Fiber Menace: The Truth About the Leading Role of Fiber in Diet Failure, Constipation, Hemorrhoids, Irritable Bowel Syndrome, Ulcerative Colitis, Crohn's Disease, and Colon Cancer Konstantin Monastyrsky,2005

Memoirs of a British Agent R. H. Bruce Lockhart,2011-04-30 When first published in 1932, this memoir was an immediate classic, both as a unique eyewitness account of Revolutionary Russia and as one man's story of struggle, and tragedy set against the background of great events. Aged 25, Lockhart became the British Vice-Consul to Moscow in 1912. With revolution in the air, it was dangerous, decadent posting. The 'Boy Ambassador' became an eyewitness to pivotal events and in 1918 was charged with establishing a diplomatic understanding with the Bolsheviks, to ensure that Russia remained in the war against Germany. It was a precarious mission: Whitehall could not be seen support revolutionaries; Lockhart grew wary of his masters' secret machinations; while Lenin and Trotsky's cordial relations with the British agent never quite dispelled their mistrust of the nation he represented. When Lockhart met Moura Budberg, who became the great love of his life, he was in an increasingly vulnerable position. In September 1918 he would be falsely accused of a counter-revolutionary plot to overthrow the Bolsheviks, and sent to the Loubianka. His account even inspired a Hollywood movie. From his evocative descriptions of revolutionary Moscow, where the champagne flowed as the bourgeoisie trembled, to his audiences with Trotsky and his brushes with death, this is a vivid, unique memoir.

A Century of Violence in Soviet Russia Alexander N. Yakovlev,2002-01-01 He unhesitatingly names those individuals who bear responsibility for these catastrophic deaths, bringing into sharper focus than ever before the facts, the perpetrators, and the events of the Soviet Union's years of terror.--BOOK JACKET.

Conjuring Hitler Guido Giacomo Preparata,2005-04-27 A concise history of how the US has used nuclear weapons to dominate the world.

The Zionist Connection II Alfred M. Lilienthal,1982 Rev. and updated ed. of: The Zionist connection. c1978. Includes bibliographical references and index.

Revolutionary Women in Russia, 1870-1917 Anna Hillyar,Jane McDerimid,2000 This study is available in paperback for the first time. At no time in Northern Ireland's history did so many significant political initiatives occur as between 1972 and 1975, the most violent and polarised years of the region's conflict. Using archival sources, this book analyses the political events and processes that informed the British government's Northern Ireland policy at the time, the complex interactions between Northern Ireland political parties, and the importance of the British-Irish diplomatic relationship to the search for a solution to the Northern Ireland conflict.Focusing on the rise and fall of the power-sharing Executive and the Sunningdale Agreement, the book challenges a number of persistent myths, including those concerning the role of the Irish government in the Northern Ireland conflict. It contests the notion that the years 1972 to 1975 represent a 'lost peace process', but demonstrates that the policies established during this period provided the template for Northern Ireland's current, ongoing peace settlement.

The Memoirs of Bridget Hitler Bridget Hitler,1979 Naive, Irish and seventeen years old, Bridget Dowling fell in love with Adolf Hitler's dashing half-brother, Alois. They left Ireland to marry and settled in England, in Liverpool, in 1910. This revealing and intimate account of Bridget's relationship with the Hitler family makes fascinating reading. Adolf's 'missing year' is plausibly accounted for: in 1912 Alois and Bridget meet the future Fuhrer off the train at Liverpool's Lime Street station. He is dirty, disheveled and ill and is a difficult guest in their home for several months. Bridget's marriage breaks down and Alois disappears; at eighteen, their son, William Patrick, decides to renew contact with his German uncle. Tension builds up when he makes several visits to Germany, finally deciding to seek employment there from 'Uncle Adolf'. Bridget follows him to Berlin in 1937. Her meeting with the Fuhrer at his idyllic residence in the Bavarian alps show just how far the 'spineless' young man of 1912 has changed. How she, and later her son, manage to escape the watchful eyes of Adolf and his bodyguards, makes this a gripping adventure story. These Memoirs cast new light on Adolf Hitler and his immediate family, particularly his extraordinary relationship with his niece. The unusually informal photographs portray a new side of the Fuhrer.--Page 2 of cover.

The Service Reinhard Gehlen,1972 So startling and dramatic are these memoirs, the entire history of World War II will have to be rewritten because of them. Gehlen's revelations cannot fail to embarrass governments, cast doubts on famous leaders and causes, frighteningly underscore the fantastic power of espionage in world affairs. The Service is the memoir of General Reinhard Gehlen, legendary spymaster-in-chief, Hitler's head of military espionage in Russia who, as the war ended, transferred his mammoth files and network of spies to the service of the United States, ultimately to become chief of the official West German intelligence agency.

