

# The Acid House Irvine Welsh

Irvine Welsh

**The Acid House** Irvine Welsh,1995-04-17 Irvine Welsh's scintillating, disturbing, and altogether outrageous collection of stories—the basis for the 1998 cult movie directed by Paul McGuigan. He is called the Scottish Celine of the 1990s (Guardian) and a mad, postmodern Roald Dahl (Weekend Scotsman). Using a range of approaches from bitter realism to demented fantasy, Irvine Welsh is able to evoke the essential humanity, well hidden as it is, of his generally depraved, lazy, manipulative, and vicious characters. He specializes particularly in cosmic reversals—God turn a hapless footballer into a fly; an acid head and a newborn infant exchange consciousness with sardonically unexpected results—always displaying a corrosive wit and a telling accuracy of language and detail. Irvine Welsh is one hilariously dangerous writer who always creates a sensation.

**Ecstasy** Irvine Welsh,1996 A bestselling romance author suffers a paralyzing stroke and her philandering husband wonders how this will affect his gambling and whoring budget; two young lovers must come to terms with their chemically induced deformity; Lloyd from Leith transfigures his passion for an unhappily married woman. These three tales confirm Irvine Welsh's position as a master of the chemical romance genre.

**Reheated Cabbage** Irvine Welsh,2009-09-15 Hilarious, shocking and hugely entertaining, Reheated Cabbage has all the classic Irvine Welsh ingredients In Reheated Cabbage you can enjoy Christmas dinner with Begbie and discover how aliens addicted to Embassy Regal have Midlothian under surveillance. You will meet a husband who values a televised Hibs v Hearts game more than his wife's life and see two guys fighting over a beautiful girl agree - after a few pills and pints of lager - that their friendship is actually more important. And you will be delighted to welcome back 'Juice' Terry Lawson, and to watch what happens when he meets his old nemesis under the strobe-lights of a Miami Beach nightclub. 'The stories combine sly humour with the tang of lived experience. It makes for a terrific collection, showcasing a writer who...has blossomed into one of the most distinctive, and distinguished, observers of British life' Sunday Telegraph

**If You Liked School, You'll Love Work** Irvine Welsh,2007-09-17 Irvine Welsh, the author of *Trainspotting*, is up to his old tricks with his new work of transgressive short fiction. Irvine Welsh's first short-story collection since his debut work *The Acid House* presents five extraordinary stories, which remind us that he is a master of the short form, a brilliant storyteller, and—unarguably—one of today's funniest and most subversive writers. In *Rattlesnakes* three young Americans, lost in the desert, are accosted by two armed Mexicans. A Korean chef and a Chicago socialite find themselves connected through the disappearance of a pooch named Toto in *The D.O.G.S. of Lincoln Park*. And in the title story, Mickey Baker—an ex-pat English bar owner living on the Costa Brava—tries to keep all of his balls in the air: maintaining his barmaid's weight at the sexual maximum, attending to the youthful Persephone, and dodging his ex-wife and Spanish gangsters. In typically Welshian fashion, the characters and settings are anything but typical. These stories will make you laugh and gasp.

**Marabou Stork Nightmares** Irvine Welsh,1997 While lying in a coma in an Edinburgh hospital, Roy Strang experiences strange hallucinatory adventures that recount how he came to be in his current state, from his struggles with his disturbed family to a bizarre quest in Africa.

**Trainspotting** Irvine Welsh,2002 The best book ever written by man or woman...deserves to sell more copies than the Bible.--Rebel, Inc.

**Glue** Irvine Welsh,2001-05-17 An epic novel about the bonds of friendship from the author of *Trainspotting*. The story of four boys growing up in the Edinburgh projects, *Glue* is about the loyalties, the

experiences, and the secrets that hold friends together through three decades. The boys become men: Juice Terry, the work-shy fanny-merchant, with corkscrew curls and sticky fingers; Billy the boxer, driven, controlled, playing to his strengths; Carl, the Milky Bar Kid, drifting along to his own soundtrack; and the doomed Gally, exceedingly thin-skinned and vulnerable to catastrophe at every turn. We follow their lives from the seventies into the new century—from punk to techno, from speed to E. Their mutual loyalty is fused in street morality: Back up your mates, don't hit women, and, most important, never snitch—on anyone. Glue has the Irvine Welsh trademarks—crackling dialogue, scabrous set pieces, and black, black humor—but it is also a grown-up book about growing up—about the way we live our lives, and what happens to us when things become unstuck. Stocked with his usual quirky, sympathetic characters, this rollicking new tale sparkles with the writer's trademark satiric wit. Its heft and narrative breadth should convince any remaining skeptics that Welsh—now effectively the grand old man of in-your-face Scottish fiction—is a writer to be taken seriously.—Publishers Weekly starred review

