The Prophet's Night Journey and Heavenly Ascent

Sayyid Muhammad Alawi Al-Maliki, 2020-02-15 Shaykh Muhammad 'Alawi al-Maliki delivers an absorbing account of the Isra' wal-Mi'raj that brings the reader almost into the story. Indeed it is a detailed narrative spiced with a simple commentary that attempts to reconcile various accounts or reports of the event that transpired. This provides a comprehensive reading that takes the reader on an experiential ride to feel the magic of Rasulullah's journey. In short, it is very inspiring; exhilarating to the spiritual core. Praise be to Allah Who chose His praiseworthy servant Muhammad (saw) for the Message, distinguished him with the night journey on the lightning-mount Buraq, and caused him to ascend the ladders of perfection to the high heavens to show him of the greatest signs of his Lord. He raised him until he reached the Lote-tree of the Farthest Boundary where ends the science of every Messenger-Prophet and every Angel Brought Near, where lies the Garden of Retreat, to the point that he heard the sound of the pens that write what has befallen and what is to befall.

The Night Journey Kathryn Lasky, 2005-03-17

Thirteen-year-old Rachel dreads the afternoons she has to spend with her great-grandmother, Nana Sashie-until Sashie begins to reminisce about her childhood in Russia and Rachel finds herself caught up in a whirlwind of memories. As the events and characters of Sashie's past come to life, Rachel discovers a distant country and time, a time when Jews were forced to serve in the Czar's armies or were murdered in pogroms, a time when nine-year-old Sashie devised a wonderful plan to save her family from danger. . . .

The Night Journey and Ascension in Islam Ronald

Paul Buckley, 2013 The night journey (isra') and ascension to heaven (mi'raj) is a singularly

auspicious event in the biography of the Prophet Muhammad, and is one of the most popular religious narratives in Islam. Amongst other things, it is seen to confirm the Prophet as the final prophet, to explain how the five daily prayers were introduced to the Muslim community as a religious duty, and to give an early explanation of the concepts of heaven and hell. Here, R.P. Buckley explores the evolution and nature of the reception of the narrative of the isra' and mi'raj within a number of central themes, including the authentication of the journey, the manner in which it was performed, Shi'i tradition pertaining to the journey and the development of Western attitudes and approaches. It thus provides vital analysis for those involved in the research of early Islam and the history of religion in the Middle East.--Publisher's website.

The Miraculous Night Journey Arshia

Shah, 2020-06-05 The Prophet (peace upon him) is awoken from his sleep and led by the Chieftain of angels to a riding mount like never seen before! They travel at lightning speed and embark on an unimaginable journey that, as it unfolds, becomes ever more miraculous. The first destination is the sacred city of Jerusalem for an unimaginable meeting and prayer with angels and thousands of prophets. In a state of wonderment and anticipation, the Prophet (pbuh) discovers that his journey is just beginning, as he begins to ascend into the heavens. As he travels to each heavenly dimension he is personally greeted and welcomed by the former prophets. The Prophet (pbuh) is then shown the frequented house with its ceaseless angel pilgrims and the Lote Tree in all its glory. The journey culminates at the pinnacle, which the Prophet (pbuh) learns to be the ultimate reason for the journey; he is brought into Divine presence to be gifted a special command. When he is returned to Mecca where he recounts the

miraculous happenings, he is met with ridicule by the disbelievers, and sincere belief by those who believe. This book describes the Prophet's experiences along the way, the miraculous nature of this journey, and emphasizes the lessons learnt from it.

A Magical Night Journey Amy T Won, 2022-03-22 A beautifully illustrated guidebook to unleash the enchanted explorer in you and help you embark on a voyage through the night to find the wonder and wisdom of nature and creativity. Become the wonder-seeker you truly are as you explore the night. In this magical book, Amy T. Won, artist and guide, takes you on a personal creative night journey, exploring nocturnal wildlife and plants, twilight fairy tales and celestial myths, constellations and the cycles of the moon, and personal recollections of the night, such as camping or evening festivities. Amy's dreamy watercolour paintings of the enchanting night are interspersed with practical activities for the reader and fill-in pages to encourage you to record your experience. Through this exploration, connecting to your senses and examining your memories, you can learn your fears and hopes and develop your creativity to find inspiration. Capture the feeling of wonderment and creative flow, explore to your heart's delight and experience the magic-making. Allow the world around you to whisper in your ears what you wish most to create.

