Keep The Shiny Side Up Sherrie

McCarthy, 2020-05-25 With a brand new license and craving adventure, they hit the road. Sherrie and Patrick were no strangers to overland motorcycle travel. They met on Patrick's first around the world motorcycle trip. After joining him in Argentina to ride pillion Sherrie was hooked - both on Patrick and motorcycle travel. And so a dream was born. Their next trip would have them each riding their own motorbike. However, as the months turned to years that dream seemed ever distant. Soon it became apparent that saving for an around the world trip would take longer than either was willing to wait. Realizing that there was more to life than working and saving, they switched plans and decided to ride from Germany to Turkey and back via the Balkans. Sherrie's first trip riding solo, *Keep The Shiny Side Up* is an intimate account of why someone with a week old motorcycle license would jump on their bike and ride away. (Hint: It helps if staying means your homeless.) And as Sherrie was to find out, self-awareness is where the real zen of motorcycle travel occurs. This is the story of their 3-month trip which included Austria, Hungary, Romania, Bulgaria, Turkey, Greece, Montenegro, Bosnia and Herzegovina, and Slovenia. From the majesty of Mt. Nemrut to the wonderful and open people they met along the way, Sherrie writes candidly about the ups, downs and pure bliss that is motorcycle travel. Food, mountain top crashes, and horny deer are all just part of this trip. The Happiness Project meets *The Motorcycle Diaries*, the book is

for anyone who dreams of packing it in and riding off into the sunset - or for anyone who just likes to read about it. Join in on the adventure today. Publisher's Note: Unleash Your Motorcycle Adventure Series is written by an adult and is intended for adults and therefore on occasion (and sometimes even more often than that) adult language is used. If you have a strong aversion to the use of the F-bomb, particularly when the person slinging that type of language is the female of the duo, you may find your enjoyment of the book somewhat diminished on occasion. Unleash Your Adventure has made an effort to remove unnecessarily foul language from the book. There are points though where we feel the integrity of the scene and Sherrie's general personality require the occasional swear word. Otherwise, if you ever meet her in real life, say at a Horizon's Unlimited meeting or in some random port, you will not be horrified. At the very least you can not say we did not warn you.

The Adventures You'll Have Riding Motorcycles
Lee Ridefar Heaver, 2019-06-05 Your life is an

adventure, RIDE IT! The great thing about motorcycles is it demands our attention and respect. We live in a very connected world and sometimes the only way to disconnect is to connect to your motorcycle. Whatever is going on in your life gets put aside for the ride. It is a beautiful thing. What kind of motorcycling do you want to do? It is hard to just own one motorcycle. There is a whole world of motorcycles to ride and you should try them all. This book is what you need to know to get started and get excited about. You will even get to decide if it's right for you or not. This book will be your go to resource to plan your next adventure. Do you consider yourself adventurous? This book was written for new riders and riders returning to riding after a hiatus. It will get you started and what you want out of riding. See why motorcyclists are some of the happiest people you'll meet. Written by one of the happiest riders out there, Lee RideFar will introduce all the kinds of motorcycles and rides available. The chapters include: Dirtbikes, Sportbikes, Cruisers and everything in between Your first rides and basic riding techniques Finding the right riders to ride with Motorcycle modifications and maintenance The stats and realities of crashing Dealing with traffic and tickets Street riding and dirt riding Commuting and Touring Track Days and Racing Advanced Rider Training Becoming a motorcycle instructor Pictures and anecdotes included to bring the reality of what you'll be doing yourself. Get the confidence to take on the adventures you choose. You'll even save some money by not repeating the mistakes the author made. Lee

Ridefar Heaver lives and breathes motorcycles in Vancouver, BC, Canada. If it has two wheels, he's interested. If he is not riding his motorcycle somewhere far away or riding at a race track. He is teaching new riders at his school 1st Gear Motorcycle Training in Vancouver BC Canada. You can also find Lee on his website ridefar.ca or YouTube for reviews, opinions, and education. Pushing Miles Wendy Crockett, Ian

McPhee, 2024-02-02 The incredible true story of a 100,000-mile motorcycle world record attempt where the only thing that didn't break was their spirit. In the spring of 2022, renowned long distance motorcycle riders Wendy Crockett and Ian McPhee set out to execute their meticulously planned World Record ride attempt. The premise was simple enough: Visit every Australian state in alphabetical order, documenting each visit by photographing the state's capitol building. The approach would then be replicated in the United States, visiting a grand total of 58 capitols on an epic road trip adventure spanning two continents and three countries. Reality hit hard with the revelation that absolutely nothing about this undertaking was destined to go smoothly. Yet even in the face of unfathomable adversity, including breakdowns, illness, animals strikes, historic weather events, and multiple hospitalizations, this tenacious duo refused to abandon their quest. Fueled by boundless optimism and unrelenting determination, *Pushing Miles* is a

brutally honest and surprisingly humorous look at what it takes to make an uphill ride into endurance motorcycling history.