To Build a Castle Vladimir Konstantinovich Bukovskii,1988

Failure of a Revolution: Germany 1918-1919 Sebastian Haffner,2019-08-16 The masterfully told story of what happened in Germany following its defeat in the first world war: the Kaiser's exit from the stage, the sailors' mutiny, the spreading of the revolution and its betrayal by its own chosen socialist leaders. Haffner recounts the murder of Karl Liebknecht and of Rosa Luxemburg — and the deliberate creation of those relentless counter-revolutionary forces that became the nightmare of the Third Reich. More than a brilliant historical study: it has vital lessons for our own day. "Haffner's history of the revolution is unrivalled — tight, precise, passionately rational, brilliantly formulated." — Profil/Wien "No-one else has described and analysed the events of 1918/19 that were decisive for the century as well and as convincingly as Sebastian Haffner." — Tagespiegel "For Haffner, the revolution was a social-democratic revolution. That it was nevertheless ultimately suppressed bloodily by social-democratic politicians confirms Haffner's suspicion that this was a case of betrayal." — Norddeutscher Rundfunk(North German Radio) "Haffner's book is one of the few that breaks open previously locked doors and shines a light on dark corners of our past." — Kölner Stadt-Anzeiger "Sebastian Haffner's brilliant intellect clarifies contrasts and similarities in situations, motivations and deeds and describes lucidly and dramatically the main lines of the complex developments from September 1918 to January 1919." — Dieter Wunderlich "Those who know Haffner's method of making the writing of history an inspection of the past motivated by the present, will appreciate this book." — zitty/Berlin

Canaris Michael Mueller,2017-01-30 This biography of the Nazi intelligence chief who spied both for and against Hitler examines the life of one of WWII's most intriguing figures. An early supporter of Adolph Hitler, Wilhelm Canaris became chief of German military intelligence before secretly turning against the Nazi regime at the start of World War II. Throughout his career, few who knew him ever understood his plans. Even today, historians find Wilhelm Canaris a man of mystery among Hitler's top lieutenants. The great protector of German opposition to Hitler, Canaris was also the one who prepared the Third Reich's major expansion plans. While he motivated those who were eager to bring down Hitler, he also hunted them as conspirators—one of the many contradictions he was forced to live with in order to stay in control of the Nazi spy network. This superbly researched biography follows Canaris's career from his first dabbling in the intelligence business during World War I through his time as head of the Abwehr to his execution in 1945 for his role in the July Plot. A highly readable account, it tells the story of an apparently old-fashioned naval officer, drawn into the web of the Nazi regime.

Adolf Hitler - Found of Israel Hennecke Kardel,1996-06-01 On The Front Cover Are Seen Two Criss-crossed Runic Letters Eihwaz Symbolizing Yews Surrounded By Some Secret Inscription, Which As Trees Have The Property Of Immortality. In The Teutonic And Viking Lore They Had To Ease Life's Transition To The God Hel, Ruler Of The Land Of Death. There Humans Would Confront Their Deepest Fears And Rebirth With A New Wisdom, Which Cannot Be Taught But Must Be Experienced.

Germany's Underground Allen Dulles,2019-12-06 Germany's Underground, first published in 1947, is the classic inside look at German resistance movements attempting to overthrow Adolph Hitler and the Nazi regime. Author Allen Dulles, younger brother of John Foster Dulles, was the OSS chief of station in Bern Switzerland, and had extensive personal contacts with members of the German underground. Following the war's end, he was stationed in Germany, providing him with access to captured secret Nazi documents. He was also able to interview the handful of surviving men and women involved in attempts to overthrow the Nazis or assassinate Hitler. Germany's Underground is a fascinating look at the

individuals involved in the German resistance as well as an examination of morality and ethics in the midst of a brutal police state. Allen Dulles was appointed director of the U.S. CIA in 1953, a position he held until 1961. Dulles, born in 1893, passed away in 1969.

Nemesis at Potsdam Alfred M. De Zayas, 1979-01-01

The Beasts of the Apocalypse Olivia Maria O'Grady, 2011-06-01 A Commentary Based On Events In The Warp And Woof Of Two Thousand Years Of History, Bringing Into Focus The Pattern Of Contemporary Movements To Establish A World Government.

The Gehlen Memoirs Reinhard Gehlen, 1972

Judgment in Moscow Vladimir K Bukovsky, 2019-05-14 First author-approved English translation of Soviet-era dissident's book which uses stolen Communist Party archives to tell the behind-the-scenes story of Soviet collaboration with Western leaders, and the collapse of the Communist regime.

Rudolf, Crown Prince and Rebel Brigitte Hamann, 2017 This is a translation of Brigitte Hamann's study of Rudolf von Habsburg, Crown Prince of Austria.
