Radhayan Harsha V. Dahejia, 2019-03-23 About the Book Of all the mythic characters in the Hindu pantheon none is more enigmatic and evocative than Radha. Appearing for the first time in Jayadeva's Gita Govinda, where she is the ultimate beloved, she traverses political dynasties, royal ateliers and social barriers to emerge as a consort of Krishna. Brought alive by poets, developing a colourful presence in the hands of painters, dancing through prosceniums and acquiring a lyrical life through songs, both classical and popular, Radha is present in homes and havelis, celebrated by the the samajika and the rasika, has a presence in temples and roadside shrines as a symbol of pure and eternal love. And yet there are so many questions about her life; poets differ in their portrayals of her, historians argue, dancers claim her through their interpretations and for the common person she is now a shringara rasa nayika and now a goddess. But Radha stands steadfastly alone refusing to be bound down by poets or potters, dancers or singers. Harsha V. Dehejia weaves an enchanting story of Radha with a multicoloured thread, where myth blends into history and fiction challenges reality and

Radha emerges in all her poetic glory in this spellbinding story. Vijay Sharma and his team of artists bring Radha colourfully alive with miniature paintings, for it is there rather than sculpture that Radha resides. She is essentially kavyamaya, her origins are in the minds of poets, it is there that she grows, dallies and evolves. And while her voice is heard in songs and her footsteps resonate with dancers, it is in miniature paintings, through line and colour, that Radha comes alive as a multidimensional, many-nuanced paragon of love. This is Radhayan. About the Author Harsha V. Dehejia has a double doctorate, one in medicine and other in ancient Indian culture, both from Mumbai University. He is also a member of the Royal College of Physicians of London, Glasgow and Canada all by examination. He is a practising Physician and Professor of Indian Studies at Carleton University in Ottawa, Canada. His main interest is in Indian aesthetics.

Words in the Dust Trent Reedy, 2013-03-01 Winner of the Christopher Medal and a heart-wrenching Al Roker's Book Club selection on the Today Show. Zulaikha hopes. She hopes for peace, now that the Taliban have been driven from Afghanistan; a good relationship with her hard stepmother;

and one day even to go to school, or to have her cleft palate fixed. Zulaikha knows all will be provided for her--Inshallah, God willing. Then she meets Meena, who offers to teach her the Afghan poetry she taught her late mother. And the Americans come to her village, promising not just new opportunities and dangers, but surgery to fix her face. These changes could mean a whole new life for Zulaikha--but can she dare to hope they'll come true?

Dark Emperor and Other Poems of the Night Joyce Sidman,2010-09-06 Come feel the cool and shadowed breeze, come smell your way among the trees, come touch rough bark and leathery leaves: Welcome to the night. Welcome to the night, where mice stir and furry moths flutter. Where snails spiral into shells as orb spiders circle in silk. Where the roots of oak trees recover and repair from their time in the light. Where the porcupette eats delicacies--raspberry leaves!--and coos and sings. Come out to the cool, night wood, and buzz and hoot and howl--but do beware of the great horned owl--for it's wild and it's windy way out in the woods!

When they are separated they have to endure suffering, adventure, and transformation before they can be reunited and experience true happiness. A delightful love story, the poem is also rich in mystical symbolism and the story of the two lovers represents the stages on the spiritual path to enlightenment. Madhumalati was written in the sixteenth century and it is an outstanding example of Sufi literature in the Indian Islamic tradition. Originally written in a dialect of Eastern Hindi it is here translated for the first time into English verse,

with an introduction and notes that explain the poem's religious significance.

