Honor's Promise Sharon Sala,2015-06-15 Don't miss the chance to read the novels that launched New York Times bestselling author Sharon Sala's career.

WAS SHE RIGHT TO TRUST THIS STRANGER? For Honor O'Brien, home had always been Charlie's All-Night Truck Stop, where weary drivers were sure to find the best barbecue in West Texas. But, with the recent death of her mother, Charlotte, aka Charlie, Honor knew that Charlie's would never be the same, and neither would her life. One night, with the grief too much to bear, Honor hid between two huge rigs in the parking lot and burst into tears. A second later she realized she wasn't alone. She was being watched by a handsome stranger who barely hesitated before pulling her into his arms and offering her the warm comfort of his embrace. After the long trip from Colorado, Trace Logan couldn't believe his good fortune. He'd been sent here to find Honor O'Brien. And, like magic, the long-legged beauty with a glorious black jumble of curls had fallen into his arms. He had found his woman. Now, if he could only get her back to Colorado without a struggle...

Honor's Destiny Yolanda Greggs, 2005-03-01 A supermodel who is retiring from the business sets her sights on her former boss--an uptight advertising executive who needs to loosen up and embrace her free-spirited love. Original.

Honor Thy Father Howard Losness, 2007-03 The life of 10-year-old Sylvia is limited to living on the beach of Santa Cruz, California, sleeping under cardboard boxes at night and surviving each day by begging and stealing from unsuspecting tourists and selling miniature sand dollars to vendors on the boardwalk that she finds on the beach. When she is traumatized after

witnessing her drunken father strangle her prostitute mother on the beach one night, a young couple from Oregon take pity on the little girl and take her home with them to raise her as their own. Fifteen years later they receive a disturbing telephone call from a stranger, demanding an unreasonable ransom with the threat of taking Sylvia's life if they don't give in to his demands. This is the beginning of a series of events that will alter her life forever.

Code of Honor Don Pendleton, 2009-12-01 Pink. Orange. White. Indigo. In the ruthless and unforgiving world of mercenaries, these are the code names of an elite group of assassins, known collectively as the Black Cross. They leave behind no DNA, no evidence at all—and until they were recruited by the shadowy group, they were the best and deadliest operatives working for the U.S. government. When someone begins targeting retired American servicemen—CIA, navy and marines—Stony Man decides to send Black Cross a new recruit: Mack Bolan. Bolan must infiltrate the cell of skilled assassins, taking the entire organization apart, body by body. And he'll do it the only way he knows how...Executioner style.

Honor Court Sid Stark, 2021-03-08 Doctor Rowena Halley signed up to be a professor, not a cop. Now she may have to be judge, jury, and executioner as well. When a student with a hijab and a strong Chechen accent confides in Rowena about a tricky sexual assault case and asks for her help, Rowena can't say no—again. Being the only Russian professor on campus, as well as the faculty member students go to for help, has its advantages. But the

disadvantages can be deadly. After a tragic incident last semester, Rowena is trying to get her career back on track, not to mention her love life. With her Russian ex-fiancé Dima supposedly out of the picture, Rowena is hoping to build a future across the country in California with her American boyfriend Alex. But the past has a nasty habit of coming back to haunt you. When Aishat Aslanbekova comes to Rowena with her suspicions that she was drugged and assaulted at a frat party, Rowena finds herself forced to confront her own demons as well as Aishat's. With Aishat making accusations against the college's star quarterback and posterchild for diversity, Rowena doesn't know which will be more heartbreaking: finding out that Aishat is lying, or finding out she's telling the truth. Either way, both Aishat and the men she says assaulted her are in danger of an honor killing at the hands of Aishat's family. Rowena believes in non-violence. Non-violence may not believe in her. *Content warning: Along with the kind of adult language you should expect from mouthy undergrads and battle-scarred Iraq vets, this book also contains a serious discussion of racism, Islamophobia, economic injustice, PTSD, and sexual assault. You've been warned.*

Pursuit of Honor Vince Flynn, 2010-08-31 After his team member, Mike Nash, witnesses a terror attack in Washington, D.C., CIA superagent Mitch Rapp must pursue the al Qaeda terrorists responsible as he fights a covert war that can never be discussed, even with the government's own political leaders.

