

Walks Around Haunted London

David Bownes, Chris Nix, Sidy Holloway, Sam Mullins

Haunted London Richard Jones, 2011-09-01 This title takes the intrepid ghost seeker on a truly hair-raising journey to some of the capital's spookiest places. From the chilling manifestations at the infamous 50 Berkeley Square to the eternal restlessness of Jack the Ripper's victims, no haunted house is left unmentioned.

Walks Around Haunted London John Wittich, 1996

Walking Haunted London Richard Jones, 1999 Steeped in history and legend, London has the dubious reputation of being the most haunted capital city in the world. Its wonderfully eerie past has left behind ghosts that occupy the narrow streets and alleyways, theaters, churches, walking tours through the London area's most haunted quarters, complete with maps and fascinating histories of the ghosts that may be encountered. This guide also includes a walk through Pluckley, widely acclaimed by experts as being the most haunted village in England.

This Other London: Adventures in the Overlooked City John Rogers, 2014-04-22 Join John Rogers as he ventures out into an uncharted London like a redbrick Indiana Jones in search of the lost meaning of our metropolitan existence. Nursing two reluctant knees and a can of Stella, he perambulates through the seasons seeking adventure in our city's remote and forgotten reaches.

Ghost Signs Sam Roberts, Roy Reed, 2021-10-31

The Ghost Map Steven Johnson, 2006 It is the summer of 1854. Cholera has seized London with unprecedented intensity. A metropolis of more than 2 million people, London is just emerging as one of the first modern cities in the world. But lacking the infrastructure necessary to support its dense population - garbage removal, clean water, sewers - the city has become the perfect breeding ground for a terrifying disease that no one knows how to cure. As their neighbors begin dying, two men are spurred to action: the Reverend Henry Whitehead, whose faith in a benevolent God is shaken by the seemingly random nature of the victims, and Dr. John Snow, whose ideas about contagion have been dismissed by the scientific community, but who is convinced that he knows how the disease is being transmitted. The Ghost Map chronicles the outbreak's spread and the desperate efforts to put an end to the epidemic - and solve the most pressing medical riddle of the age.--BOOK JACKET.

Street Haunting and Other Essays Virginia Woolf, 2014-10-02 Virginia Woolf began writing reviews for the Guardian 'to make a few pence' from her father's death in 1904, and continued until the last decade of her life. The result is a phenomenal collection of articles, of which this selection offers a fascinating glimpse, which display the gifts of a dazzling social and literary critic as well as the development of a brilliant and influential novelist. From reflections on class and education, to slyly ironic reviews, musings on the lives of great men and 'Street Haunting', a superlative tour of her London neighbourhood, this is Woolf at her most thoughtful and entertaining.

Hidden London David Bownes, Chris Nix, Siddy Holloway, Sam Mullins, 2019-09-03 Travel under the streets of London with this lavishly illustrated exploration of abandoned, modified, and reused Underground tunnels, stations, and architecture.

London Walks: London Stories David Tucker, 2009-02-05 London Walks is the award-winning original walking tour company. Written by the expert and knowledgeable guides who lead the walks, London Stories is the perfect way to discover the rich history of London and its hidden gems, including: Sinister London - haunted London and Jack the Ripper. Literary London - from Shakespeare to Dickens. Public Houses - the old pubs of Soho. Mystery and Secrets - the city's hidden past. A Tale of Two Cities - Westminster and the Square Mile. Perfect for tourists who want to experience London life beyond Trafalgar Square as well as for Londoners keen to step off the Circle Line and discover the secrets on their own doorstep, London Stories offers a fascinating glimpse into the capital's rich

history. With photos, maps and illustrations to bring the stories to life, London Stories is for those who love London, written by those who know it best.

Walk! The Isle of Wight Martin Simons, 2014

Walking Haunted London Richard Jones, 2007-09-01 London has the reputation of being the most haunted capital in the world. The dark recesses of the city's historic buildings, narrow streets, and alleyways are said to be occupied by ghosts from many centuries and all walks of life. In Walking Haunted London, Richard Jones takes you on a spine-chilling journey through eerie and, in many cases, forgotten parts of the city and invites you to share--if you dare--in its haunted and mysterious past. - Twenty-five original, spooky walks and tours in and around London - Written by Richard Jones, professional walking guide, inveterate ghost-hunter, and expert on London's ghostly past - Practical data on opening times and transportation - Easy-to-follow route map for each walk

London's Lost Rivers Paul Talling, 2020-04-02 Packed with surprising and fascinating information, London's Lost Rivers uncovers a very different side to London - showing how waterways shaped our principal city and exploring the legacy they leave today. With individual maps to show the course of each river and over 100 colour photographs, it's essential browsing for any Londoner and the perfect gift for anyone who loves exploring the past... 'An amazing book' -- BBC Radio London 'Talling's highly visual, fact-packed, waffle-free account is the freshest take we've yet seen. A must-buy for anyone who enjoys the hidden side of London -- Londonist 'A fascinating and stylish guide to exploring the capital's forgotten brooks, waterways, canals and ditches ... it's a terrific book' - Walk 'Pocket-sized, beautifully designed, illustrated and informative - in short a joy to read, handle and use' -- ***** Reader review 'Delightful, informative and beautifully produced' -- ***** Reader review 'A small gem. A really great book. I can't put it down' -- ***** Reader review 'Fascinating from start to finish' -- ***** Reader review

