Form and the Art of Theatre Paul Newell Campbell, 1984 This book is an argument for a particular point of view toward theatre, not a summary or survey of dramatic theory and criticism. The argument centers on the concept of form, a concept that is the rock on which all theoretical and critical works are built, or against which they shatter.

Klein, 1979 An updated and expanded study of the extraordinary playwright, showing why Shaffer (*Five Finger Exercise*, *Equus*, *Amadeus*) is a unique and powerful voice in contemporary English drama. Five new plays are covered in the revision; also new are discussions of the British and American versions of recent plays, commentary on the films for which Shaffer was scriptwriter, and production information that specifies the respective directors, actors, and so on. Slow Dance on the Killing Ground William Hanley, 1993 THE STORY: As the curtain rises, a poor, dusty shop with its dirty window obscuring the dark hostile night, with its mean little counter, and with its juke box glaring vulgarly from the side, the storekeeper is taking inventory. The door is flung

Three Kingdoms Simon Stephens, 2012-08-10 *Three Kingdoms* is a blackly entertaining and unsettling detective story cum parable about the devil in us all, international human trafficking and the changing state of Europe. As the severed human head of an Estonian woman is found in a river in Hammersmith, two British detectives set off in search of her origins in Europe and how she came to be found dead. Accompanied by a mephistophelian German detective acting as their guide, they gradually sink deeper and deeper into the world of prostitution and international human trafficking. Fighting to cross international borders and language barriers, they enter a nightmarish world that will change one of them forever. *Three Kingdoms* tells the stories of trafficked women, the gangs and the police forces across Europe that attempt to control them. This dark new thriller by Simon Stephens, set across three countries, explores an international business where the goods are not products, but people. Questioning and undermining not just tenets about the nature of Europe with its old and new borders, *Three Kingdoms* also explodes moral certainties. With good and evil presented not as polarised forces but as disturbingly shifting, overlapping and contradictory, the play provocatively unbalances convictions of truth, ethical codes, violence and justice. This edition also includes a preface with contributions from playwright Simon Stephens, German director Sebastian Nuebling and Estonian dramaturg Eero Epner, discussing this uniquely collaborative and tri-lingual project.

Orphans Lyle Kessler, 2013-05-07 In a run-down house in North Philadelphia live two orphan brothers: the reclusive, sensitive Philip, sealed off in a world of StarKist tuna and Errol Flynn movies; and Treat, a violent pickpocket and thief. Into this ferocious and funny world enters Harold, a mysterious, wealthy, middle-aged man who is kidnapped by Treat, but who soon turns the tables on the two brothers, changing forever the delicate power balance of their relationship. Both hilarious and heartbreaking, *Orphans* is a story of the universal love of a father for his son, and a son's need to live his own life.

The Private Ear Peter Shaffer, 1962

Radium Girls D. W. Gregory, 2003 In 1926, radium was a miracle cure, Madame Curie an international celebrity, and luminous watches the latest rage—until the girls who painted them began to fall ill with a mysterious disease. Inspired by a true story, *Radium Girls* traces the efforts of Grace Fryer, a dial painter, as she fights for her day in court. Her chief adversary is her former employer, Arthur Roeder, an idealistic man who cannot bring himself to believe that the same element that shrinks tumors could have anything to do with the terrifying rash of illnesses among his employees. The Pitchfork Disney Philip Ridley, 2015-05-21 *The Pitchfork Disney* heralded the arrival of a unique and disturbing voice in the world of contemporary drama. Manifesting Ridley's vivid and visionary imagination and the dark beauty of his outlook, the play resonates with his trademark themes: East London, storytelling, moments of shocking violence, memories of the past, fantastical monologues, and that strange mix of the barbaric and the beautiful he has made all his own. *The Pitchfork Disney* was Ridley's first play and is now seen as launching a new generation of playwrights who were unafraid to shock and court controversy. This unsettling, dreamlike piece has surreal undertones and thematically explores fear, dreams and story-telling. First produced in 1991, it has gone on to be recognised as the annunciation of Ridley's dark and seductive world.

Curtain Times Otis L. Guernsey, 1987 (Applause Books). *Curtain Times* is a uniquely comprehensive, uniquely detailed and uniquely contemporaneous history of the New York theater in the seasons from 1964-65 up to 1987. This is a collection of more than two decades of annual critical surveys (originally published in the *Best Plays* series of yearbooks) in a single volume. Each of these surveys is a report and criticism of a whole New York theater season: its hits and misses onstage and off, its esthetic innards. Each is a comprehensive overview which takes in every play, musical, specialty and revival, foreign and domestic, produced on and off Broadway during the theater season. Hardcover.

Pink Mist Owen Sheers, 2017-04-04 From the author of *I Saw a Man* comes a powerful drama in verse that captures both the trauma of modern warfare and the difficulty of transitioning back to normal life after combat. In early 2008, three young friends from Bristol decide to join the army and are deployed to the conflict in Afghanistan. Within a short space of time the three men return to the women in their lives—a wife, a mother, a girlfriend—all of whom must now share the psychological and physical aftershocks of military service. Written from the points of view of each soldier, Sheers explores not only their experiences in the field of battle, but also the grueling process of recovery following a debilitating injury, the strain of PTSD on a new marriage, and the emotional toll of survivor's guilt among soldiers and their loved ones at home. Drawing on interviews with soldiers and their families, *Pink Mist* illuminates the enduring human cost of war and its all too often devastating effect upon the young lives pulled into its orbit. A work of great dramatic power, documentary integrity, and emotional intensity.

