of the great spiritual teachers and writers of our time, argues that the dark 'shadow' side of the true spiritual life has been trivialised and neglected to our serious detriment. Superficial and naively upbeat spirituality does not heal and enrich the soul. Nor does the other tendency to relegate deep spiritual growth to only mystics and saints. Only the honest, sometimes difficult encounters with what Christian spirituality has called and described in helpful detail as 'the dark night of the soul' can lead to true spiritual wholeness. May emphasises that the dark night is not necessarily a time of suffering and near despair, but a time of deep transition, a search for new orientation when things are clouded and full of mystery. The dark gives depth, dimension and fullness to the spiritual life.

The Dark Night of the Soul Fiona Robertson,2018-09 In this profound and intelligent book, Fiona Robertson acts as companion and guide through the dark night of the soul or spiritual emergency. Capturing the essence of the dark night journey with compassion and clarity, she has created an evocative, inspiring work to give succour to all those who are touched by the dark night.

The Dark Night of the Soul St. John of the Cross,2005-01-20 Describes the purification, or 'night', that the human soul must experience if it is to enter into loving union with God in this life. This title is suitable for readers, both lay and religious, who seek to experience on earth the kind of intimacy with God that will characterize the lives of the blessed in heaven.

Dark Night of the Soul St. John of the Cross,2010-04 In Dark Night of the Soul, Saint John of the Cross presents for us a portrait painted from his own experience of one who advances successfully through the struggles of the spiritual life. The dark night that St John describes is not abandonment by God but special consideration from Him for those who desire to purify and perfect their souls. With a soul purified from earthly attachments, we can advance through the much quoted but oft misunderstood dark night of the souls into unity with God. By accepting the desolation and difficulty of this process, the soul cooperates with God and opens itself to receiving and revealing more perfectly God's glory. Be not afraid--Dark Night of the Soul, though austere and exacting in its instructions for holy living, is laced with St. John's charity and kindness, his love of all things beautiful and sacred--including you.

Dark Night of the Soul St John of the Cross,2011-07-28 All Christians experience dark nights times when everything seems to be going wrong with them. Some wallow in despair, others learn in darkness. St. John explains the four benefits of the dark night: 1. Delight of peace. 2. Habitual remembrance and thought of God. 3. Cleanness and purity of soul. Practice of the virtues. 4. Practice of the virtues

Dark Night of the Soul St John Cross,2007-08-31 St. John narrates this journey of the soul, which requires death to self and detachment from the world. In a stepbystep process, he shows how God can use this dark night to eventually bring our human spirits into great illumination, revealing: Divine wisdom and the passion of divine love. How the soul can walk securely through the darkness and the wonderful effects that are wrought in the believer as a result of the dark night. Includes CD of selected excerpts from book. Saint John of the Cross (15421591) was a poet, priest, philosopher, and mystic who helped to bring about reform within the Roman Catholic Church during the sixteenth century. A member of the Carmelite Order, he worked diligently with Saint Teresa of Avila to return their order to its proper foundation, a deep devotion to Jesus Christ. As a result of their efforts, John was imprisoned. Central to Saint Johns beliefs are the death of the selflife, the mortification of the flesh, and overcoming the devil, the world, and all temptations so that the soul can be completely united to God and His love.

Dark Night of the Soul Danger Mouse (Musician),David Lynch,Sparklehorse (Musical group),2009 Musical visionary Danger Mouse, iconoclastic filmmaker David Lynch, and celebrated rock recluse Sparkle horse have converged to create Dark Night of the Soul, a project encompassing a new full-length album and book. Danger Mouse is no stranger to high-stakes collaborations. With the help of Sparkle horse, he has recruited a remarkable cast of contemporary artists to lend their vocals.

