

# **Pedestal Convoy**

**Peter Shankland, Anthony Hunter**

**Operation Pedestal 1942** Angus Konstam,2023-10-26 A fascinating story of a key turning point in the War in the Mediterranean, as the island of Malta was thrown a vital lifeline. Since 1940, the island of Malta had been a thorn in the Axis' side. It sat astride the direct sea route between Italy and its North African colonies, and from 1941 the Royal Navy had used the island as a base for its attacks on Axis convoys. The island, though, relied on convoys to survive, and from early 1941 these came under increasingly heavy air and submarine attack. As the situation became critical in 1942, the decision was made to send through a heavily protected convoy, carrying fuel and supplies, in an effort to save the island. This mission was codenamed Operation Pedestal. This fascinating work describes how, after leaving Britain on 2 August 1942, the convoy was repeatedly pummeled by Axis air and submarine attacks as it ground its way towards Malta, with most of the merchant ships sunk during the passage, along with an aircraft carrier and two cruisers. It also explores how despite this grim toll, the sacrifice was worth it. The specially commissioned illustrations in this work cover the progress of the convoy step by step, the submarine and surface naval actions during Pedestal's voyage, the Stuka attack on the carrier Indomitable and the air attacks against the convoy, and the broader strategic situation in the Western Mediterranean. The result is a unique visual exploration of one of the most famous episodes of the war in this theatre.

Operation Pedestal Brian James Crabb,2014

*A Midshipman's Tale* Michael Kane McCgwire,2016-12-15 During WWII the island of Malta was besieged and by 1942 was running out of food, fuel and ammunition. A convoy of merchant ships was dispatched, protected by a large British Naval escort. On board one of the battleships was a 17-year-old midshipman called Michael MccGwire. This is the account of 'Operation Pedestal' from his

## Midshipman's Journ

**Pedestal** Peter Charles Smith,1987 En detaljeret beskrivelse af en af 2. Verdenskrigs største konvojoperationer, hvor tyske og italienske landbaserede fly sammen med ubåde søgte at hindre, at blokaden af Malta blev brudt af englænderne

**Malta's Savior** John Henshaw,2024-03-08 Holding the small island of Malta, the British Empire's strategic centerpiece in the Mediterranean Sea, was critical to the Allied cause in World War II—and taking it was essential for Axis victory. German forces laid siege to the island beginning in June 1940, and it soon became the most bombed place on Earth. By August 1942, with supplies running out, Malta was in dire need of relief. In what was then the largest Royal Navy force yet assembled in the war, two battleships, three aircraft carriers, seven light cruisers, 32 destroyers and a fleet of transports were mustered from far-flung theaters. This day-by-day account of Operation Pedestal chronicles the planning, execution and climactic battle that saw only five of 14 merchant ships make it to Valletta, all but one heavily damaged.

Pedestal: the Malta Convoy of August 1942 Peter C. Smith,1994

Operation Pedestal Max Hastings,2021-06-01 Renowned historian Max Hastings recreates one of the most thrilling events of World War II: Operation Pedestal, the British action to save its troops from starvation on Malta—an action-packed tale of courage, fortitude, loss, and triumph against all odds. In 1940, Hitler had two choices when it came to the Mediterranean region: stay out, or commit sufficient forces to expel the British from the Middle East. Against his generals' advice, the Fuhrer committed a major strategic blunder. He ordered the Wehrmacht to seize Crete, allowing the longtime British bastion of Malta to remain in Allied hands. Over the fall of 1941, the Royal Navy and RAF, aided by British intelligence, used the island to launch a punishing campaign against the Germans, sinking

more than 75 percent of their supply ships destined for North Africa. But by spring 1942, the British lost their advantage. In April and May, the Luftwaffe dropped more bombs on Malta than London received in the blitz. A succession of British attempts to supply and reinforce the island by convoy during the spring and summer of 1942 failed. British submarines and surface warships were withdrawn, and the remaining forces were on the brink of starvation. Operation Pedestal chronicles the ensuing British mission to save those troops. Over twelve days in August, German and Italian forces faced off against British air and naval fleets in one of the fiercest battles of the war, while ships packed with supplies were painstakingly divided and dispersed. In the end only a handful of the Allied ships made it, most important among them the SS Ohio, carrying the much-needed fuel to the men on Malta. As Hastings makes clear, while the Germans claimed victory, it was the British who ultimately prevailed, for Malta remained a crucial asset that helped lead to the Nazis' eventual defeat. While the Royal Navy never again attempted an operation on such scale, Hasting argues that without that August convoy the British on Malta would not have survived. In the cruel accountancy of war, the price was worth paying.