Hardly a Scholar Ken Shearwood, Ted Maidment, 2009-01-01 Ken Shearwood's vigorous and lively autobiography is the story of a successful life, way out of the schoolmaster's common run. Now in his [eighties], Shearwood tells of his schooldays at Shrewsbury, of harrowing and hazardous times on destroyers and landing craft in the Second World War, a first career spent professionally inshore fishing off Cornwall, and then, admission

to Oxford with about as few academic qualifications as one can reasonably imagine. No matter; an excellent all-round games player, and at soccer a frankly uncompromising centre half, Shearwood was to become an integral part of the briefly flowering Pegasus side from Oxford and Cambridge which, remarkably, twice won the Amateur Cup. ... After Shearwood retired from the game, he [taught] - not without considerable difficulty in the maths area - at Lancing, where he was to stay, as master, housemaster and registrar for the rest of his working life, serving under six headmasters, and (when President of the Common Room) becoming a Governor: that time had its sticky moments. Pen pictures and anecdotes - shrewd, funny, sparkling, but never unkind - abound, for this is a contented man, happily married for over fifty years. There were eccentrics at Lancing, as at every public school, and we see glimpses of them, occasionally rather sad ones, but Shearwood was not one of them; happy when coaching the school eleven, when teaching Tudor and Stuart history, happiest of all when teaching English literature, he gave much to Lancing. That great Arsenal and England footballer Joe Mercer once introduced Ken Shearwood as the best centre half in England; even if he exaggerated, he may not have been too far from the truth. Hardly a Scholar is well illustrated; long though it is, I was sorry to see it come to its end. It is not often one finds oneself saying that; and many people should buy this wholly admirable book, by one who is indeed hardly a scholar, but is most assuredly a man. Colin Leach, Times Literary Supplement

A Re-Visioning of Love Ana Mozol, 2019-06-10 In *A Re-Visioning of Love: Dark Feminine Rising*, Ana Mozol parts the illusory veils of persona as she explores the reality of feminine experiences relating to love, trauma and sexuality in contemporary Western society. Mozol takes us on a personal journey through the three levels of experience, delving into the underworld and the trauma of rape, the middle world and the illusions of romantic love, and the upper world and the masculine spiritual ideals that fracture the feminine soul. In this multidisciplinary examination of the feminine, Mozol seeks to understand violence against women intrapsychically, interpersonally and within the field of depth psychology. The book begins with Mozol's own experiences with violence and her exploration of the demon lover complex and the stages of breaking this complex after trauma. Combining personal testimony, theoretical reflections, historical analysis, and 20 years of clinical experience, Mozol uses a heuristic approach to explore personal stories, clinical material, dreams and depth analysis as they connect to the female individuation process. We follow Mozol's journey through the middle world and the illusions of romantic love, into the upper world and the complexity of Oscar Wilde's feminine character Salomé who represents the rising dark feminine energy that must be reckoned with for the possibility of love to exist. Accessible yet powerful, Mozol uses her personal story to place the oppression of women within the Jungian context of individuation. *A Re-Visioning of Love: Dark Feminine Rising* will be key reading for academics and students of Jungian and post-Jungian studies, psychotherapy, trauma studies, gender studies, women's studies and criminology. It will also be an indispensable resource for Jungian psychotherapists and analytical psychologists in practice and in training. *A Re-Visioning of Love*, however, is more than a psychological exploration; it is a memoir of the personal and archetypal feminine and as such will appeal to anyone interested in the story of many women today.

A History of Magic and Experimental Science Lynn Thorndike, 1923

Elephant Man Bernard Pomerance, 2007-12-01 "An enthralling and luminous play" about the nineteenth-century man whose physical deformity doomed him to the life of an outcast: "haunting [and] splendid" (The New York Times). The *Elephant Man* is based on the life of John Merrick, who lived in London during the latter part of the nineteenth century. A horribly deformed young man, a freak attraction in traveling side shows, is found abandoned and helpless and is admitted for observation to Whitechapel, a prestigious London hospital. Under the care of a famous young doctor who educates him and introduces him to London society, Merrick changes from a sensational object of pity to the urbane and witty favorite of the aristocracy and literati. But his belief that he can become a man like any other is a dream never to be realized. After premiering in London, *The Elephant Man* went on to Broadway where it won the Tony for Best Play in 1979. It was later revived in a Broadway production starring Bradley Cooper. "The *Elephant Man* is a moving drama. Lofted on poetic wings, it nests on the human heart." —Time Magazine

She Kills Monsters Qui Nguyen, 2016 Revised 2016 Edition. *She Kills Monsters* tells the story of Agnes Evans as she leaves her childhood home in Ohio following the death of her teenage sister, Tilly. When Agnes finds Tilly's *Dungeons & Dragons* notebook, however, she finds herself catapulted into a journey of discovery and action-packed adventure in the imaginary world that was her sister's refuge. In this high-octane dramatic comedy laden with homicidal fairies, nasty ogres, and '90s pop culture, acclaimed playwright Qui Nguyen offers a heart-pounding homage to the geek and warrior within us all.