Acid House Irvine Welsh, Irvine Welsh, 2012-10-25T00:00:00+02:00 Ventun racconti che rivelano un Welsh fulmineo, straordinariamente incisivo e capace di sorprendere con la varietà delle invenzioni. Storie in cui accanto all'umanità trash cara all'autore di *Trainspotting*, sempre in giro tra pub, stadio e stazioni di polizia, e costantemente tormentata da una sessualità prepotente o repressa, troveremo anche le atmosfere più tese e rarefatte della suspense. Una miscela esplosiva di umorismo graffiante e situazioni drammatiche, un linguaggio sempre crudo e diretto, un gusto per il paradosso portato al limite. Tutta la forza corrosiva di un autore, ormai considerato di culto, che ci provoca di continuo con l'energia trasgressiva di ciò che assolutamente non è politically correct.

Filth Irvine Welsh, 1998-09-17 With the Christmas season upon him, Detective Sergeant Bruce Robertson of Edinburgh's finest is gearing up socially—kicking things off with a week of sex and drugs in Amsterdam. There are some sizable flies in the ointment, though: a missing wife and child, a nagging cocaine habit, some painful below-the-belt eczema, and a string of demanding extramarital affairs. The last thing Robertson needs is a messy, racially fraught murder, even if it means overtime—and the opportunity to clinch the promotion he craves. Then there's that nutritionally demanding (and psychologically acute) intestinal parasite in his gut. Yes, things are going badly for this utterly corrupt tribune of the law, but in an Irvine Welsh novel nothing is ever so bad that it can't get a whole lot worse. . . . In Bruce Robertson Welsh has created one of the most compellingly misanthropic characters in contemporary fiction, in a dark and disturbing and often scabrously funny novel about the abuse of everything and everybody. Welsh writes with a skill, wit and compassion that amounts to genius. He is the best thing that has happened to British writing in decades.—Sunday Times [London] [O]ne of the most significant writers in Britain. He writes with style, imagination, wit, and force, and in a voice which those alienated by much current fiction clearly want to hear.—Times Literary Supplement Welsh writes with such vile, relentless intensity that he makes Louis-Ferdinand Céline, the French master of defilement, look like Little Miss Muffet.—Courtney Weaver, The New York Times Book Review The corrupt Edinburgh cop-antihero of Irvine Welsh's best novel since *Trainspotting* is an addictive personality in another sense: so appallingly powerful is his character that it's hard to put the book down....[T]he rapid-fire rhythm and pungent dialect of the dialogue carry the reader relentlessly toward the literally filthy denouement. —Village Voice Literary Supplement, Our 25 Favorite Books of 1998 Welsh excels at making his trash-spewing bluecoat peculiarly funny and vulnerable—and you will never think of the words 'Dame Judi Dench' in the same way ever again. [Grade:] A-. —Charles Winecoff, Entertainment Weekly

Skagboys Irvine Welsh, 2012-09-17 Chronicles the misadventures of Mark Renton and his friends as

they cope with economic uncertainties, family problems, drug use, and the opposite sex in 1980s Edinburgh.