The University of Gravel Roads Rene Cormier, 2011 ... Join the adventure as 33-year-old Rene Cormier politely removes himself from the working world that surrounds him and cashes in what few possessions he has to finance a three-year-long motorcycle journey around the world. Never one to let excessive planning get in the way of a good ride, Rene runs out of money half way through the tour and ultimately takes five years to cover his 154,000-kilometre (95,000 mile) route. ...--Book flap.

Motorcycle Adventurer Gregory W. Frazier, 2010 This travelogue originally authored by Clancy is for the avid motorcycle adventurer, the travel dreamer thirsting for motorcycle touring. Clancy circled the globe during 1912-1913 on a 1912 motorcycle. There were no GPSs, ATMs, Internet, and often no gas, roads or motorcycle repair shops. It describes the first motorcycle global adventure ride by the man who survived a dream quest with his gun, determination, grit, and guts--Back cover.

Down and Out in Patagonia, Kamchatka, and Timbuktu Gregory Frazier, 2014-04-15 The first-ever firsthand chronicle of Dr. Gregory W. Frazier's never-ending motorcycle ride. A little over 40 years ago, a man named Gregory W. Frazier got on his motorcycle, went for a ride, and never returned. He's still out there, circumnavigating the globe: exploring the jungles of Asia in the winter, trout fishing in Alaska in the summer, and

covering all points in between during the rest of the year. He's been shot at by rebels, jailed by unfriendly authorities, bitten by snakes, run over by Pamplona bulls, and smitten by a product of Adam's rib. He's circled the globe five times and has covered well over one million miles (and counting). During those past four decades, Dr. Frazier has been chronicling and photographing his around-the-world adventures, publishing 13 books on the subject (including one previous title for Motorbooks), the majority of which have been manuals for touring specific locations or general how-to-tour-by-motorcycle books. He has also produced 9 documentary DVDs on the same subject. But until now, nothing in print has encompassed the entirety of his worldwide motorcycle adventures. Now, for the first time, he has written his on-the-road autobiography that captures the whole of his extraordinary travels in words and images. *Down and Out in Patagonia, Kamchatka, and Timbuktu* tells the amazing ongoing story of Dr. Frazier, one of the world's single most well-traveled motorcyclists.

One More Ride Fred Milverstedt, 2013-06-27 On one level, *One More Ride* is a collection of stories and remembrances of a life spent on unique motorcycle journeys on the highways and byways of the Upper Midwest and beyond. But *One More Ride* from Fred Milverstedt is more than a litany of motorcycle rides: it's a remembrance of a noteworthy life, with various adventures and misadventures laid out in a fascinating series of stories. In *One More Ride*, the story is the thing: life, after all, is nothing more than a series of

stories and remembrances, and this set of tales details a life spent on the edge—or, at the least, a life spent on the back of a motorcycle. From the Introduction: Riding motorcycles, like any other dynamic activity, can be fraught with peril. By contrast, for every time on a given ride you encounter a difficult, sometimes dangerous situation, there are hundreds of times when the rides are magnificent, almost transcendent, and you return home safely and happy as a bug without so much as even a cop coming your way and checking his radar to see if you might have been speeding. These rides, blissful as they may be, are not exactly the kind of stuff that makes for a well-paced, exciting and entertaining read. It would be boring. And given the kind of writer I am, and the kind I am not, it would be worse. Combining fond remembrances of growing up in Wisconsin with some frank assessments of life on a motorcycle today, *One More Ride* is the chronicle of a unique life, filled with frank talk and a unrivaled writing story, perfect for both motorcycle enthusiasts and those yearning for a life on the road. “Reading *One More Ride* is pure pleasure. With an almost magical narrative voice Fred Milverstedt celebrates his lifelong love of bikes and fellow bikers and captures the unique spirit of men and women who feel compelled to do things like rack up 100,000 miles sitting astride an exposed engine and two wheels.” —David Rhodes, author of *Jewelweed*, *The Last Fair Deal Going Down*, *Driftless*, and *Rock Island Line* “I greatly enjoyed the book...but hated Fred's riff on guns.” —David Maraniss, author of *When Pride Still Mattered: Lombardi, First In His*

