The Gentle Art of Swedish Death Cleaning Margareta Magnusson,2018-01-02 *The basis for the wonderfully funny and moving TV series developed by Amy Poehler and Scout Productions* A charming, practical, and unsentimental approach to putting a home in order while reflecting on the tiny joys that make up a long life. In Sweden there is a kind of decluttering called *döstädning*, *dö* meaning “death” and *städning* meaning “cleaning.” This surprising and invigorating process of clearing out unnecessary belongings can be undertaken at any age or life stage but should be done sooner than later, before others have to do it for you. In *The Gentle Art of Swedish Death Cleaning*, artist Margareta Magnusson, with Scandinavian humor and wisdom, instructs readers to embrace minimalism. Her radical and joyous method for putting things in order helps families broach sensitive conversations, and makes the process uplifting rather than overwhelming. Margareta suggests which possessions you can easily get rid of (unworn clothes, unwanted presents, more plates than you’d ever use) and which you might want to keep (photographs, love letters, a few of your children’s art projects). Digging into her late husband’s tool shed, and her own secret drawer of vices, Margareta introduces an element of fun to a potentially daunting task. Along the way readers get a glimpse into her life in Sweden, and also become more comfortable with the idea of letting go.

How to Be Inappropriate Daniel Nester,2009-10-01 Dry, offbeat, and mostly profane, this debut collection of humorous nonfiction glorifies all things inappropriate and TMI. A compendia of probing essays, lists, profiles, barstool rants, queries, pedantic footnotes, play scripts, commonplace

miscellany, and overly revealing memoir, *How to Be Inappropriate* adds up to the portrait of an artist who bumbles through life obsessed with one thing: extreme impropriety. In *How to Be Inappropriate*, Daniel Nester determines the boundary of acceptable behavior by completely disregarding it. As a twenty-something hipster, he looks for love with a Williamsburg abstract painter who has had her feet licked for money. As a teacher, he tries out curse words with Chinese students in ESL classes. Along the way, Nester provides a short cultural history on mooning and attempts to cast a spell on a neighbor who fails to curb his dog. He befriends exiled video game king Todd Rogers, re-imagines a conversation with NPR's Terry Gross, and invents a robot version of Kiss bassist Gene Simmons. No matter which misadventure catches their eye in this eclectic series of essays, *How to Be Inappropriate* makes readers appreciate that someone else has experienced these embarrassing sides of life, so that they won't have to.