*Acid house* Irvine Welsh,1997 Tras su espectacular, escandaloso, perturbador debut con *Trainspotting*, una gran novela que ha trascendido sus lmites y se ha convertido en un fenmeno meditico internacional, Irvine Welsh vuelve a agitar las conciencias y la literatura con este libro, compuesto por una coleccin de relatos y una novela corta no menos escandalosas y perturbadoras, aunque tambin despiadadamente divertidas.Un jugador de ftbol que est sufriendo un mal trip y una mujer embarazada camino del hospital son heridos por un rayo en una repentina tormenta y se produce un curioso cambio de identidades; Madonna, Kylie Minogue, Kim Basinger y Victoria Principal toman el sol en Santa Mnica y discuten como camioneros los encantos de los empleados de una empresa de mudanzas; Boab Coyle, borracho y quejica, se encuentra en un pub a Dios, que le da algunas lecciones sobre la vida antes de convertirlo en una mosca; un joven heroinmano va a ver a su abuela, decidido a robarle hasta la ropa que lleva puesta, y descubre que la vieja es el camello ms importante de la zona.Pero aun las ms divertidas historias esconden una subterrnea corriente de desesperacin, que sube hasta la superficie en *Un listillo*, la novela corta que cierra el libro, dura, sarcstica y nada sentimental crnica de la vida de un joven drogadicto y buscavidas que va de Edimburgo a Londres, de un trabajo a otro, de la confusin al caos.Leer a Irvine Welsh es como mirar las pelculas de Tarantino: una actividad emocionante, escalofriante, repulsiva, apremiante... pero Welsh es un escritor muy fro que consigue despertar sentimientos muy clidos y su literatura es mucho ms que 'pulp fiction' (Tobias Jones, *The Spectator*). Welsh es un estilista devoto de las profanas iluminaciones de todos los das, un luchador con guantes de terciopelo... *Acid House* es una

*Babylon Heights* Irvine Welsh,Dean Cavanagh,2006 In 1935 MGM Studios embarked on a movie adaptation of L. Frank Baum's 'The Wonderful Wizard of Oz'. The production called for the casting of many dwarfs to play Munchkins of the mythical Land of Oz, and the studio began recruiting small persons from all over the world. During production, rumors spread around Hollywood of wild Munchkin sex orgies, drunken behavior, and general dwarf debauchery. More sinisterly, a Munchkin is said to have committed suicide by hanging himself on the set during filming-what appears to be a small human body is clearly visible hanging from a tree in the Tin Woodman scene. It is an unsubstantiated claim that has passed into Hollywood legend. Set in a hotel room in Culver City, California, ' *Babylon Heights*' is Irvine Welsh and Dean Cavanagh's scabrous and hilarious imagining of what could, very possibly, have led to that dwarf suicide.

**T2 *Trainspotting*** Irvine Welsh,2009-05-27 Now a major film directed by Danny Boyle reuniting the cast of *Trainspotting* Years on from *Trainspotting* Sick Boy is back in Edinburgh after a long spell in London. Having failed spectacularly as a hustler, pimp, husband, father and businessman, Sick Boy taps into an opportunity which to him represents one last throw of the dice. However, to realise his ambitions within the Adult industries, Sick Boy must team up with old pal and fellow exile Mark Renton. Still scheming, still scamming, Sick Boy and Renton soon find out that they have unresolved issues to address concerning the unhinged Begbie, the troubled, drug-addled Spud, but, most of all, with each other. T2 *Trainspotting* was previously published as *Porno*.

**The *Bedroom Secrets of the Master Chefs*** Irvine Welsh,2009-06-04 At Edinburgh's Department of Environmental Health, hard-drinking, womanising officer Danny Skinner wants to uncover secrets: 'the bedroom secrets of the master chefs', secrets he believes might just help him understand his self-destructive impulses. But the arrival of the virginal, model-railway enthusiast Brian Kibby at the department provokes an uncharacteristic response in Skinner, and threatens to throw his mission off course. Consumed by

loathing for his nemesis, Skinner enacts a curse, and when Kibby contracts a horrific and debilitating mystery virus, Skinner understands that their destinies are supernaturally bound, and he is faced with a terrible dilemma.

