Prayers That Break Strongholds Angela Jenette Rosas, 2018-01-09 Prayers that Break

Strongholds in breaking the demonic strongholds of sexual sin, perversion and lust from our lives is vital to the fabric for a continual presence of the Kingdom of God upon its sovereignty. Demonic manifestations from sexual sin, perversion and lust can come about in many forms and for many reasons. When they happen they can be disruptive and harmful. Satan is our enemy. He will use any opening we give him. The purpose of this book is to help you understand if you have a door open through which Satan and his demonic hosts can enter, they can cause problems in your life, your relationship and marriage. These prayers are designed first and foremost to combat the constant attacks of the enemy and its host of demon spirits. But the prayer starts with the Body of Christ, and its Kingdom Citizenship that represents the church, that represents a community, that represents a home or family. With a strong and solid foundation from a small group of 2 to a multitude of thousands, a person or a people praying for to God, the Father, God the Son and God, the Holy Spirit,

brings about a type of covering that surpasses conventional thinking or mindset. Praying against an enemy that the word of God says in 1 Peter 5:8 [AMP], Be well balanced (temperate, sober of mind), be vigilant and cautious at all times; for that enemy of yours, the devil, roams around like a lion roaring in fierce hunger, seeking someone to seize upon and devour. Prayer keeps that counterfeit lion, the devil at a distance. The words that are released in prayer against the enemy, becomes a barrage upon the types of garrisons or fortresses its demonic host try to erect to keep Gods people from being free from the clutches of its nature. Prayer, brings about a Kingdom mindset that understands the will, way and purpose of who we are to be formed to the mind, will, way and purpose of God and not ours. This book contains various prayers that we believe can help combat the enemy and stop him at his tracks. The sources of these prayers, is to bring about the power of the strength of God into your life that will let the devil know, NOT HERE, NOT NOW and NOT EVER will the enemy have power of my life and the endeavors that I make within the Kingdom of God. When you pray, pray with a strong authority that will release the words spoken into the atmosphere that would produce the power of God's glory

and anointing that brings the effect of change that brings the effect of manifested power of God.

How Can I Overcome Lust? Ryan M. McGraw,2018-03-28 In How Can I Overcome Lust? , Ryan M. McGraw highlights the seriousness of sexual lust and gives readers hope for overcoming it. He considers the foundational principles of overcoming lust in general, identifies the nature of sexual lust in particular, and applies biblical principles for finding a path through it. As McGraw shows, overcoming sexual lust is made possible by union with Christ as the Spirit makes us like Him through God-given means. He also encourages us to meditate on appropriate truths of Scripture so that our affections can be reordered in a God-honoring way.

PRAYERS and Declarations Breaking the Spirit of Lust Amze White,2019-12 In this book, I present the information I've study from the Bible and the Strong's Concordance. There are four definitions that were used to develop prayers and declarations to help as you pray against this spirit of lust. You will be provoked to release God's judgment against lust, to activate God's righteousness in your life, to raise a standard of Holiness within you, and to receive God's Anointing for your life so that you won't fall prey to lust again. Some of these prayers have been strategies I've used and still use today to dismantle lust.

Pray While You're Prey Toni L. Worthery, 2004 Where do I begin with this review? I think I should

take my sisters advice and repeat what she often tells me: If I cant say amen, just say ouch. Keeping that in mind, Im over here saying ouch because author Toni L. Worthery is on my toe stomping pretty hard with this petite but powerful book. As a single Christian woman combating some of the issues of loneliness and frustration associated with living a single life, this book speaks volumes to me. There is nothing like reading what youre going through to let the reader know they are not alone on this journey. As Ive pledged my life to following the tenants of my faith, its good to have confirmation, in the form of a book, which I can reference from time to time. Ill admit that Im not crazy about the title; I dont like to be referred to as prey or as the hunted. The Word of God says: He that finds a wife, finds a good thing so a loose translation would mean that I am prey. I would hope that my mate wouldnt refer to me in this manner. The translation would also imply that Im weak or defenseless; I feel that Im a strong vessel, who patiently awaits capture. Pray While Youre Prey is a great read for single women. Those of us who have the desire to be spiritually grounded in all that we do, can draw strength from the scripture, interpretation and study questions found at the end of each chapter. This is a book to

share with your entire cadre of single sister friends as we journey down the path to closeness with God and the quest to be a virtuous woman and wife.