Marilyn Across America Jeff Fletcher, 2019-12-08
Follow along on a life changing ride on a motorcycle names Marilyn. See what it's really like to spend a month or more on the Trans-America Trail. Read what no one tells you about life on the road. Before any story is told, there must be a reason. Some reasons are simple. The walk to the mail box for example. It's a very short story with a reason and a purpose. This story is longer. It's reasons and purpose more complicated. But in the end, it's as simple as wondering what's in that box. The one just over the next horizon. Three years before I set off on a solo ride across America on a motorcycle named Marilyn, I sat in the basement of a typical suburban house. All of the lights were out. No one was home except myself. Had there been, I would have likely put on a stiff upper lip and pretended to be fine. Except I wasn't. Guttural animal like sounds escaped my body in a painful murmur that surely was not my own. It could not have been because I had never heard that voice before. Waves of primordial intonations rose and fell. There was no escape. There was no place to hide. I learned that when you cry lying on your back that you get tears in your ears. I learned that all of the control that

I thought I had was an illusion. I buried myself deeper into a corner trying to fence off whatever was attacking my core. Anyone witnessing this pitiful scene would have surely thought it was some kind of reenacted Hollywood drug induced nightmare. It was not. No alcohol was involved. No drug of any kind. It was worse than either. Worse because there was nothing from which to withdraw. Or was there? What does all of this have to do with riding a motorcycle along the Trans-America Trail. Nothing. And Everything. Read on to connect the metaphorical dots of one rider's inner journey from that dark basement to the shining ocean of the Oregon coastline.

Roads are for Journeys Kayla Koeune, Charlie Weisel, 2019-06-12 Motorcycle travel provides a unique and challenging mode of exploration. Roads

are for Journeys - Motorcycling through Europe takes you on a three-month journey through 17 Countries beginning and ending in Boulder, Colorado. Join Kayla and Charlie on their European adventure through their colorful knack for story telling accompanied with over 150 photos. This book is the first in a series created to share the couple's travels and moto adventures. Charlie Weisel has been writing a column for Cycle Source magazine and Thunder Press for the past few years and is excited to be able to share his stories on his own platform. He has ridden his fully rigid long chopper through 18 countries, all of the lower 48 states, as well as road a Royal Enfield through India. He has muscled through nine 1000-miles under 24 hours rides earning his Iron Butt. His love for two wheels started in his cycling days and has been his sanity through the years. Kayla had ridden alongside him on these endeavors with her Dyna through 18 countries, soon to knock off all 48, as well as ridden the most dangerous road in the world in India on a Himalayan. Her custom hardtail chopper was just recently finished and she is itching to get that girl on the road. Although this is the 4th book she has released it is the first book where she partakes predominantly as a writer of short stories. Kayla is an illustrator, artist and custom painter by trade, so this book gave her the opportunity to share her tales with the written word. Much of their time is spent traveling on motorcycles, but you can find them heading into the mountains with backpacks and exploring the world by foot. Thank you for joining the adventure

and look forward to seeing you on the road!

Ride Out Motorcycle Road Trips And Adventures Lin Introduction

In today's digital age, the availability of Ride Out Motorcycle Road Trips And Adventures Lin books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and

Ride Out Motorcycle Road Trips And Adventures Lin

carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Ride Out Motorcycle Road Trips And Adventures Lin books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Ride Out Motorcycle Road Trips And Adventures Lin books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Ride Out Motorcycle Road Trips And Adventures Lin versions, you eliminate the need to spend money on physical copies. This

not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Ride Out Motorcycle Road Trips And Adventures Lin books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed

Ride Out Motorcycle Road Trips And Adventures Lin

to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Ride Out Motorcycle Road Trips And Adventures Lin books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide

range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Ride Out Motorcycle Road Trips And Adventures Lin books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer

academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Ride Out Motorcycle Road Trips And Adventures Lin books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