**Operation Pedestal** John A. Mizzi, 2012 In 1942 an epic naval operation was mounted so as to relieve Malta from the onslaught of attacks by the forces of the Axis. This operation was codenamed Pedestal- or il-Convoy ta' Santa Marija as it is better known in Malta and Gozo. The men taking part in Pedestal must have gone through hell. For example, the gallant tanker SS Ohio withstood persistent Stuka dive bomber attacks, had a Ju87 crash on her deck and when a Ju88 was brought down it bounced off the water and crashed into the vessel's side! Yet Ohio, after much effort by the Royal Navy, her captain and crew, and survivors from other ships, still made it to Grand Harbour in Malta! Il-Convoy ta' Santa Marija is undoubtedly an iconic landmark event in the history of our country and it is

therefore only fitting that those who paid the ultimate price in this operation be commemorated in a Roll of Honour which is reproduced in this book. This book is a lasting memory of this extraordinary mission which was a turning point in the defence of Malta and the Mediterranean during World War II and to all those who lost their lives defending the values of freedom and democracy. John A Mizzi has brought together in one publication a number of related anecdotes and background accounts which may not have been widely known until now, thereby making this an important addition to the records of the fascinating history of Malta and Gozo.

**Pedestal** Peter Charles Smith, 2002 In the summer of 1942 one of the main issues in the balance was the fate of Malta. The island was still a bastion of the Royal Navy in the Mediterranean and a constant threat to the supply route for the enemy land forces in North Africa. It bravely resisted every onslaught of the Axis powers, but food supplies were desperately short and fuel oil running low. In August of that year Operation Pedestal was launched - a last attempt to relieve Malta. Fourteen merchant ships were allocated to it and the Royal Navy provided the most powerful force ever to escort a convoy including four aircraft carriers. Operating from Sardinia and Sicily, the Germans and Italians let fly with their shore-based aircraft on an unprecedented scale. The losses on the British side were appalling, but the objective was achieved and the blockade of Malta was finally lifted.

**Operation Pedestal** George Schembri, Mark Anthony Vella, 1999-01-01

The Ohio and Malta Michael Pearson, 2011-07-12 This WWII naval history recounts one of the most iconic actions of Allied courage under fire as the embattled SS Ohio completes its mission to Malta. The fortified island of Malta was the lynchpin of the Allied campaign in the Mediterranean and North African theaters. It was the vital base from which to attack Axis convoys supplying Rommel's Panzer Army in Libya. The difficulties of keeping supplies, especially oil, flowing to Malta, however, were

immense. By August of 1942, after multiple supply convoys had been thwarted, the Mediterranean stronghold had one last chance at survival: Operation Pedestal. Subjected to ferocious air and submarine attacks, the Pedestal convoy suffered terrific losses. The SS Ohio, the convoy's only tanker, took a direct hit from a torpedo, direct bomb hits, and was struck by two Luftwaffe aircraft. Practically broken in two, Ohio kept her vital cargo intact and was towed into Malta's Grand Harbor for unloading. Never before has such a careful study been made of the American-built vessel that came to symbolize the miraculous relief effort.

**Pedestal** Peter Charles Smith,1998-03-01

**Malta Convoy** Peter Shankland,Anthony Hunter,1961 Story of Operation Pedestal, the convoy that relieved Malta in 1942 when surrender to the Axis seemed imminent, and the role of the Tanker Ohio in this action.

**Operation Pedestal** Eric Tinney,Graham Pepper,2012

**Major Convoy Operation to Malta, August 10-15, 1942** Milan Vego,2015-02-16 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. **Malta Convoys 1940-42** David A. Thomas,1999-12-31 In *Malta Convoys* David Thomas, the distinguished naval historian, gives a fascinating account of the vital battles fought by sea and air to ensure that essential supplies got through. He vividly describes the appalling cost in men and ships. Here is an important contribution to naval history in the Second World War and, at the same time, a rattling good read.