The Spirit of Prayer; Or, The Soul Rising Out of the Vanity of Time Into the Riches of Eternity

William Law, 1808

Lust, love and prayer-Lussuria, amore e preghiera Avikal E. Costantino,2018

Prayer Against Rebellion Spirit That Scatter Home Tella Olayeri,2021-07-02 This book is a fabric that holds family together in prayer, counsel, action, wisdom, and better technique that bring joy and peace to home. Rebellion spirit is dangerous at home. It tears home apart with bandwagon of sorrow, shame, disgrace, poverty, and stagnancy. It is a taboo for children to be rebellious to parents, neither is it welcomed among spouse, or parent and children. This book treats in depth what causes rebellion at home and ways to handle it. Nothing happens without a cause. Rebellion of children is rooted on many factors. One major rebellion factor is the pressure to fit in the crowd. Children want to be heard and known in and out of home. They want to be heard, meanwhile the wind of life threatens, and threaten destiny as well. As much as parents want good things for their children, there must be a balance in the situation. This balance is the turning point that should favor both parties. It is at this point rebellion comes in, if they view it not favorable. This book reveals that children rebellion is not a new concept, but what should be monitored to achieve good result that favors family. Deep thought is

given to areas of interests that promote family. It spelt out:- 1. How children ambition is tailored to good result, as over ambition is gateway to frustration, failure, shame, and poverty. 2. How the vision of children can be achieved without stress or failure. Two heads, it is said, is better than one. When parent and children sit together to draw conclusion on an issue, vibrant results are achieved. 3. How the freedom and independence of children can be attained without misunderstanding. 4. The book enumerates the need to give attention to children. They want to be praised and noticed. It is food for thought to them. They want parents to praise them and draw their attention to areas that need improvement. 5. It shows parent's love to children through careful discipline. The book further explains that scold, advise and rebuke are rod and cane of discipline. 6. This book reveals that lust is not an asset but liability that must be avoided. 7. The book speaks volume of bad peer group that stagnate life or shorten life. Children of today fail to understand that to indulge in bad peer group make them far from Christ, and whoever far from Christ is close to crisis. 8. This book reveals how family altar is important, and also how demonic altar affects children to rebel at home. 9. One factor this book never

misses is power of familiar spirit; how they operate to cause danger and rebellion at home, and deadly effects that can be avoided. 10. In short, it is a blessing to have this book. It is a loaded prayer book with Holy Spirit vomited prayer that destroys work of darkness. It is like saying, shut up! Thou pit of darkness. The book is a welcome to your library and home. To use it is like breaking rock to draw honey. Surely mercy, love, glory, miracles, signs, and wonders shall locate you as you use the book. I say congratulations.

Teach Us to Pray Bob Bashawaty, 2011-02-23 Pray without ceasing Continue steadfastly in prayer Praying always with all perseverance and supplication for all saints Christians are commanded to pray and are promised that their prayers will be powerful and effective. Then why do so many of us fail to pray regularly and why do our prayers seem to go unanswered? In Luke chapter eleven, when the disciples asked Jesus to teach them to pray, He gave them the pattern God requires from us when we pray. Using the Word of God, **Teach us to Pray** follows this pattern for you in ten daily prayer sessions. **Teach us to Pray the Bible Way** is not a commentary about prayer; it is prayer itself. It is our

Lords own pattern given to His disciples. Use this book to familiarize yourself with the proper pattern of Biblical prayer. To receive the most benefit for your prayer life, use the book every day, speak the scripture verses and the words of prayer as your own and, most importantly, dont give up. Prayer works and, like breathing, must be continuous to have the most benefit. May God bless you as you seek Him with all your heart, mind, soul, and strength.The prayer of a righteous man is powerful and effective

Overcoming Lust in a Sex-Crazed World C. Matthew McMahon,2005-09-01 The mind is a terrible thing to waste, especially when it is occupied with lust. This short book has been written as a helpful tool to those who want to know what they can do to rid themselves of the sin of lust. Lust is God-dishonoring, spiritually painful, and a personally embarrassing sin. No man or woman is safe when they turn on their TV or when they read a magazine at the periodicals section of the local bookstore, or even stand in line at the supermarket with the magazine covers on the shelf! Overall, every bit of ammunition that can be mined out of the Bible to help us as men and women overcome the addiction of sexual sin, or of the temptations surrounding lust, will be a help to the battle for purity overall. It is

with great prayer that this work will be of help to you in order to honor Jesus Christ with your mind.