Night Journey From Rome Clark

Butterfield, 2020-12-03 In 1978 the Lord called a priest, Clark Butterfield, out of the Roman Catholic system. God gave him a mission to write this autobiography before he went home to be with his Saviour. Butterfield graciously reveals to both Roman Catholics and Christians the teachings of the Vatican and how they differ from God's holy word. NIGHT JOURNEY FROM ROME is tactful,

compassionate, and candid. Any honest reader will be touched and enlightened by its contents. This is a beautifully written book for your library, and one you could put into the hands of Roman Catholics or Christians. The contrast between scripture and the teachings of Rome is very clearly explained. - Jack T. Chick

Night Journey María Negroni, 2002-02-17 One of South America's most celebrated contemporary poets takes us on a fantastic voyage to mysterious lands and seas, into the psyche, and to the heart of the poem itself. *Night Journey* is the English-language debut of the work that won María Negroni an Argentine National Book Award. It is a book of dreams--dreams she renders with surreal beauty that recalls the work of her compatriot Alejandra Pizarnik, with the penetrating subtlety of Borges and Calvino. In sixty-two tightly woven prose poems, Negroni deftly infuses haunting imagery with an ironic, personal spirituality. Effortlessly she navigates the nameless subject to the slopes of the Himalayas, to a bar in Buenos Aires, through war, from icy Scandinavian landscapes to the tropics, across seas, toward a cemetery in the wake of Napoleon's hearse, by train, by taxis headed in unrequested directions, past mirrors and birds, between life and death. *Night Journey* reflects a mastery of a traditional form while brilliantly expressing a modern condition: the multicultural, multifaceted individual, ever in motion. Displacement abounds: a medieval tabard where a pelvis should be, a lipless grin, a beach severed from the ocean. In one poem nomadic cities whisk past. In another, smiling cockroaches loom in a visiting mother's eyes. Anne Twitty, whose elegant translations are accompanied by the Spanish originals, remarks in her preface that the book's indomitable literary intelligence subdues an unspoken terror--helplessness. Yet, as observed by the angel

Gabriel, the consoling voice of wisdom, only by accepting the journey for what it is can one discover its hidden splendor, the invisible center of the poem. As readers of this magnificent work will discover, this is a journey that, because its every fleeting image conjures a thousand words of fertile silence, can be savored again and again.

Narrating Muḥammad's Night Journey Frederick S. Colby, 2008-08-06 Discusses the historical development of the well-loved story of the Prophet Muhammad's night journey to the divine realm and back again.

Long Night's Journey into Day Alice L. Eckardt, A. Roy Eckardt, Irving Greenberg, Franklin H. Littell, 2016-11-08 *Long Night's Journey Into Day* is a stimulating and provocative attempt to deal with the impact and meaning of the Holocaust within contemporary Christian and Jewish thought. To Jews, the Holocaust is the most terrible happening in their history, but it must also be seen as a Christian event. The Eckardts call for a radical rethinking of the Christian faith in the light of the Holocaust, examining such issues as the relation between human and demonic culpability, the charge of God's guilt, and the reality of forgiveness. They clarify the theological meaning of the Holocaust and the responsibility that must be borne for it by the Christian Church, and discuss possible responses to it as exemplified in the writings of selected modern theologians and church councils. This enlarged and revised edition takes into account new topics and developments, including the issue of Austrian responsibility for the Holocaust, the significance and aftermath of Bitburg, and antisemitism in German feminism. More detailed attention is also given to other modern genocides and occasions of humanly-caused mass death. Additional literary, historical, and religious works are considered and appropriate quotations

incorporated. The new edition also includes a revised preface, an updated bibliography and two new appendices.

The Prophet's Ascension Christiane J.

Gruber, Frederick S. Colby, 2010-02 The tales of the mi'raj describe the prophet Muhammad's journey through the heavens, his encounters with prophets and angels, and his visit to heaven and hell. The tales are among Islam's most popular, appearing in Arabic, Persian, and Turkish literature, and in later adaptations throughout the Muslim world. Often serving as narratives designed to promote the worldview of particular Muslim groups, the tales were also a means for communities to construct rules of normative behavior and ritual practices, and were used to assert the superiority of Islam over other religions. The essays in this collection discuss the formation of this narrative, the mi'raj as a missionary text, its various adaptations, its application to esoteric thought, and its use in performance and ritual. -- Book jacket.

Journey to the End of the Night Louis-Ferdinand

Céline, 1988 When it was published in 1932, this revolutionary first fiction redefined the art of the novel with its black humor, its nihilism, and its irreverent, explosive writing style, and made Louis-Ferdinand Celine one of France's--and literature's--most important 20th-century writers. The picaresque adventures of Bardamu, the sarcastic and brilliant antihero of Journey to the End of the Night move from the battlefields of World War I (complete with buffoonish officers and cowardly soldiers), to French West Africa, the United States, and back to France in a style of prose that's lyrical, hallucinatory, and hilariously scathing toward nearly everybody and everything. Yet, beneath it all one can detect a gentle core of idealism.

