*The Vacuum Cleaner* Carroll Gantz, 2012-09-26 House cleaning has been an innate human activity forever but only since the early 19th century have mechanical devices replaced the physical labor (performed mostly by women). Mechanical carpet sweepers were replaced by manual suction cleaners, which in turn were replaced by electric vacuum cleaners in the early 20th century. Innovative inventors, who improved vacuum cleaners as electricity became commonly available, made these advances possible. Many early manufacturers failed, but some, such as Bissell, Hoover, Eureka and others, became household names as they competed for global dominance with improved features, performance and appearance. This book describes the fascinating people who made this possible, as well as the economic, cultural and technological contexts of their times. From obscure beginnings 200 years ago, vacuum

cleaners have become an integral part of modern household culture.

**Renewal** Joseph Falank,2022-09-13 It's been two years since aspiring novelist and English teacher Malcolm Aton has had any contact with his family. Ever since his divorce and the loss of his mother to cancer, his relationship with his father has been strained. When he receives an urgent text from his brother, he learns the devastating news that their father's memory issues have progressed. He's now violent and at the end stages of Alzheimer's disease. Although confrontation with his father is imminent, Malcolm reluctantly agrees to return home for the weekend and take on the mantle of caregiver while they contend with the difficult decision of how to

care for their father. As is the case with everything involving his family, nothing goes as expected. Unapologetically honest, *Renewal* is the story of a family learning to cope with the crippling diseases of cancer and Alzheimer's, of allowing old wounds to heal, of a patriarch coming to terms with the deterioration of his memory and identity, and of Malcolm coming into his own by taking on the ultimate responsibility of caregiver.