The Dark Night of the Soul Journal Licia Sorgi,2018-07-19 The Dark Night of the Soul is deeply excruciating, yet hauntingly beautiful spiritual transformational

process. It is what the experts call a partial ego death. During this process, you will feel devastated, isolated, and confused. You won't be able to relate to anyone- not even yourself. It's not a depression, it's an amazing spiritual rite of passage that your soul chose prior to incarnation, in order to ascend into higher levels of consciousness. The entire premise of the Dark Night is to strip you of everything that you know and so that you can re-align with your true brilliant divine essence. That's it. Simply put, to just show you the incredible being that you are and that there is no separation. There is only love and oneness. This journal is absolutely very personal to me and I wanted to be able to help people who are going through this. It's literally the most difficult time (most likely) that you will ever endure, but I promise the rewards when you transcend it make every painful moment worth it. The Dark Night is usually triggered a big emotional event. For me, it was when my mother died. Thirteen months later, after I gave up trying to 'be someone', trying to 'do anything'...trying in any respect, my Dark Night ended. I was done, done, done, done, done. I was 'done' dozens of times before but this was the big 'done'. I didn't care about anything anymore. I was just going to 'be'. I woke up the next morning with the darkness gone, and only light permeated me. I was ecstatic and filled with so much love and joy. Love for life, love for the process, and most importantly- love for myself. That morning, the poem just entered my head and I grabbed a pen and wrote it down. It very accurately describes the immense agonizing inner turmoil of the Dark Night, and it also presents you with the keys to transcend it. It is my greatest dream that this journal will help ease your pain and help you through this leg of your ascension process more easily. This journal addresses the 'big questions' and helps track your emotions. The Dark Night will get you to connect with, bring light and loving awareness to, and heal any shadows. It will tear away your reality and the constructs of your own belief system. It will literally bring you to your knees and to the brink of your own existence. It will rip away your conditioning and leave you in the darkness to find your own inner light. It's so beautiful. You will have the most amazing connection back to yourself and source afterward that you could possibly ever imagine. Trust that there is a higher purpose to this. Your soul is ready. You can do it! You will be so joyful when you do. Also, life is meant to be enjoyed. The Dark Night gets you to relax and enjoy more as well. You will be wanting to treat yourself so kindly and have so much fun. There are trained professionals who specialize in the Dark Night of the Soul that you can seek out. This is the Dark Night of the Soul that St. John of the Cross, Jesus, and Mother Theresa went through.

Spiritual Depression D. Martyn Lloyd-Jones, 2016-01-12 Spiritual Depression is one of the great classics of the modern Church and tackles the big question: If Christianity is such good news why are its followers often unhappy? Dr. Martyn Lloyd-Jones was possibly the greatest Christian preacher and teacher of the twentieth century. A medical doctor by training, Spiritual Depression draws together his professional understanding of the mind with a profound understanding of Christian teaching and the Bible. Spiritual Depression diagnoses the causes of the ill feeling that many Christians experience. It prescribes the practical care that is needed to lift people's spirits and bring them freedom, power and joy. Spiritual health is possible and this book explains how everyone can grasp it for themselves.

Dark Night of the Soul G. P. Geoghegan, 2008-12-05 dark night of the Soul: Not all but some segment of humanity will experience before or after death, to some degree, the dark night of the soul. This experience, designed by God, is to elevate that soul to a higher level of perfection before entering Heaven. That soul, as do so many, will share to some degree in the suffering of the crucifixion as his life unfolds about him. Each day counts for all eternity therefore anything happening within that day becomes a recorded part of his life including his sins as well as his good deeds. It is here the soul will discover his losses or gains that will remain with him forever. It is here that he was having difficulty assimilating this confusion & fear in this dark void between his mortal & life immortal. It seems as though he, the Protagonist, is stuck in a dark endless void as he recounts & endures his entire life from his earliest reflection to his final moments before eternity claims him. Here the final battle of life eternal is resolved.

The Dark Night of the Soul Manly P. Hall, 1987-09-30 Here Mr. Hall interprets an extraordinary work by St. John of the Cross. Written over three hundred years ago, it deals with Christian symbolism on a mystical level. Its early insights are invaluable for modern man's continuing growth.

The Poems of St. John of the Cross Saint John of the Cross, 1979 San Juan de la Cruz, the great sixteenth-century Spanish mystic, is regarded by many as Spain's finest poet. Passionate, ecstatic, and spiritual, his poems are a blend of exquisite lyricism and profound mystical thought. In *The Poems of St. John of the Cross* John Frederick Nims presents his superlative translation of the complete poems, re-creating the religious fervor of St. John's art. This dual-language edition makes available the original Spanish from the Codex of Sanlúcar de Barrameda with facing English translations. The work concludes with two essays--a critique of the poetry and a short piece on the Spanish text that appears alongside the translation--as well as brief notes on the individual poems.