***** From the sources of the Fleet in Hampstead's ponds to the mouth of the Effra in Vauxhall, via the meander of the Westbourne through 'Knight's Bridge' and the Tyburn's curve along Marylebone Lane, London's Lost Rivers unearths the hidden waterways that flow beneath the streets of the capital. Paul Talling investigates how these rivers shaped the city - forming borough boundaries and transport networks, fashionable spas and stagnant slums - and how they all eventually gave way to railways, roads and sewers. Armed with his camera, he traces their routes and reveals their often overlooked remains: riverside pubs on the Old Kent Road, healing wells in King's Cross, 'stink pipes' in Hammersmith and gurgling gutters on streets across the city. Packed with maps and over 100 colour photographs, London's Lost Rivers uncovers the watery history of the city's most famous sights, bringing to life the very different London that lies beneath our feet.

Haunted London Peter Underwood, 2010 This was the first book on London's ghosts, when Peter Underwood was President of the Ghost Club. He is uniquely qualified to write Haunted London, presenting a parade and gazetteer of the psychic phenomena of Britain's capital city - a city with nearly ten million living inhabitants and the ghosts of many dead ones. As well as all the famous hauntings - the Cock Lane ghost, the Grey Man at Drury Lane, the Tower ghosts, the haunted house at Berkeley Square etc. - the book contains many new and hitherto unpublished findings. Not all ghosts date back to earlier centuries: there are ghost motorcyclists, for instance, and new buildings on the sites of older ones are as likely to have ghosts as those which still stand. For easy reference, Haunted London has divided up London geographically. Ghostly associations are uncovered in churches, theatres,

hotels, inns and scenes of murders. Poltergeist infestation is another phenomenon included in this work which is sure to fascinate anyone wanting to get to know London better - whether they be visitors, psychic researchers, students of history, of legend or folklore, or simply lovers of one of the world's finest cities.

The Poltergeist Prince of London James Clark, Shirley Hitchings, 2013-10-01 It began with a key. One afternoon in 1956, in the home of the Hitchings family in Battersea, south London, a small silver key appeared on Shirley Hitchings' bed. This seemingly insignificant event heralded the beginning of one of the most terrifying, incredible and mysterious hauntings in British history. The spirit, who quickly became known as 'Donald', began to communicate, initially via tapping sounds, but over time - and with the encouragement of psychical researcher Harold Chibbett, whose case-files appear here - by learning to write. Soon, the spirit had begun to make simply incredible claims about his identity, insisting that he was one of the most famous figures in world history - but what was the truth? Here, for the first time, is the full story, told by the woman right at the heart of it all - Shirley herself.

Dickens' London Charles Dickens, 1966

Walks of Art Frances Barry, 2015 London is one of the world's great cities for the visual arts. This book has been put together for everyone curious about London and about the place of modern and contemporary art in it. It takes you on a walking tour of public works of art created by famous and by less well-known artists. It introduces you to places connected to art - museums and galleries housing great collections, public squares and parks, churches, secular buildings, and sometimes more hidden locations. And it walks you by some of the places where the artists lived, worked, studied, and socialised.

Haunted Britain Richard Jones, 2010 With its wealth of historic buildings where wars were fought and history made, Britain has been the scene of political undoing, bloody beheadings, and cruel torture for centuries. Little wonder, then, that many corners of Britain have a resident ghost or some other supernatural presence. Ghosts have also been detected in many of Britain's stately homes and castles, its ancient inns, theatres, farmhouses, and cottages. Haunted Britain reveals the sites of nearly 100 of these throughout the country. From the most famous ancient sites to lesser-known recently haunted buildings, each location has been painstakingly researched. Featuring more than 200 color images, Haunted Britain reveals the compelling history behind every apparition. Divided into 7 regions, each with its own locator map, a quick-reference list shows whether the site is open to the public. For those who wish to see a ghost themselves, the list indicates how spooky each place is, on a scale of one to ten. Dotted throughout the book are features on some of the more lighthearted apparitions that have been known to appear in Britain's historic places--mischievous fairies and elves, malevolent hobgoblins, and mournful black dogs.

Haunted Oxford Rob Walters, 2006 From heart-stopping accounts of apparitions, manifestations and related supernatural phenomena to first-hand encounters with ghouls and spirits, this collection of stories contains new and well-known spooky tales from around the historic city of Oxford.

Jack the Ripper Richard Jones, 2008 The crimes of Jack the Ripper have haunted the imagination of the world since his murderous reign drew to a close late in 1888. This Casebook is an invaluable survey of the killer, his times and the web of complex and contradictory theories that have sprung up in his wake.

Haunting of Hill House Shirley Jackson, 1964

Right here, we have countless book **Walks Around Haunted London** and collections to check out. We additionally come up with the money for variant types and then type of the books to browse.