**Dead Men's Trousers** Irvine Welsh,2019-02-26 The International Bestseller from the author The New York Times called blisteringly funny — it's the wild and wooly crew from Trainspotting back for one last adventure You don't need to have seen the blockbuster movie—nor read the earlier mega-bestselling books—to get what's going on in Dead Men's Trousers: Four no-longer-young men who constantly think back to their bawdy, drug-filled youth together on the streets of Edinburgh, decide they want to join forces for one last caper. Careful what you wish for... Manages a sort of ragged glory, a life-affirming comic energy . . . A whooping last hurrah for the Trainspotting gang. —The Guardian Crackles with idiomatic energy and brio. —Publishers Weekly Mark Renton is finally a success. He now makes significant money managing DJs, but the constant travel, airport lounges, soulless hotel rooms, and broken relationships have left him dissatisfied with life. Then he runs into his old partner in crime, Frank Begbie, from whom he'd been hiding for years. But the psychotic Begbie appears to have reinvented himself as a celebrated artist in Los Angeles, and doesn't seem interested in revenge. Meanwhile, back in Edinburgh, Sick Boy and Spud are intrigued to learn that their old friends are back in town, and concoct a new scheme for them all . . . Which is when things start to go horribly wrong. The four men, driven by their personal histories and addictions, circle each other, confused, angry, and desperate. One of these four will not survive . . . Which one is wearing Dead Men's Trousers? Fast and furious, scabrously funny, and weirdly moving, this is a spectacular return of the crew from Trainspotting.

**Crime** Irvine Welsh,2008 Welsh's sizzling new novel is a thrilling journey into the bright glamour of the Sunshine State and a seething underworld of utter darkness, in this shocking story about the corruption and abuse of the human soul and the possibilities of redemption.

**The Acid House** Irvine Welsh,1995 Irvine Welsh's scintillating, disturbing, and altogether outrageous collection of stories—the basis for the 1998 cult movie directed by Paul McGuigan--

**You'll Have Had Your Hole** Irvine Welsh,2014-05-29 A play from the author of Trainspotting Within the sound-proofed walls of a disused recording studio, a score is being settled. Two inner city low-lives take the law into their own hands to satisfy their craving for fun, fear and a freakish sense of justice. You'll Have Had Your Hole premièred at the West Yorkshire Playhouse and toured internationally - although it was banned in Belgium.

**Rave** Irvine Welsh,2018-04-05 Irvine Welsh, 'poet laureate of the chemical generation', exposes the seamy underbelly of rave's utopian dream. Lloyd, our permanently pilled-up protagonist, pushes his weekends to breaking point and beyond in this frazzled trip through Scottish clubland. He experiences the vertiginous uppers and downers of the Second Summer of Love, dabbles in a spot of disc jockeying and closes in, gradually, on some kind of redemption... Selected from Irvine Welsh's novel Ecstasy. VINTAGE MINIS: GREAT MINDS. BIG IDEAS. LITTLE BOOKS. A series of short books by the world's greatest writers on the experiences that make us human Also in the Vintage Minis series: Home by Salman Rushdie Dreams by Sigmund Freud Eating by Nigella Lawson Work by Joseph Heller

**A Decent Ride** Irvine Welsh,2016-02-02 Irvine Welsh returns to Edinburgh, the home of Trainspotting and so many of his novels since, with a new novel featuring one of his most iconic and beloved characters—'Juice' Terry Lawson—that's thick on the Scottish brogue, heavy on the filth and masterful in its comedic timing. A Decent Ride sees Irvine Welsh back in Edinburgh, this time with one of his most compelling and popular characters front and center: the rampaging force of nature that is 'Juice'

Terry Lawson, first seen in *Glue*. Juice is a man who contains multitudes: he's a top shagger, drug-dealing, gonzo pornstar and taxi driver. As we ride along in Juice's cab through the depraved streets of Edinburgh, Juice encounters a series of charmingly filthy characters, each of whom present their own, uh, unique challenges. Has he finally met his match in Hurricane 'Bawbag'? Can he discover the fate of the missing beauty, Jinty Magdalen, and keep her idiot-savant lover, the man-child Wee Jonty, out of prison? Will he find out the real motives of unscrupulous American businessman and reality-TV star, Ronald Checker? And, crucially, will Juice be able to negotiate life after a terrible event robs him of his sexual virility, and can a new fascination for the game of golf help him to live without . . . a decent ride? (The meaning of the title is starting to sink in now, huh?). So buckle your seatbelts and prepare for one unforgettable ride.

This is likewise one of the factors by obtaining the soft documents of this **The Acid House Irvine Welsh** by online. You might not require more grow old to spend to go to the books foundation as with ease as search for them. In some cases, you likewise attain not discover the proclamation **The Acid House Irvine Welsh** that you are looking for. It will agreed squander the time.