**'I Wish I Had Your Wings'** Angus Mansfield,2016-01-07 In August 1942, British launched Operation Pedestal in an attempt to deliver supplies to the stricken island of Malta, an Allied base which had been under Axis blockade for months. From 9-15 August a convoy of some 50 ships ran the gauntlet of Axis bombers, submarines, E-boats and minefields. Of the original fourteen merchant vessels, only five reached Malta Grand Harbour. In *The Spitfire Pilot and the Sea Captain*, Angus Mansfield relates the experiences of two men involved in Pedestal, Captain David Macfarlane of MV *Melbourne Star* and his nephew David Mejor, one of the Spitfire pilots who fought to protect the convoy. Told using their log books, letters and papers, this is the story of one family's contribution to a relief operation that cost over 400 Allied lives, but which has gone down in history as one of the most important British strategic victories of the Second World War.

*The Watery Grave* Richard Osborne,2015-10-30 In 2002 the wreck of a British cruiser was located by divers off the coast of Tunisia. The stunning photographs of the wreck inspired Dr Richard Osborne to delve into the controversy surrounding the loss of one of the Royal Navy's proudest ships HMS *Manchester*. After taking part in the Norway campaign of 1940, *Manchester* was sent to the Mediterranean, where she was involved in the dangerous Malta convoys. On her first convoy she was

struck by a torpedo and badly damaged. In danger of sinking at any minute, her skipper, Captain Harold Drew, managed to save his ship. Her next operation was to prove her last. In Operation Pedestal, the vital Malta relief convoy, Manchester was again hit by a torpedo. This time, rather than risk the lives of his crew Drew decided to scuttle his ship. For this Drew was court-martialled in what would become the longest such case in the history of the Royal Navy. Using the testimony of those involved, the highly respected naval historian Dr Osborne pieces together one of the most intriguing stories to emerge from the Second World War. Coupled with photographs of the wreck and a detailed account of its discovery, *The Watery Grave: The Life and Death of HMS Manchester*, will shed new light on this remarkable tale.

*The Royal Navy and the Mediterranean Convoys* Malcolm Llewellyn-Jones, 2013-09-05 This book contains the Naval Staff History originally issued by the Admiralty in 1957 as a confidential book for use within the Royal Navy. It has since been declassified and is published here for the first time, along with an extended preface. This volume describes the dangerous convoy operations in the Mediterranean which were necessary to relieve the garrison and people of Malta, covering the period from the beginning of 1941 until the end of 1942. These convoys had to be fought through against determined attack by German and Italian surface, submarine and, particularly, air forces. Although casualties were proportionately higher than in Atlantic convoys, Malta was successfully re-supplied and remained a considerable impediment to enemy's attempts to supply their armies in North Africa. These operations reveal the dedication, courage and professionalism of the sailors (of both naval and merchant services) as well as the airmen who supported them. A new preface sets the scene for the Staff History. *The Royal Navy and the Mediterranean Convoys* will be of great interest for students interested in the Mediterranean Convoys, Second World War and naval and military history.

**On a Pedestal** R. Smedley, 2005-08 Leaving the shipyard where he learnt his trade, a young marine engineer joins his first merchant ship at the outset of the Second World War. No sooner has David Watson adjusted to the difficulties of life at sea than fate intervenes. He eventually finds himself embroiled in the famous and bloody Pedestal convoy to re-supply the strategically important island of Malta. A strong narrative pays homage to the fortitude and heroism of those men of the sea who risked so much to provide the wherewithal for survival of the beleaguered islanders and servicemen. It is based on actual incidents, particularly in the career of the author's father, although the main characters are fictitious.

**Pedestal Convoy Introduction**

Pedestal Convoy Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Pedestal Convoy Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Pedestal Convoy : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular

resource for finding various publications. Internet Archive for Pedestal Convoy : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Pedestal Convoy Offers a diverse range of free eBooks across various genres. Pedestal Convoy Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Pedestal Convoy Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Pedestal

Convoy, especially related to Pedestal Convoy, might be challenging as they're often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Pedestal Convoy, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Pedestal Convoy books or magazines might include. Look for these in online stores or libraries. Remember that while Pedestal Convoy, sharing copyrighted material without permission is not legal. Always ensure you're either creating your own or obtaining them

from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Pedestal Convoy eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Pedestal Convoy full book, it can give you a taste of the author's writing style. Subscription

Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Pedestal Convoy eBooks, including some popular titles.

### FAQs About Pedestal Convoy Books

1. Where can I buy Pedestal Convoy books?  
Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of

books in physical and digital formats.

2. What are the different book formats available?  
Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Pedestal Convoy book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask

friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.

4. How do I take care of Pedestal Convoy books?  
Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them?  
Public Libraries: Local libraries offer a wide

- range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Pedestal Convoy audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Pedestal Convoy books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