Elizabeth Macarthur Michelle Scott Tucker,2018-04-02 ‘An intimate portrait of a woman who changed herself and Australia...Michelle Scott Tucker makes Elizabeth Macarthur step off the page.’ David Hunt , Author of *Girt In 1788* a young gentlewoman raised in the vicarage of an English village married a handsome, haughty and penniless army officer. In any Austen novel that would be the end of the story, but for the real-life woman who became an Australian farming entrepreneur, it was just the beginning. John Macarthur took credit for establishing the Australian wool industry and would feature on the two-dollar note, but it was practical Elizabeth who managed their holdings—while dealing with the results of John’s manias: duels, quarrels, court cases, a military coup, long absences overseas, grandiose construction projects and, finally, his descent into certified insanity. Michelle Scott Tucker shines a light on an often-overlooked aspect of Australia’s history in this fascinating story of a remarkable woman. Michelle Scott Tucker owns and operates a management consulting company, and lives on a small farm in regional Victoria with her husband and children. Elizabeth Macarthur is her first book. ‘Tucker’s great achievement is to have scraped back the familiar historical material to uncover a

fresh and compelling portrait of Elizabeth Macarthur in her own words and the words of those who knew her.' Australian 'In writing this lively, entertaining and profoundly empathetic biography, [Tucker] has also brought other colonial women out of the shadows and told their story too...There are not many biographies or histories of Australia that are unputdownable, but this one is. Highly recommended!' ANZ LitLovers 'The triumphs and trials of Elizabeth Macarthur, a capable business woman and dedicated wife and mother, are given their due in this impressively researched biography.' Brenda Niall 'This carefully researched history is a highly interesting read that highlights the importance of women in the settlement of New South Wales.' Otago Daily Times 'Finally, Elizabeth Macarthur steps out from the long shadow of her infamous, entrepreneurial husband. In Michelle Scott Tucker's devoted hands, Elizabeth emerges as a canny businesswoman, charming diplomat, loving mother and indefatigable survivor. A fascinating, faithful portrait of a remarkable woman and the young, volatile colony she helped to build.' Clare Wright 'A nourishing, fascinating, and eye-opening read.' Alpha Reader 'Tucker expertly details the trials, tragedies and triumphs of the early settlement of NSW...This book is an

important historical memoir documenting the incredible life of an Australian pioneer and her role as the matriarch of one of Australia's first agricultural dynasties.' Countryman 'Elizabeth Macarthur: A Life at the Edge of the World is a great read. It crafts a compulsive story with good research, giving a convincing look into colonial New South Wales. It offers the pleasures of fine biography in tracing one person's life in all its seasons, through its successes and failures, joys and miseries.' NathanHobby blog 'A stunning and intimate look at Elizabeth [Macarthur] and the family's lives...Should be required reading in schools...An informative and learned look at colonial history.' Wearing Paper Dresses Anne Brinsden, 2019-09-24 'This is a wonderful novel, both uplifting and heartbreaking.' Good Reading Magazine (5 star review) SHORTLISTED FOR THE INDIE BOOK AWARD FOR DEBUT FICTION 2020 You can talk about living in the Mallee. And you can talk about a Mallee tree. And you can talk about the Mallee itself: a land and a place full of red sand and short

stubby trees. Silent skies. The undulating scorch of summer plains. Quiet, on the surface of things. But Elise wasn't from the Mallee, and she knew nothing of its ways. Discover the world of a small homestead perched on the sunburnt farmland of northern Victoria. Meet Elise, whose urbane 1950s glamour is rudely transplanted to the pragmatic red soil of the Mallee when her husband returns to work the family farm. But you cannot uproot a plant and expect it to thrive. And so it is with Elise. Her meringues don't impress the shearers, the locals scoff at her Paris fashions, her husband works all day in the back paddock, and the drought kills everything but the geraniums she despises. As their mother withdraws more and more into herself, her spirited, tearaway daughters, Marjorie and Ruby, wild as weeds, are left to raise themselves as best they can. Until tragedy strikes, and Marjorie flees to the city determined to leave her family behind. And there she stays, leading a very different life, until the boy she loves draws her back to the land she can't forget... PRAISE FOR WEARING PAPER DRESSES 'In the same vein as Rosalie Ham, Brinsden weaves a compelling story of country Australia with all its stigma, controversy and beauty.' Fleur McDonald 'This heartbreaking, melancholy and

hopeful debut novel is full of inventive, haunting imagery and is beautifully written.' Books+Publishing 'a sharply focused portrait of a stoic Mallee farmer, his highly-strung city wife, their two very different daughters, in an austere place and time.' Sydney Morning Herald

The Magic Doe Kutban,Aditya Behl,2011-12-12 This is a complete translation of the Mirigavati, which is both an introduction to Sufism and one of the true literary classics of pre-modern India, a story that draws freely on the large pool of Indian, Islamic, and European narrative motifs in its distinctive telling of a mystical quest and its resolution.