Honor in the Son George C. Lukas, 2008-05-07 The year is 1981, and Stefano

DiTommaso has a desperate problem: his family debt. The older of two Italian-American brothers, he must uphold his familys honor by repaying this debt, incurred in Sicily by his father many years before. It isnt monetary, but the debt keeps him under the thumb of a New York City organized-crime groupwith the safety of his family dependent on his success at doing their bidding. Over the years, the teachings of the criminal organization, as well as his own experiences, have developed Stefanos talents in many areas--including the use of weapons. But his abilities are a double-edged sword. And his desperation is caused by the fear that, with the criminal organizations demands escalating, it is only a matter of time before they compel him to become a killer. His situation is even more complicated by the fact that he is a Catholic priest. When a violent crime is committed involving his sister-in-law, Stefano and his brother journey to the Florida Keys in search of retribution. With the area already a seething cauldron from race riots, violent dopers, and Marielitos, adding them to the mix will be just the right ingredient to make the pot boil over. In Key West their dangerous quest thrusts the brothers into a complex, violent world of drug smugglers, murderers, and crooked cops. Still, a few heroes emerge to help them. And while everyone seems to have their own secrets and hidden agenda, Stefano finally gets the opportunity to use some of his abilities in a positive, personal way. But, when their interlude in the Keys has ended, it has only served to postpone Stefanos focus on his incessant dread: the family debt.

Will he ever be free of it? Finally, he must return to New York City to confront it.

Sacred Honor Patrick Hale,

Called to Honor Brenda Krick, 2021-07-02 Part One: Our Story This book is the story of the journey my siblings and I took to honor our parents. The Bible says we are to honor our father and our mother, and *Our Story* reflects what that journey looked like for us. Everyone's journey will be unique to them, and their circumstances may not look like ours at all, and that is okay; it shouldn't look like ours. We came together as a family and made the decision to care for them to the best of our ability to the end, and although the journey was long and we grew weary along the way, the Lord looked at our hearts and made up for everything we lacked. He was the strength that saw us through to the end, and for that, we are forever grateful. Part Two: His Story From the time I began to pen this story, the world already lacked honor and respect for so many things on so many levels, but by the time I finished the book, the world had gone into a downward spiral of complete chaos and utter disregard for people and things I never imagined seeing in my lifetime. Lack of honor and respect for just about everything has begun to take over society. Who would have believed America could be so shaken and turned upside down with turmoil of this magnitude in such a short period of time? I believe entire generations have no idea what to honor or respect even looks like, hence adding to the chaos and mayhem we are seeing today in our cities and on

our streets. All the more reason, we need to come together and fight this atrocity gripping our nation. I believe we, as individuals and corporately as a nation, are being called to honor in this hour.

Honor Among Thieves Jeffrey Archer,2004-12-28 Ingeniously plotted and taken from the headlines, *Honor Among Thieves* resonates with the brilliant pace that is the trademark of master storyteller Jeffrey Archer. Spring 1994, Washington, D.C. - While the Clinton Administration grapples with its

domestic policies, a sinister plot is being masterminded six thousand miles away in Baghdad. By using \$100 million as bait and spinning a deadly web of corruption, forgery, and terror, Saddam Hussein seeks to embarrass the U.S. with the ultimate revenge: to steal a treasured historical document and then destroy it before the world's media-on July 4, 1994. As the countdown to Independence Day begins, two agents stand in the way of his nearly flawless plan: Scott Bradley, a rising star in the CIA who is desperate to prove his patriotism, and Hannah Kopec, the stunning Mossad operative who has already lost so much that she fears nothing and trusts no one. Their unrelenting quest to prevent what would undoubtedly be the most humiliating day in U.S. history takes them across four continents and climaxes in a dramatic, triple-twist ending.