Journey Through the Night Anne de Vries, 1978

The Night Journey Paul Dowling, 1997-01-01 Join Nicky on a nighttime trip and pull the tabs to reveal secrets, and transform darkness into bright and vibrant light.

The Night Journey Kathryn Lasky, 1986 A young girl ignores her parents' wishes and persuades her great-grandmother to relate the story of her escape from czarist Russia.

Night Journey Murad Kalam, 2010-05-11 Not since Richard Wright's *Native Son* has the education of a young man been rendered as daringly, defiantly, and emotionally galvanizingly as in Murad Kalam's *Night Journey*. *Night Journey* is the story of Eddie Bloodpath, beautiful, oversized, awkward child of South Phoenix's Third Ward. Hefty and handsome, quiet and strong like his long-lost father, Eddie is the good son, seemingly immune to the powerful pull of the streets. His older brother, Turtle -- a frail, stuttering, grammar school dropout who was born to hustle -- isn't convinced that Eddie will stay out of trouble. Acting on instinct, Turtle plucks Eddie from the brink of the urban abyss and delivers him to the boxing gym. A perpetual innocent and reluctant pugilist, Eddie is adopted by a rogues' gallery of melancholy prizefighters, artful hustlers, strung-out mystics, pubescent crack lords, and drunken burnouts. He falls in love with Tessa, a hauntingly beautiful prostitute with whom he shares an unspeakable secret. Waiting in the wings is Marchalina, Eddie's high school crush, a privileged, bookish, North Phoenix girl who could save him from his worst instincts. When a senseless murder and its aftermath send Eddie running from the sun-washed landscape of the American Southwest, he tries to fight his way to safety -- first in Chicago, at the national amateur competition, and then in the surreal underworld of Las Vegas professional boxing. Rushing pell-mell toward manhood, Eddie must

discover where his true allegiances lie. An American odyssey, *Night Journey* is a first novel equally remarkable for its raw power and wise empathy, borne up by Murad Kalam's unshakable belief in the ultimate grace of humanity.

Luminous Night's Journey A. H. Almaas, 2000-09-05
In *Luminous Night's Journey*, Almaas shares excerpts from his personal journal, which describe a certain thread in his own journey of realization and the processes involved in integrating that realization. This publication marks a fortunate development in our knowledge of how Being is realized in and through the human soul: The process of realization and integration of true nature described in the voice of one who articulates precisely and vividly the psychological and epistemological barriers which confront the individual consciousness as realization is integrated in the context of personal life. Almaas describes how his participation in the unfolding manifestation of Being ushers him into realms that expose and transform increasingly deep ego structures and attachments. *Luminous Night's Journey* clarifies how the unveiling of Being and the exposure of ego structures constitute one process, leading to the soul's integrated realization of absolute nature and the manifestation of the human being as a personal embodiment of that nature.

Night Journeys Avi, 2000 In 1768, a young boy, who has been recently adopted by a Quaker family, seeks his opportunity to break away from the family by capturing a runaway indentured servant

Burning the Midnight Oil Phil Cousineau, 2013-12-16 In *Burning the Midnight Oil*, word-wrangler extraordinaire Phil Cousineau has gathered an eclectic and electric collection of soulful poems and prose from great thinkers throughout the ages. Whether beguiling readers with glorious poetry or consoling them with

prayers from fellow restless souls, Cousineau can relieve any insomniac's unease. From St. John of the Cross to Annie Dillard, Beethoven to The Song of Songs, this refreshingly insightful anthology soothes and inspires all who struggle through the dark of the night. These night thoughts vividly illustrate Alfred North Whitehead's liberating description of what we do without solitude and also evoke Henry David Thoreau's reverie, Our truest life is when we are in dreams awake. The night writers in Cousineau's vesperal collection range from saints, poets, and shamans to astronomers and naturalists, and tells of ancient tales and shining passages from the most brilliant (albeit insomniac) writers of today. These poetic ponderances sing of the falling darkness, revel in dream-time, convey the ache of melancholy, conspire against sleeplessness, vanquish loneliness, contemplate the night sky, rhapsodize on love, and languorously greet the first rays of dawn. Notable night owls include Rabandranath Tagore, Mary Oliver, Manley Hopkins, Jorge Borges and William Blake.

Dark Night Journey Sandra Lee Cronk, 1991 A journey toward God may be marked by meaninglessness, loss, and pain. Sandra Cronk, a spiritual nurturer and teacher, brings a Quaker perspective to this powerful pathway, and offers sensitive guidance to dark night travelers.