Ways of Thinking of Eastern Peoples Hajime Nakamura,1981-05-01 There is hardly any book equal to *Ways of Thinking of Eastern Peoples* in terms of its thorough and systematic presentation of the intricate thought patterns of Asian peoples. The book not only is an essential reference for the

student of Asian culture, but also for students of philosophy, religion, anthropology, and art, as it is an excellent source for aiding the student in gaining a deeper understanding of each facet of Oriental thought. --Isshi Yamada, Northwestern University The clearest discussion and analysis of these complex subjects that I have found. My advanced undergraduate students find this work to be 'stimulating', 'challenging' and comprehensible.' The organization of the text enhances the usefulness of this volume, but it is the high quality of the scholarship that makes Ways of Thinking a most valuable addition to Asian studies and to the academic training of upper division students. --Ann B. Radwan, University of North Florida I find Ways of thinking a most provocative source for exploring with my students certain basic themes in Eastern religion and culture. Used carefully, it is a most stimulating and effective source for tapping Eastern 'ways' at a fundamental level of inquiry. --Wilbur M. Fridell, University of California, Santa Barbara

Post-Colonial and African American Women's Writing Gina Wisker, 2017-03-04 This accessible and unusually wide-ranging book is essential reading for anyone interested in postcolonial and African

American women's writing. It provides a valuable gender and culture inflected critical introduction to well established women writers: Toni Morrison, Alice Walker, Margaret Atwood, Suniti Namjoshi, Bessie Head, and others from the U.S.A., India, Africa, Britain, Australia, New Zealand and introduces emergent writers from South East Asia, Cyprus and Oceania. Engaging with and clarifying contested critical areas of feminism and the postcolonial; exploring historical background and cultural context, economic, political, and psychoanalytic influences on gendered experience, it provides a cohesive discussion of key issues such as cultural and gendered identity, motherhood, mothertongue, language, relationships, women's economic constraints and sexual politics.

A Wilderness of Possibilities Kathryn Hansen, David Lelyveld, 2009-05-25 *A Wilderness of Possibilities* brings together eleven essays exemplifying the changing place of Urdu in today's world. Written by specialists in the field, they discuss diverse aspects of Urdu and Persian literature and poetry between the sixteenth and twentieth centuries. While the focus is mainly on Urdu poetry, offering a comprehensive introduction to the sociology, culture, and politics of its enchanting and

complex world, the volume also includes essays on travelogues, print journalism, and a play. The first part explores the divergent social and political spaces that Urdu literature has occupied through the centuries while the second part critiques the paradigms that have informed Urdu literary history and point to new methodologies of reading. The book will interest scholars and students of South Asian cultural history and literary studies as well as general readers interested in the subject.

MIDAMBLE. PETER. JAEGER,2018

The Rules of Art Pierre Bourdieu,1996 Written with verve and intensity (and a good bit of wordplay), this is the long-awaited study of Flaubert and the modern literary field that constitutes the definitive work on the sociology of art by one of the world's leading social theorists. Drawing upon the history of literature and art from the mid-nineteenth century to the present, Bourdieu develops an original theory of art conceived as an autonomous value. He argues powerfully against those who refuse to acknowledge the interconnection between art and the structures of social relations within which it is produced and received. As Bourdieu shows, art's new autonomy is one such structure,

which complicates but does not eliminate the interconnection. The literary universe as we know it today took shape in the nineteenth century as a space set apart from the approved academies of the state. No one could any longer dictate what ought to be written or decree the canons of good taste. Recognition and consecration were produced in and through the struggle in which writers, critics, and publishers confronted one another.
