Improved trilingual dictionary Venda, Afrikaans, English Petrus Johannes Wentzel,T. W. Muloiwa,1982 This trilingual Venda-Afrikaans-English dictionary is for use by those who have at least an elementary knowledge of the grammatical and sound systems of Venda. Originally compiled for the use of students enrolled for the Special Course in Venda, it was found that the interest in and need for such a work was much wider than expected. An American Dictionary of the English Language Noah Webster,1845

Dictionary of Languages Andrew Dalby,2015-10-28 Covering the political, social and historical background of each language, Dictionary of Languages offers a unique insight into human culture and communication. Every language with official status is included, as well as all those that have a written literature and 175 'minor' languages with special historical or anthropological interest. We see how, with the rapidly increasing uniformity of our culture as media's influence spreads, more languages have become extinct or are under threat of extinction. The text is highlighted by maps

and charts of scripts, while proverbs, anecdotes and quotations reveal the features that make a language unique.

An International Bibliography of African Lexicons Melvin K. Hendrix, 1982 Contains 3,500 entries, representing almost 700 African languages and over 200 dialects, spanning over 400 years of African lexicographical writing and research.

A New Dictionary of the English Language ... Charles Richardson, 1856

Visayan-English Dictionary John Kaufmann, 2016-01-16 Published in 1934, this was the first Visayan-English dictionary. It contains more than 18,000 words of the Hiligaynon and Hiniraya dialects as spoken in and around Iloilo, besides many Spanish words, which, being frequently used by the Visayans, have become part of the Visayan language. Collated by the REV. J. KAUFMANN, M.H.M, parish priest of Igbard, Iloilo, Philippines. Today, this dictionary remains one of the best Visayan-English Dictionaries; and is useful to both English students of Visayan, and also Visayan native speakers who require a dictionary of their own language with definitions in English. This work contains not merely a definition of the meaning of each Visayan term, but also English equivalents in abundance. It has been thought better, in translating the Visayan sentences, not to depart too far from the literal meaning; nevertheless English words and phrases have been introduced, which will prove most useful to Visayan students of English. CuriousPages Edition This book is a CuriousPages edition, which has been carefully edited by an experienced literary editor, then formatted to produce a book that is a pleasure to read.
