First 300 Dutch English Vocabulary Flash Cards Professional Languageprep, 2019-05-06
The many cognitive benefits of learning languages are undeniable. People who speak more than one language have improved memory, problem-solving and critical-thinking skills, enhanced concentration, ability to multitask, and better listening skills. This flashcard set help all learners to improve both English and Dutch language for both test exam and daily used. If you're struggling to learn a new language, breathe, you're not alone. ... But, why is it so hard to learn a foreign language, anyway? Put simply, it's hard because it challenges both your mind (your brain has to construct new cognitive frameworks) and time (it requires sustained, consistent practice). Just keep practicing.

English Finnish Frequency Words Flash Cards for Beginners Learners Professional Kinder Prep, 2019-06-05
Research shows that learning a second language boosts problem-solving, critical thinking, and listening skills, in addition to improving memory, concentration, and the ability to multitask. Children proficient in other languages also show signs of enhanced creativity and mental

flexibility. There is a critical period or window of opportunity when children learn languages best. Studies have shown that this is when children are between birth and six years old. The younger children are, the easier they will learn a second language. As they get older that ability diminishes. These easy and fun flashcards aim to help parents as a useful educational tool for kids to learn a new language.

An English as an Additional Language (EAL) Programme Caroline Scott, 2019-09-18 You enjoy teaching and, like every other teacher, you want the best for every learner. Recently, you have found a steady stream of learners coming to your school with little or no English. You aren't really sure how to provide the best possible education for them, when they are struggling to understand the English in your already differentiated lessons. This book provides you with a programme for use as an induction-to-English, complete with integral assessment. It provides guidance on how to bridge the gap between these learners and their peers. It is suitable for learners of any language background (including those not literate in their home language) due to the focus on learning through images. It also includes suggestions on how to include parents who are new to English and ideas on family learning. You'll find an EAL framework to provide structure to your EAL provision across the school, as well as guidance on how to approach class teaching. Developed from good practice in schools and informed by research, this programme is designed to move learners into English quickly. It uses a visual, structured approach that works alongside immersion in the mainstream.
