He escapes into the countryside where he spends the ensuing years hiding in the forest, dependent on the sympathies and generosity of the poor farmers in the surrounding area. Frostblood Elly Blake,2017-01-10 Book 1 of the New York Times bestselling series, perfect for fans of Red Queen. An enchanting and fast-paced debut that lights up the page with magic, romance, and action. Seventeen-year-old Ruby is a Fireblood who has concealed her powers of heat and flame from the cruel Frostblood ruling class her entire life. But when her mother is killed trying to protect her, and rebel Frostbloods demand her help to overthrow their bloodthirsty king, she agrees to come out of hiding, desperate to have her revenge. Despite her unpredictable abilities, Ruby trains with the rebels and the infuriating--yet irresistible--Arcus, who seems to think of her as nothing more than a weapon. But before they can take action, Ruby is captured and forced to compete in the king's tournaments that pit Fireblood prisoners against Frostblood champions. Now she has only one chance to destroy the maniacal ruler who has taken everything from her--and from the icy young man she

has come to love. Vivid and compelling, Frostblood is the first in an exhilarating series, followed by Fireblood and Nightblood, about a world where flame and ice are mortal enemies...but together create a power that could change everything.
